of the advisory board for the New Testament Library a new commentary series for Westminster John Knox Press editor of the Society of Biblical Literature's Resources for Biblical Studies and a member of the editorial board of its Journal of Biblical Literature and associate editor of the Catholic Biblical Quarterly     *The American Catalogue* ,1881 American national trade bibliography     The New Interpreter's Bible: General Articles and Introduction, commentary, and reflections for each book of the Bible including the Apocrypha ,1994     **Elements of Biblical Exegesis** Michael J. Gorman,2020-11-03 World renowned scholar Michael Gorman presents a straightforward approach to the complex task of biblical exegesis This third edition of Gorman's widely used and trusted textbook over 60 000 copies sold has been thoroughly updated and revised to reflect developments in the academy and the classroom over the past decade The new edition explains recent developments in theological interpretation and explores missional and non Western readings of the biblical text Adaptable for students in various settings it includes clear explanations practical hints suggested exercises and sample papers     *The American Catalog* ,1881     **Introduction to the Prophets** Leclerc, Thomas L.,2017 Now in a second edition this volume introduces college students and adult learners to biblical stories about the prophets as well as the theology and teachings of each of the prophetic books in the Bible There are discussion questions at the end of each chapter     *Echoes of Scripture in the Letter of Paul to the Colossians* Christopher A. Beetham,2009-01-31 While the use of the Old Testament in the New Testament has captured the attention of biblical scholars over the years no study has been devoted to the presence of Scripture in Colossians largely because there are no explicit quotations in Colossians With the introduction of literary intertextuality into the discipline however scholars have begun to devote more attention to the NT authors less explicit references to Scripture often labelled as allusions and or echoes Scholars however continue to debate what constitutes an allusion or echo or how one validates a given proposal as such This study proposes new definitions of these terms and offers a methodology on how to detect and validate them using Colossians as a test case     **The Hardened Heart and Tragic Finitude** Dan O. Via,2012-11-05 This book has two main theses First for the biblical Christian doctrine of sin the root of the human problem is hardness of heart the corruption of the core self of the seat of understanding and will On the other hand for an important strand of Greek tragedy the root of human harm doing is the nonculpable blindness and anxiety of finitude that despite the initial nonculpability lead to evil and suffering The Hardened Heart shows that these two different interpretations of human existence are amenable to a degree of synthesis that leads to this conclusion hardness of heart and our ordinary finitude together collude to cause sin in its fullness The second thesis of this volume is that exegetical studies disclose a deconstructive strand in certain biblical texts that represents the finite world that God created as a source of distress and harm doing in something like the tragic sense This subdominant deconstructive position challenges the dominant biblical vision in which the creation came forth from God's creative word as good without qualification     **An Introduction To Theological Research** Cyril J. Barber,Robert M. Krauss Jr.,2000-05-01 An indispensable guide for undergraduate graduate

or seminary students this book provides valuable insight into the best reference tools available for Bible research Not only do the authors provide general information on atlases concordances lexicons dictionaries and the like but they also evaluate their usefulness Titles reviewed range from theologically conservative to theologically liberal in their orientation Electronic databases are included within the scope of the book s coverage A highly useful resource the book will certainly find a permanent place on the desk of anyone involved with Bible research      **Sin in the New Testament** Jeffrey S. Siker, 2020

Sin was an extremely important and serious concern for the earliest Christians and the authors of the New Testament writings Early Christians came to see the life and ministry of Jesus as challenging presumptions about the meanings of sin and faithfulness This book provides a comprehensive treatment of different understandings of sin in early Christianity Jeffrey S Siker describes how the earliest Christian voices represented in the New Testament writings understood sin not only as a theological abstraction but also as a real reflection upon human thought and behavior that violated right relationships with both other human beings and with God Siker explores language about sin in relation to the Jewish and Greco Roman contextual worlds of the New Testament writings and examines the development and change of these worlds in relation to the modern concept of sin      *An Introduction to Jesus and the Gospels* Frederick James Murphy, 2005 Jesus and the Gospels is one of the most popular religion courses at colleges and it is required at many seminaries and divinity schools This textbook written by an award winning educator is designed for a semester long course in both these settings Moreover it could be used as a supplementary text in courses on christology the historical Jesus New Testament literature and the Bible Murphy will provide an introduction to the gospels that does justice to the full range of modern critical methods and insights He will discuss the implications of these methods for how we understand the nature of the gospels and how we can read them today The chapters will sketch the portrait of Jesus that emerges from each gospel and then examine the canonical view of Jesus by comparing and contrasting these pictures as well as the ones that emerge from the non canonical gospels and from the modern quest for the historical Jesus Chapter list Introduction Theological and Historical Backgrounds Chapter 1 What is a Gospel Chapter 2 History of Critical Methods for Gospel Study Chapter 3 The Gospel of Mark Chapter 4 Q Chapter 5 Matthew Chapter 6 Luke Chapter 7 John Chapter 8 Other Gospels Gospel of Thomas Infancy Gospels other Apocryphal Gospels Chapter 8 Christian Interpretations of Jesus Chapter 9 The Historical Jesus Chapter 10 Conclusion Glossary Further Reading Notes Subject Index Charts sidebars illustrations and maps
