The Decisions that Shape One's Destiny Lloyd N. Moffatt, 2011-05 Every lesson experience and obstacle that is part of life requires a person to make a critical decision that will shape his or her destiny It is through those experiences that come from the lessons that life teaches and the obstacles that one must go through that defines truly where one's heart and purpose lies in this world I wrote this book because I know how important decision making is in everyone's lives There are people who like to make decisions such as finding the right career the right person to marry the right places to live and raise their children even decisions that affect their overall dreams and goals Each person was born with a purpose in this world No one can exist in this life without one God doesn't make any mistakes in who or what He creates Therefore because you are not a mistake and God created you with a purpose you have every reason to tap into your abilities and capabilities to impact the world If you are hungry to discover your true potential passion and purpose in life you will be an entirely different person after reading this book You will have the mindset to accomplish every impossible dream and goal that many people thought you could never possibly attain
