New Communisms:

Communism's Public Sphere Kyrill Kunakhovich, 2023-01-15 *Communism's Public Sphere* explores the political role of cultural spaces in the Eastern Bloc Under communist regimes that banned free speech political discussions shifted to spaces of art theaters galleries concert halls and youth clubs Kyrill Kunakhovich shows how these venues turned into sites of dialogue and contestation While officials used them to spread the communist message artists and audiences often flouted state policy and championed alternative visions Cultural spaces therefore came to function as a public sphere or a rare outlet for discussing public affairs Focusing on Krak w in Poland and Leipzig in East Germany *Communism's Public Sphere* sheds new light on state society interactions in the Eastern Bloc In place of the familiar trope of domination and resistance it highlights unexpected symbioses like state sponsored rock and roll socialist consumerism and sanctioned dissent By examining nearly five decades of communist rule from the Red Army's arrival in Poland in 1944 to German reunification in 1990 Kunakhovich argues that cultural spaces played a pivotal mediating role They helped reform and stabilize East European communism but also gave cover to the protest movements that ultimately brought it down *Triggering Communism's Collapse* Marjorie Castle, 2003 Through research and interviews Castle examines the causes and consequences of Poland's collapse as a communist state and explores how today's leaders confront some of the legacies of transition

Problems of Communism, 1992 *Strategy and Tactics of World Communism* United States. Congress. Senate. Committee on the Judiciary, 1955 **Communism and its Collapse** Stephen White, 2002-01-04 Ranging from the Russian revolution of 1917 to the collapse of Eastern Europe in the 1980s this study examines Communist rule By focusing primarily on the USSR and Eastern Europe Stephen White covers the major topics and issues affecting these countries including communism as a doctrine the evolution of Communist rule the challenges to Soviet authority in Hungary and Yugoslavia the emerging economic fragility of the 1960s the complex process of collapse in the 1980s Any student or scholar of European history will find this an essential addition to their reading list **Library of Congress Subject Headings** Library of Congress, 2002 **Strategy and Tactics of World Communism: The significance of the Matusow case** United States. Politically Incorrect Guide to Communism Paul Kengor, 2017-10-02 A brand new installment of the beloved *Politically Incorrect Guide* series The *Politically Incorrect Guide to Communism* is a fearless critique of freedom's greatest ideological adversary past and present **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2003 **Communism in India** Marshall Windmiller, 1964 *The ABC of Communism* Nikolai Ivanovich Bukharin, Evgenii Alekseevich Preobrazhenskii, 1927 **Creating German Communism, 1890-1990** Eric D. Weitz, 2021-04-13 Eric Weitz presents a social and political history of German communism from its beginnings at the end of the nineteenth century to the collapse of the German Democratic Republic in 1990 In the first book in English or in German

to explore this entire period Weitz describes the emergence of the Communist Party of Germany KPD against the background of Imperial and Weimar Germany and clearly explains how the legacy of these periods shaped the character of the GDR to the very end of its existence In Weimar Germany social democrats and Germany's old elites tried frantically to discipline a disordered society Their strategies drove communists out of the workplace and into the streets where the party gathered supporters in confrontations with the police fascist organizations and even socialists and employed workers In the streets the party forged a politics of display and spectacle which encouraged ideological pronouncements and harsh physical engagements rather than the mediation of practical political issues Male physical prowess came to be venerated as the ultimate revolutionary quality The KPD's gendered political culture then contributed to the intransigence that characterized the German Democratic Republic throughout its history The communist leaders of the GDR remained imprisoned in policies forged in the Weimar Republic and became tragically removed from the desires and interests of their own populace The Communist Party of the United States Fraser M. Ottanelli, 1991 Fraser M Ottanelli examines the history of the Communist Party of the United States CPUSA from the stock market crash to the reconstitution of the Party in 1945 He explains the appeal of the CPUSA and its emergence as the foremost vehicle of left wing radicalism during these years Ottanelli looks at the Party's domestic policies and activities concerning labor race youth the unemployed as well as the Party's changing attitude toward FDR and the New Deal its policies in foreign affairs and war time activities **Organized Communism in the United States** United States. Congress. House. Committee on Un-American Activities, 1954 *Britain, America and Anti-Communist Propaganda 1945-53* Andrew Defty, 2004-03-01 In the Cold War battle for hearts and minds Britain was the first country to formulate a coordinated global response to communist propaganda In January 1948 the British government launched a new propaganda policy designed to oppose the inroads of communism by taking the offensive against it A small section in the Foreign Office the innocuously titled Information Research Department IRD was established to collate information on communist policy tactics and propaganda and coordinate the discreet dissemination of counter propaganda to opinion formers at home and abroad **American Communism** James Oneal, 1927 **Congressional Record** United States. Congress, 1963 **Is Materialism the Basis of Communism?** Isabel Kingsley, 1926 *Rational Communism* Alonzo Van Deusen, 1885

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
