Religious Liberty and Human Rights in Nations and in Religions Leonard J. Swidler, 1986 **Religious Liberty in Western and Islamic Law** Kristine Kalanges, 2012-04-19 Weaves together international and comparative law religion international relations comparative politics and legal history to illuminate and address the theoretical and practical dimensions of a significant human rights problem *Freedom of Religion and Religious Pluralism* Md. Jahid Hossain Bhuiyan, Carla M. Zoethout, 2023-03-20 Religious pluralism is an important aspiration of contemporary societies meaning that religious diversity is permitted and everyone has the freedom of religion or belief or not to believe The peaceful coexistence of people of a myriad of faiths is indispensable for securing peace in the modern era of political upheaval and economic dissonance This book brings together a variety of religious and non religious perspectives on religious pluralism It explores the key philosophical and legal issues associated with religious freedom and social harmony Freedom of Religion and Religious Pluralism intends to serve as a valuable resource for scholars specialising in religion citizenship and migration studies It will also act as a reference for courses on law religion and human rights **Freedom of Religion and Belief: A World Report** Kevin Boyle, Juliet Sheen, 2013-03-07 This report the first of its kind yet to be published provides a detailed and impartial account of how the individual's right to hold beliefs is understood protected or denied throughout the world Consisting of accessible short edited entries based on drafts commissioned from experts living in the countries surveyed it exposes persecution and discrimination in virtually all world regions The book provides an analysis of United Nations standards of freedom of religion and belief covers over fifty countries divided into regions and introduced by a regional overview covers themes including the relationships between belief groups and the state freedom to manifest belief in law and practice religion and schools religious minorities new religious movements the impact of beliefs on the status of women and the extent to which conscientious objection to military service is recognised by governments draws on examples of accommodation and co operation between different religions and beliefs and identifies the main challenges to be overcome if the diversity of human conviction is to be established **Religion, Law, and Freedom** Yahya Kamalipour, Joel Thierstein, 2000-09-30 Religion Law and Freedom A Global Perspective introduces readers to diverse perspectives on the interplay of religion law and communications freedom in different cultures around the world Through discussion and analysis of the religious mores and cultural values that a nation adheres to a greater understanding of that nation its laws and its freedoms can be cultivated Rather than suggesting that harmony can be achieved without conflict the essays in this volume seek to present the reader with a variety of perspectives from which to view and understand the relationships among religion law and freedom in various cultures This multifaceted analysis therefore helps readers draw their own conclusions as to the best way to resolve cultural conflict brought about by the growing global community The book consists of fifteen chapters authored or coauthored by 17 international scholars representing China Germany Israel Iran Japan Latvia Nigeria Singapore

the United Kingdom and the United States The chapters are organized into four parts Perspectives on Eastern and Western Religions Press Freedom in Religious and Secular Societies Journalism Advertising and Ethical Issues and Religion Politics Media and Human Rights This important contribution will especially appeal to researchers and students in such fields as mass communications legal studies cultural studies political science religion intercultural communications international communications and journalism

Freedom of Religion or Belief Bahiyyih G. Tahzib, 2021-09-27

Religious Human Rights in Global Perspective John Witte, Johan D. van der Vyver, 1996 The legal traditions of Christianity Judaism and Islam have contributed much to the cultivation and violation of religious human rights around the world In this volume Desmond Tutu Martin Marty and twenty leading scholars offer an authoritative assessment of these contributions and challenge people of all faiths to adopt golden rules of religious liberty

State Security Regimes and the Right to Freedom of Religion and Belief Karen Murphy, 2013-01-25 The question of to what extent manifestations of religious beliefs should be permitted in the European public sphere has become a salient and controversial topic in recent years Despite the increasing interest however debates have rarely questioned the conventional wisdom that an increase in the range of security measures employed by a government inevitably leads to a decrease in the human rights enjoyed by individuals This book analyses the relationship between state security regime changes and the right to religious freedom in the EU It presents a comparative analysis of the impact these regime changes have had on the politics policies and protections of religious freedom across the EU member states in the post 2001 environment The book provides a timely investigation into the role of national legislation the European Court of Human Rights and societal trends in the protection of religious freedom and in so doing demonstrates why the relationship between state security and religious freedom is one of the most socially significant challenges facing policymakers and jurists in Europe at the present time

Religion and Contemporary Politics Timothy J. Demy, Jeffrey M. Shaw Ph.D., 2019-09-19 With respect to the countries of the world this work addresses two basic questions How does religion affect politics in this country and How does politics affect religion in this country Although there are many books on the topics of religion and politics reference works that consider the two together are few with those that do exist primarily addressing theory rather than trends The present work does the latter contextualizing them within regional and national boundaries In so doing it recognizes the power of political and religious ideas and movements on individuals communities and nations making the work a valuable resource for several disciplines among them political science international relations religion and sociology The work focuses on the interplay of religion and politics in countries around the world with an emphasis on the post 2000s It is organized by global geographic regions including Africa Central and South America and the Middle East and presents countries alphabetically within those sections Each region has a brief overview of the political religious dynamics of the area so readers can compare and contrast the dynamics between and among countries in a region The work also includes an introduction sidebars and a bibliography

The Age of Global Dialogue Leonard J. Swidler, 2016-11-08 Thinking beyond the absolutes Christians and other religious persons increasingly find deabsolutized in our modern thought world Swidler reflects on the ways we humans think about the world and its meaning now that increasingly we notice that there are other ways of understanding the world than the way we grew up in In this new situation we need to develop a common language we can use together both to appreciate our neighbors and enrich ourselves what the author calls Ecumenical Esperanto because it should serve as a common language without replacing any of the living languages of our religious and ideological traditions Of course such thinking anew about the world and its meaning must necessarily mean thinking anew about all of our religious beliefs but this time in dialogue

Religious Freedom and the Law Brett G. Scharffs, Asher Maoz, Ashley Isaacson Woolley, 2018-08-06 This volume presents a timely analysis of some of the current controversies relating to freedom for religion and freedom from religion that have dominated headlines worldwide The collection trains the lens closely on select issues and contexts to provide detailed snapshots of the ways in which freedom for and from religion are conceptualized protected neglected and negotiated in diverse situations and locations A broad range of issues including migration education the public space prisons and healthcare are discussed drawing examples from Europe the US Asia Africa and South America Including contributions from leading experts in the field the book will be essential reading for researchers and policy makers interested in Law and
