Religion And The Development Of The American Penal System:

Religion and the Development of the American Penal System Andrew Skotnicki, 2000 **Encyclopedia of Prisons and Correctional Facilities** Mary Bosworth, 2004-12-15 Click Additional Materials for downloadable samples The two volume Encyclopedia of Prisons and Correctional Facilities aims to provide a critical overview of penal institutions within a historical and contemporary framework The United States has the highest incarceration rate in the world a fact that has caused lawmakers advocates and legal professionals to rethink punishment policies as well as develop new policies on prisoner education and rehabilitation Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation and intended results of incarceration The Encyclopedia contains biographies articles describing important legal statutes and detailed and authoritative descriptions of the major prisons in the United States Comparative data and examples are employed to analyze the American system within an international context The Encyclopedia s 400 entries are all written by recognized authorities The appendix contains a comprehensive listing of every federal prison in the U S complete with facility details and service information Key Themes Juvenile Justice Labor Prison Architecture Prison Populations Prison Reform Privatization Race Gender Class Security and Classification Sentencing Policy and Laws Staff Theories of Punishment Treatment Programs Editorial Board Stephanie Bush Baskette National Council on Crime and Delinquency NCCD Jeanne Flavin Fordham University Esther Heffernan Edgewood College Jim Thomas Northern Illinois University *Prison Chaplains on the Beat in US and UK Prisons* George Walters-Sleyon, PhD, 2021-08-10 This book is about prison chaplains and their care for aging dying and dead prisoners in the penal systems of the United States and the United Kingdom Since the 18th century prison chaplains have served as priests and pastoral caregivers to prisoners and prison staff The book traces the historical roles of prison chaplains in developing the managerial aspects of prisons focusing on their presence best practices and ways of conceptualizing their prison experiences in the modern prison cultures of the United States and the United Kingdom While prison chaplains have historically provided care to prisoners prison chaplaincy after 1970 has transformed This book shows how prison chaplains face new challenges in caring for prisoners under the penal policies and practices of mass incarceration Prison Chaplains on the Beat demonstrates how prison chaplains have conceptualized the practice of providing pastoral care to aging dying and dead prisoners in the United States and the United Kingdom through a person centered approach The book is both theoretical and empirical The empirical aspect focuses on the prison experiences of 31 prison chaplains from the United States and Scotland The theoretical aspect provides a conceptual understanding of the multi faceted roles of prison chaplains in the United States Scotland and England and Wales As a research in comparative criminal justice it argues that prison chaplains are fundamentally indispensable to prison management practices and managerial theories in the United States Scotland and England and Wales post 1970 Powerfully combines historical and empirical approaches to religion in prisons Brings new understanding of the pastoral and prophetic

roles of prison chaplains and launches a searing ethical critique of mass incarceration The comparisons between the United States and Britain are instructive for current and future prison policy in both locations Dr David Grumett School of Divinity University of Edinburgh UK George Walters Sleyon s Prison Chaplains on the Beat offers a new perspective on the predicaments of contemporary penal politics and practices especially their racialized harms Chaplains are both observers of and participants in the contemporary prison scene and their perspective is a special but hitherto under reported one By reconsidering our carceral condition through this lens Walters Sleyon illuminatingly re states the moral and political challenges of mass incarceration Dr Richard Sparks School of Law University of Edinburgh UK Handbook on Prisons and Jails Danielle Rudes, Gaylene Armstrong, Kimberly Kras, TaLisa Carter, 2023-09-26 The Handbook on Prisons and Jails brings together some of the brightest scholars and thinkers in the field to offer a wide range of perspectives for understanding the experiences of persons incarcerated or working volunteering within carceral institutions The assembled chapters consider what is known in the area while identifying emerging areas for theoretical empirical and policy work The volume includes contributions on numerous topics and areas related to penal control containment living and or working in carceral institutions and addresses methodological considerations for doing research with individuals incarcerated in jail or prison This collection is essential reading for scholars and students seeking an up to date guide to contemporary issues facing corrections and sentencing It also provides practitioners with valuable resources for developing socially informed policies and practices *Conversion and the Rehabilitation of the Penal System* Andrew Skotnicki, 2019-03-01 The Cincinnati Penal Congress of 1870 ushered in the era of progressive penology the use of statistical and social scientific methodologies commitment to psychiatric and therapeutic interventions and a new innovation the reformatory as the locus for the application of these initiatives The prisoner was now seen as a specimen to be analyzed treated and properly socialized into the triumphal current of American social and economic life The Progressive rehabilitative initiatives succumbed in the 1970s to withering criticism from the proponents of equally futile strategies for addressing the crime problem retribution deterrence and selective incapacitation The early Christian community developed a methodology for correcting human error that featured the unprecedented belief that a period of time spent in a given penitential locale with the aid and encouragement of the community was sufficient in and of itself to heal the alienation and self loathing caused by sin and to lead an individual to full reincorporation into the community The correctional practice was based upon the conviction that cooperative sociability or conversion is possible regardless of the specific offense without any need to inflict suffering or to use the act of punishment as a warning to potential offenders or to undertake programmatic interventions into the lives of the incarcerated for the purpose of rehabilitating them Andrew Skotnicki contends that the modern practice of criminal detention is a protracted exercise in needless violence predicated upon two foundational errors The first is an inability to see the imprisoned as human beings fully capable of responding to an affirmative accompaniment rather than maltreatment and

invasive forms of therapy The second is a pervasive dualism that constructs a barrier between detainees and those empowered to supervise rehabilitate and punish them In this book Skotnicki argues that the criminal justice system can only be rehabilitated by eliminating punishment and policies based upon deterrence rehabilitation and the incapacitation of the urban poor and returning to the original justification for the practice of confinement conversion

God in Captivity Tanya Erzen, 2017-03-07 An eye opening account of how and why evangelical Christian ministries are flourishing in prisons across the United States It is by now well known that the United States incarceration rate is the highest in the world What is not broadly understood is how cash strapped and overcrowded state and federal prisons are increasingly relying on religious organizations to provide educational and mental health services and to help maintain order And these religious organizations are overwhelmingly run by nondenominational Protestant Christians who see prisoners as captive audiences Some twenty thousand of these Evangelical Christian volunteers now run educational programs in over three hundred US prisons jails and detention centers Prison seminary programs are flourishing in states as diverse as Texas and Tennessee California and Illinois and almost half of the federal prisons operate or are developing faith based residential programs Tanya Erzen gained inside access to many of these programs spending time with prisoners wardens and members of faith based ministries in six states at both male and female penitentiaries to better understand both the nature of these ministries and their effects What she discovered raises questions about how these ministries and the people who live in prison grapple with the meaning of punishment and redemption as well as what legal and ethical issues emerge when conservative Christians are the main and sometimes only outside forces in a prison system that no longer offers even the pretense of rehabilitation Yet Erzen also shows how prison ministries make undeniably positive impacts on the lives of many prisoners men and women who have no hope of ever leaving prison can achieve personal growth a sense of community and a degree of liberation within the confines of their cells With both empathy and a critical eye God in Captivity grapples with the questions of how faith based programs serve the punitive regime of the prison becoming a method of control behind bars even as prisoners use them as a lifeline for self transformation and dignity

Seales, 2025-03-31 The Routledge Handbook of Religion and American Culture explains where religion is made in the United States It offers essays profiling cultural sites including energy industry public life music arts and entertainment and life and death These sites organize the volume s 31 chapters demonstrating how cultural religion has been constructed and performed in specific historical and ethnographic case studies This volume offers a much needed resource for Religious Studies scholars and students interested in the study of religion and culture in the United States as well as those in American Studies Anthropology of Religion Sociology of Religion Material Culture Studies Environmental Studies and History The Social History of Crime and Punishment in America: A-De Wilbur R. Miller, 2012-08-10 This comprehensive and authoritative four volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present *The Machinery of Criminal Justice* Stephanos Bibas, 2012-02-28 Two centuries ago American criminal justice was run primarily by laymen Jury trials passed moral judgment on crimes vindicated victims and innocent defendants and denounced the guilty But since then lawyers have gradually taken over the process silencing victims and defendants and in many cases substituting plea bargaining for the voice of the jury The public sees little of how this assembly line justice works and victims and defendants have largely lost their day in court As a result victims rarely hear defendants express remorse and apologize and defendants rarely receive forgiveness This lawyerized machinery has purchased efficient speedy processing of many cases at the price of sacrificing softer values such as reforming defendants and healing wounded victims and relationships In other words the U S legal system has bought quantity at the price of quality without recognizing either the trade off or the great gulf separating lawyers and laymen s incentives values and powers In *The Machinery of Criminal Justice* author Stephanos Bibas surveys the developments over the last two centuries considers what we have lost in our quest for efficient punishment and suggests ways to include victims defendants and the public once again Ideas range from requiring convicts to work or serve in the military to moving power from prosecutors to restorative sentencing juries Bibas argues that doing so might cost more but it would better serve criminal procedure s interests in denouncing crime vindicating victims reforming wrongdoers and healing the relationships torn by crime **Redeeming a Prison Society** Amy Levad, 2014 The United States criminal justice system is in a state of crisis from unprecedented rates of imprisonment and recidivism to the privatization of the prison system and the disproportionate representation of particular racial ethnic social and economic groups all of which is within a larger social justice context Catholics and Protestants have largely failed to offer vital theological responses Amy Levad offers a Catholic perspective that directly addresses the concrete issues from a strongly interdisciplinary approach and utilizes the rich liturgical and sacramental resources of penance and Eucharist to offer a theological vision of reform **Theology, Empowerment, and Prison Ministry** Meins G.S. Coetsier, 2022-09-26 In *Theology Empowerment and Prison Ministry*

Meins G S Coetsier offers a new scholarly account of Karl Rahner's theological anthropology and the prison pastorate with a contemporary expansion for meaning seeking an antidote to the suffering and isolation of those incarcerated with a theology of empowerment Drawing on prison ministry theorists and practitioners and on the experiences of Viktor Frankl Aleksandr Solzhenitsyn and Etty Hillesum the book argues that Rahner's views on prison ministry are significant and encouraging but limited regarding the needs and demands of 21st century prison ministry In a convincing perceptive and groundbreaking study Coetsier goes beyond Rahner with ecumenical and interreligious perspectives reminding us all of our human dignity of meaning and transformation of our liberation creativity hope and community

Crime, Criminal Justice and Religion

Philip Birch, Conor Murray, Andrew McInnes, 2022-12-30 Crime Criminal Justice and Religion A Critical Appraisal seeks to bridge a gap in the examination of crime and criminal justice by taking both a historical and a contemporary lens to explore the influence of religion Offering unique perspectives that consider the impact on modern day policy and practice the book scrutinises a range of issues such as abortion hate crime and desistance as well as reflecting upon the influence religion can have on criminal justice professions The book acts to renew the importance of and recognise the influence and impact religion has in terms of how we view and ultimately address crime and deliver criminal justice One of the first books to cover the area of crime criminal justice and religion the book is split into three parts with part 1 Contextualising Crime Criminal Justice and Religion providing an introduction to crime criminal justice and religion and reflections on the role religion has had and continues to have in how crime is understood and how we respond to it Part 2 Appraisal of Institutions and Professional Practice considers the issue of religion through institutions and professions of criminal justice such as the police and legal profession while part 3 Appraisal of Contemporary Issues explores a range of crime and criminal justice issues in on which religion has had an impact such as the death penalty and terrorism Crime Criminal Justice and Religion will be of primary interest to academics researchers and students in criminology law sociology psychology social policy and related Humanities Arts and Social Sciences disciplines It will also be of interest to theologians both as scholars and practitioners The book is a body of work that will appeal at an international level and will also be a key resource for a range of

practitioners across the globe working on issues concerning crime and criminal justice

No Godforsaken Place Sarah C. Jobe, 2025-10-16 How does the life arrest trial conviction execution and release from state supervision of Jesus Christ enact the salvation of the cosmos How does that one carceral life in death link up with life in the face of prison death today Jobe explores the spiritual and religious life contained within America's prison systems as it shows up in the profession of prison chaplaincy The theological foundations of the text coherently link Barth's experience of prison chaplaincy and his Christological theology with the theological understandings in the chaplains interviews and Jobe's practical soteriology emerges in a thoroughly intricate and compelling contextualized vision This book weaves careful ethnographic work the systematic theology of Karl Barth and biblical interpretation to craft a textured exploration of life after death work

Voices from American Prisons Kaia Stern, 2014-06-20 Voices From American Prisons Faith Education and Healing is a comprehensive and unique contribution to understanding the dynamics and nature of penal confinement In this book author Kaia Stern describes the history of punishment and prison education in the United States and proposes that specific religious and racial ideologies notions of sin evil and otherness continue to shape our relationship to crime and punishment through contemporary penal policy Inspired by people who have lived worked and studied in U.S. prisons Stern invites us to rethink the current punishment crisis in the United States Based on in depth interviews with people who were incarcerated as well as extensive conversations with students teachers corrections staff and prison administrators the book introduces the voices of those who have participated in the few remaining post secondary education programs that exist behind bars Drawing on individual narrative and various modern day case examples Stern focuses on dehumanization resistance and community transformation She demonstrates how prison education is essential can provide healing and yet is still not enough to interrupt mass incarceration In short this book explores the possibility of transformation from a retributive punishment system to a system of justice The book's engaging human accounts and multidisciplinary perspective will appeal to criminologists sociologists historians theologians and scholars of education alike Voices from American Prisons will also capture general readers who are interested in learning about a timely and often silenced reality of contemporary modern society

Criminal Justice and the Catholic Church Andrew Skotnicki, 2008 The Catholic Church has had a dramatic impact on both the structure and understanding of criminal justice up to the present This book surveys the history of the church to suggest that despite demonstrable abuses a humane and

redemptive theory of criminal justice can be constructed that is harmonious with biblical sources tradition and current normative emphases in Catholic social thought

Reading Prisoners Jodi Schorb, 2014-10-30 Shining new light on early American prison literature from its origins in last words dying warnings and gallows literature to its later works of autobiography expos and imaginative literature *Reading Prisoners* weaves together insights about the rise of the early American penitentiary the history of early American literacy instruction and the transformation of crime writing in the long eighteenth century Looking first at colonial America an era often said to devalue jailhouse literacy Jodi Schorb reveals that in fact this era launched the literate prisoner into public prominence Criminal confessions published between 1700 and 1740 she shows were crucial literacy events that sparked widespread public fascination with the reading habits of the condemned consistent with the evangelical revivalism that culminated in the first Great Awakening By century s end narratives by condemned criminals helped an audience of new writers navigate the perils and promises of expanded literacy Schorb takes us off the scaffold and inside the private world of the first penitentiaries such as Philadelphia s Walnut Street Prison and New York s Newgate Auburn and Sing Sing She unveils the long and contentious struggle over the value of prisoner education that ultimately led to sporadic efforts to supply prisoners with books and education Indeed a new philosophy emerged one that argued that prisoners were best served by silence and hard labor not by reading and writing a stance that a new generation of convict authors vociferously protested The staggering rise of mass incarceration in America since the 1970s has brought the issue of prisoner rehabilitation once again to the fore *Reading Prisoners* offers vital background to the ongoing crucial debates over the benefits of prisoner education

Troublesome Women Erica Rhodes Hayden, 2019-01-14 This book traces the lived experiences of women lawbreakers in the state of Pennsylvania from 1820 to 1860 through the records of more than six thousand criminal court cases By following these women from the perpetration of their crimes through the state s efforts to punish and reform them Erica Rhodes Hayden places them at the center of their own stories Women constituted a small percentage of those tried in courtrooms and sentenced to prison terms during the nineteenth century yet their experiences offer valuable insight into the era s criminal justice system Hayden illuminates how criminal punishment and reform intersected with larger social issues of the time including questions of race class and gender and reveals how women prisoners actively influenced their situation despite class disparities Hayden s focus on recovering the individual experiences of women in the criminal justice system across the state of Pennsylvania marks a significant shift from studies that focus on the structure and leadership of penal institutions and reform organizations in urban centers *Troublesome Women* advances our understanding of female crime and punishment in the antebellum period and challenges preconceived notions of nineteenth century womanhood Scholars of women s history and the history of crime and punishment as well as those interested in Pennsylvania history will benefit greatly from Hayden s thorough and fascinating research
