New Left Review 10 July Aug 2001:

New Left Review, 2007 *The Idea of Israel* Ilan Pappé, 2016-01-05 A major history of Zionism and the state of Israel for anyone interested in deepening their knowledge of the Israel Palestine conflict and Middle Eastern politics Ilan Pappé is one of the few Israeli students of the conflict who write about the Palestinian side with real knowledge and empathy Guardian Since its foundation in 1948 Israel has drawn on Zionism the movement behind its creation to provide a sense of self and political direction In this groundbreaking new work Ilan Pappé looks at the continued role of Zionist ideology The Idea of Israel considers the way Zionism operates outside of the government and military in areas such as the country's education system media and cinema and the uses that are made of the Holocaust in supporting the state's ideological structure In particular Pappé examines the way successive generations of historians have framed the 1948 conflict as a liberation campaign creating a foundation myth that went unquestioned in Israeli society until the 1990s Pappé himself was part of the post Zionist movement that arose then He was attacked and received death threats as he exposed the truth about how Palestinians have been treated and the gruesome structure that links the production of knowledge to the exercise of power The Idea of Israel is a powerful and urgent intervention in the war of ideas concerning the past and the future of the Palestinian Israeli conflict *Politics Of Everyday Life* Ginsborg, Paul, 2013-05-24 Concern over the present state of the world its tensions and disparities fosters in many people the uneasy combination of two sensations urgency and powerlessness The solution lies in our own hands We need to re think the choices we make on a day to day basis choices affecting the ways we use our time the family lives we live the sorts of goods and services we consume the quality of democracy we are able to exercise The individual the local and the global are inextricably intertwined in positive and in negative ways Passivity and indifference at the individual level contribute greatly to collective dismay at the condition of the world This book explores the choices we have It considers the options for civil society and for the individual within today's political culture **Living Together:** Elisabeth Weber, 2013 For Jacques Derrida the notions and experiences of community living and together never ceased to harbour radical in fact infinite interrogations In this volume the paradoxes impossibilities and singular chances that haunt the necessity of living together are evoked in Derrida's essay *Avowing The Impossible* around which the collection is gathered **The Returns of Zionism** Gabriel Piterberg, 2020-05-05 In this original and wide ranging study Gabriel Piterberg examines the ideology and literature behind the colonization of Palestine from the late nineteenth century to the present Exploring Zionism's origins in Central Eastern European nationalism and settler movements he shows how its texts can be placed within a wider discourse of western colonization Revisiting the work of Theodor Herzl and Gershom Scholem Anita Shapira and David Ben Gurion and bringing to light the writings of lesser known scholars and thinkers influential in the formation of the Zionist myth Piterberg breaks open prevailing views of Zionism demonstrating that it was in fact unexceptional expressing a consciousness and imagination typical of colonial

settler movements Shaped by European ideological currents and the realities of colonial life Zionism constructed its own story as a unique and impregnable one in the process excluding the voices of an indigenous people the Palestinian Arabs

War With No End Ahdaf Soueif, Arundhati Roy, Haifa Zangana, Hanif Kureishi, Joe Sacco, John Berger, Naomi Klein, Phyllis Bennis, Tram Nguyen, 2020-05-05 On October 7th 2001 US led forces invaded Afghanistan marking the start of George Bush and Tony Blair's War on Terror Six years on where have the policies of Bush and Blair left us Bringing together some of the finest contemporary writers this wide ranging anthology from reportage and faction to fiction explores the impact of this long war throughout the world from Palestine to Iraq Abu Ghraib the curtailment of civil liberties and manipulation of public opinion Published in conjunction with Stop the War coalition and United for Peace and Justice War With No End provides an urgent necessary reflection on the causes and consequences of the ideological War on Terror

Where Now for Palestine? Jamil Hilal, 2013-07-04 Where Now for Palestine marks a turning point for the Middle East Since 2000 the attacks of 9 11 the death of Arafat and the elections of Hamas and Kadima have meant that the Israel Palestine two state solution now seems illusory This collection critically revisits the concept of the two state solution and maps the effects of local and global political changes on both Palestinian people and politics The authors discuss the changing face of Fateh Israeli perceptions of Palestine and the influence of the Palestinian diaspora The book also analyzes the environmental destruction of Gaza and the West bank the economic viability of a Palestinian state and the impact of US foreign policy in the region This authoritative and up to date guide to the impasse facing the region is required reading for anyone wishing to understand a conflict entrenched at the heart of global politics

Collective Memory and National Membership Meral Ugur Cinar, 2015-02-04 This study seeks to explain the impact of historical narratives on the inclusiveness and pluralism of citizenship models Drawing on comparative historical analysis of two post imperial core countries Turkey and Austria it explores how narrative forms operate to support or constrain citizenship models

Raymond Federman and Samuel Beckett Nathalie Camerlynck, 2021-07-13 This book is about Raymond Federman and his incredible textual obsession with Samuel Beckett Federman was a scholar of Beckett postmodern theorist a self translator and avant garde novelist Born in Paris in 1928 all of his immediate family perished in the Holocaust Federman escaped thanks to his mother who hid him in a closet After the war he migrated to America and devoted his life to scholarship and creative writing In both he devoted his life to Beckett Federman's creative and theoretical writings contaminate and pervert each other just as in his novels French contaminates English and fiction perverts reality His work is centered on the details of his survival enacting a perpetual return to the closet as previous studies have demonstrated By examining Beckettian and by extension Joycean intertextuality in the novels of Raymond Federman this study traces the contours of a second closet

Memory's Orbit Joseph Natoli, 2012-02-01 Mixing memoir and cultural criticism Memory's Orbit examines the intersections between a wide range of films and current events finding its theme and orbiting narrative structure in the personal stories we live within and their

relationship to the social and cultural order Joseph Natoli covers such films as *The Matrix* *American Beauty* *Fight Club* *Eyes Wide Shut* and *American History X* as well as such headline events as the death of John F Kennedy Jr the dot com boom the WTO protests in Seattle and Bush versus Gore consistently identifying those aspects of the social order that have shaped his narrating frame Eschewing theoretical exposition and jargon Natoli performs postmodern critique and this book continues his innovative work in the genre of cultural studies

Ordinary Person's Guide To Empire Arundhati Roy, 2006-03 In Her Ordinary Person's Guide Roy's Perfect Pitch And Sharp Scalpel Are Once Again A Wonder And A Joy To Behold No Less Remarkable Is The Range Of Material Subjected To Her Sure And Easy Touch And The Surprising Information She Reveals At Every Turn Noam Chomsky This Second Volume Of Arundhati Roy's Collected Non Fiction Writing Brings Together Fourteen Essays Written Between June 2002 And November 2004 In These Essays She Draws The Thread Of Empire Through Seemingly Unconnected Arenas Uncovering The Links Between America's War On Terror The Growing Threat Of Corporate Power The Response Of Nation States To Resistance Movements The Role Of Ngos Caste And Communal Politics In India And The Perverse Machinery Of An Increasingly Corporatized Mass Media Meticulously Researched And Carefully Argued This Is A Necessary Work For Our Times The Scale Of What Roy Surveys Is Staggering Her Pointed Indictment Is Devastating New York Times Book Review She Raises Many Vital Questions In This Book Which We Can Ignore Only At Our Peril Statesman With Fierce Erudition And Brilliant Reasoning Roy Dwells On Western Hypocrisy And Propaganda Vehemently Questioning The Basis Of Biased International Politics Asian Age Whether You Agree With Her Or Disagree With Her Adore Her Or Despise Her You'll Want To Read Her Today Reading Arundhati Roy Is How The Peace Movement Arms Itself She Turns Our Grief And Rage Into Courage Naomi Klein

The Palestinian Novel Bashir Abu-Manneh, 2016-04-26 What happens to the Palestinian novel after the national dispossession of the nakba and how do Palestinian novelists respond to this massive crisis This is the first study in English to chart the development of the Palestinian novel in exile and under occupation from 1948 onwards By reading the novel in the context of the ebb and flow of Arab and Palestinian revolution Bashir Abu Manneh defines the links between aesthetics and politics Combining historical analysis with textual readings of key novels by Jabra Kanafani Habiby and Khalifeh the chronicle of the Palestinian novel unfolds as one that articulates humanism self sacrifice as collective redemption mutuality and self realization Political challenge hope and possibility are followed by the decay of collective and individual agency Genet's and Khoury's unrivalled literary homages to Palestinian revolt are also examined By critically engaging with Lukács Adorno and postcolonial theory questions of struggle and self determination take centre stage

Reclaiming the Nation Sam Moyo, Paris Yeros, 2011-03-04 This book compares the trajectories of states and societies in Africa Asia and Latin America under neoliberalism a time marked by serial economic crises escalating social conflicts the remilitarisation of North South relations and the radicalisation of social and nationalist forces Sam Moyo and Paris Yeros bring together researchers and activists from the three continents to assess the state of national sovereignty and the

challenges faced by popular movements today They show that global integration has widened social and regional inequalities within countries exacerbated ethnic caste and racial conflicts and generally reduced the bureaucratic capacities of states to intervene in a defensive way Moreover inequalities between the countries of the South have also widened These structural tensions have all contributed to several distinct political trajectories among states from fracture and foreign occupation to radicalisation and uncertain re stabilisation This book redraws the debate on the political economy of the contemporary South and provides students of international studies with an important collection of readings

Debating Empire Gopal Balakrishnan, 2020-05-05 Michael Hardt and Antonio Negri's book *Empire* has been hailed as a latter day Communist Manifesto Its ability to develop a theoretical framework relevant to the current period of global neo liberalism and international capitalism captured the imagination of the growing anti capitalist movement and has been claimed as a turning point for the left As much as it has seduced and delighted some however it has enraged and frustrated others In this collection a series of some of the most acute international theorists and commentators of our times subject the book to trenchant and probing analysis from political economic and philosophical perspectives and Hardt and Negri respond to their questions and criticisms

War Talk Arundhati Roy, 2003 Essays *Israel and South Africa* Ilan Pappé, 2015-10-15 Within the already heavily polarised debate on the Israeli Palestinian conflict parallels between Israel and apartheid South Africa remain highly contentious A number of prominent academic and political commentators including former US president Jimmy Carter and UN Special Rapporteur John Dugard have argued that Israel's treatment of its Arab Israeli citizens and the people of the occupied territories amounts to a system of oppression no less brutal or inhumane than that of South Africa's white supremacists Similarly boycott and disinvestment campaigns comparable to those employed by anti apartheid activists have attracted growing support Yet while the apartheid question has become increasingly visible in this debate there has been little in the way of genuine scholarly analysis of the similarities or otherwise between the Zionist and apartheid regimes In *Israel and South Africa* Ilan Pappé one of Israel's preeminent academics and a noted critic of the current government brings together lawyers journalists policy makers and historians of both countries to assess the implications of the apartheid analogy for international law activism and policy making With contributors including the distinguished anti apartheid activist Ronnie Kasrils *Israel and South Africa* offers a bold and incisive perspective on one of the defining moral questions of our age

The False Prophets of Peace Tikva Honig-Parnass, 2011-11-15 This book refutes the long held view of the Israeli left as adhering to a humanistic democratic and even socialist tradition attributed to the historic Zionist Labor movement Through a critical analysis of the prevailing discourse of Zionist intellectuals and activists on the Jewish democratic state it uncovers the Zionist left's central role in laying the foundation of the colonial settler state of Israel in articulating its hegemonic ideology and in legitimizing whether explicitly or implicitly the apartheid treatment of Palestinians both inside Israel and in the 1967 occupied territories Their determined support of a Jewish only state underlies the failure of the peace process initiated by the

Zionist Left to reach a just peace based on recognition of the national rights of the entire Palestinian people **The Checkbook and the Cruise Missile** David Barsamian, Arundhati Roy, 2004 A skillful interviewer can reveal aspects of a writer's voice in simple yet telling ways As a novelist Arundhati Roy is known for her lush language and intricate structure As a political essayist her prose is searching and fierce All of these qualities shine through in the interviews collected by David Barsamian for *Globalizing Dissent* Conversations with Arundhati Roy New and devoted readers will find that these exchanges recorded between 2001 and 2003 add to their appreciation of Roy's previous work Whether discussing her childhood or the problems of translation in a multilingual society Roy and Barsamian the producer and host of Alternative Radio engage in a lively and accessible manner Speaking candidly and casually Roy describes her participation in a demonstration against the Indian dam program as absolutely fantastic She jokes that her Supreme Court charge for corrupting public morality in the case of her novel *The God of Small Things* should have been changed to further corrupting public morality She calls on her training as an architect to explain what she means by the physics of power Like a house of cards she argues that unfettered power cannot go berserk like this and expect to hold it all together Roy has been acclaimed for her courage Salman Rushdie and her eloquence Kirkus Reviews and her writing has been described as a banquet for the senses Newsweek She has found a readership among fiction enthusiasts and political activists *Globalizing Dissent* captures Roy speaking one on one to her audience revealing her intense and wide ranging intellect her very personal voice and her opinion on momentous political events Arundhati Roy's novel *The God of Small Things* was awarded the Booker Prize in 1997 She is the recipient of the 2002 Lannan Foundation Prize for Cultural Freedom *Anarchist Seeds beneath the Snow* David Goodway, 2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world *Palestine* Nur Masalha, 2018-08-15 This rich and magisterial work traces Palestine's millennia old heritage uncovering cultures and societies of astounding depth and complexity that stretch back to the very beginnings of recorded history Starting with the earliest references in Egyptian and Assyrian texts Nur Masalha explores how Palestine and its Palestinian identity have evolved over thousands of years from the Bronze Age to the present day Drawing on a rich body of sources and the latest archaeological evidence Masalha shows how Palestine's multicultural past has been distorted and mythologised by Biblical lore and the Israel Palestinian conflict In the process Masalha reveals that the concept of Palestine contrary to accepted belief is not a modern invention or one constructed in opposition to Israel but rooted firmly in ancient past Palestine

represents the authoritative account of the country's history
