## **New Light On Delinquency And Its Treatment:**

**New Light on Delinquency and Its Treatment** William Healy,1950      New Light on Delinquency and Its Treatment William Healy, Augusta Fox Bronner,1936 The authors of this study conclude that juvenile delinquents are frequently found in those families in which the fulfillment of social relationships has been hindered at one time or the other By taking the family instead of the delinquent as the unit of research the authors have been able to compare 105 delinquents with 105 children belonging to the same families and thus serving as controls The authors believed that delinquent behaviour is symptomatic of the prevalence of profoundly felt emotional disturbances and they feel that their diagnostic classification of delinquents has prognostic value      **New Light on Delinquency and Its Treatment** William Healy,1943      **New Light on Delinquency and Its Treatment** William Healy, Augusta F. Bronner,1947      Adolescence C. M. Fleming,1998 Young people are educable Young people are worth educating Upon their wise handling depend the issues of ultimate harmony or conflict in the home in workshop or factory and among thenations Many current methods of treatment find however their justification only in the somewhat mythical descriptions of past centuries For most of these there is little support in the more careful studies of recent years      Research Relating to Children; Bulletin Clearinghouse for Research in Child Life (U.S.),1955      *Research Relating to Children* ,1953      **Taming the Troublesome Child** Kathleen W. Jones,1999-09-15 In Taming the Troublesome Child these questions lead to the complex history of child guidance a specialized psychological service developed early in the twentieth century Kathleen Jones puts this professional history into the context of the larger culture of age class and gender conflict BOOK JACKET      **Readings in Contemporary Criminological Theory** Peter Cordella, Larry J. Siegel,1996 An anthology of 24 essays on major developments in contemporary criminological theory      *The Termination of Criminal Careers* Stephen Farrall,2017-07-05 Recent years have witnessed an increase in the attention given to the later stages of criminal careers Research upon this topic has charted the main factors associated with the termination of criminal careers outlined some of the possible reasons behind these relationships and started to develop theoretical explanations for such relationships Collected together for the first time are some of the most important contributions to this field of research The collection focuses upon the initial explorations into this topic the most commonly observed findings the cessation of offending by specific offender types and theoretical matters An introductory essay by the editor provides a thorough overview of the work in this area and highlights the reasons why the termination of criminal careers will become increasingly important to criminologists and criminal justice policy makers alike      The Criminology Theory Reader Stuart Henry, Werner Einstadter,1998 An anthology of theoretical essays on causes of crime published in the American Society of Criminology s journal Criminology Articles have been edited into concise student friendly readings capturing the essence and diversity of thinking about crime from major theoretical perspectives including classical and rational choice biological and psychological strain subculture social learning neutralization and Marxist and critical theory Also contains cutting edge thinking on
