come from all walks of life but share one thing in common they all have developed mutually supportive fulfilling relationships Their uplifting stories are like a heart to heart talk that lets you know that a wonderful relationship is possible Dr Nelson builds upon their stories and draws on her years as a clinical psychologist to present specific grounded guidance so that you can transform your relationship into the kind of mutually fulfilling partnership that these women already enjoy Warm and realistic Dr Noelle Nelson has empowered countless individuals to be happier healthier and more successful in relationships Although men and women are different they are not so different that they cannot create a healthy relationship the key is to appreciate the differences and transform them into strengths And this practical program shows how Enhanced with detailed exercises and charts to track your progress Your Man Is Wonderful is a way for you to rehabilitate your relationship so that your wonderful man can step into the open
