Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence:

Religious Mythology and the Art of War James A. Aho, 1981-08-27 *The Art of Maneuver* Robert Leonhard, 2009-01-16

The Art of Maneuver shows how true maneuver warfare theory has been applied in campaigns throughout history With a genius for apt analogy the author shows how our obsession with fighting and winning set piece battles causes us to overlook an enemy's true vulnerabilities But as low intensity conflicts promise to become the dominant warfare of the future the importance of maneuver in attacking an enemy's critical vulnerability will render attrition approaches to warfighting ever more obsolete Praise for The Art of Maneuver Robert Leonhard is one of a number of prominent young military writers like Daniel Bolger John Antal Bruce Gudmundsson and Harold Rough whose work appears regularly in military journals The Art of Maneuver is his first book and military readers will appreciate his grasp of military history forceful analysis and adventurous writing style This is an important book which deserves the attention of military professionals Leonhard deserves credit for a hard nosed attempt to evaluate U S strengths and weaknesses as a basis for further improvements in service doctrine training and force development In the celebratory aftermath of a good war such honest self appraisal is both healthy and encouraging Parameters This commentary on warfighting is of value to any student of warfare especially with our current emphasis on the importance of joint and combined operations This is an intelligent thorough and well researched work The author's knowledge is demonstrated amply throughout and his ability to express maneuver warfare concepts in simple terms is unequalled An important milestone in the evolution of the maneuver style of warfare Read it Marine Corps Gazette Leonhard has combined military expertise and historical analysis for an entertaining and fresh look at maneuver warfare In one volume the author offers trenchant exciting and masterful perspective on victory in modern warfare National Defense Robert Leonhard makes an outstanding contribution to our understanding of maneuver warfare in this book Our leaders junior and senior alike should find this book well worth reading and contemplating ARMOR Magazine An important contribution to the on going reassessment of U S Army doctrine A must for anyone seriously interested in the future of Army doctrine and the Army Further it is an excellent starting point for young officers to begin their lifelong study of the art of war ARMY Magazine

Understanding Religious Violence J.P. Larsson, 2017-07-05 There is a long standing fear of that which is not understood Since September 11 2001 the fear surrounding the violent elements of religion has led to heightened tensions Research is thus essential to counteract the effects of religious xenophobia In this compelling book J P Larsson investigates religious violence terrorism and armed conflict in order to deliver the understanding required for a more peaceful world and to allow for a framework of conflict transformation This multi disciplinary text will greatly interest those in the fields of international relations theology and sociology

The Balkans and the West Andrew Hammond, 2017-03-02 This collection of essays locates investigates and challenges the manner in which the Balkans and the West have constructed each other since 1945 Scholars from the two sections of the continent explore a wide range of fiction film journalism travel

writing and diplomatic records both to analyse Western European balkanism and to study Balkan representations of the West over the last fifty years The first section looks back to the Cold War examining the divergent often favourable images of the Balkans that existed in Western culture as well as the variety of responses that appeared in South East European writings on the West The second section analyses the transitions that took place in representation during the 1990s Here contributors explore both the harsh denigration of the Balkans which came to dominate western discourse after the initial euphoria of 1989 and the emerging tradition of contesting Western balkanism in South East European cultural production Through this dual emphasis the volume exposes the representational practices that help to maintain a deeply divided Europe and challenges the economic and political injustices that result Despite the rise to prominence of postcolonial theory with its awareness of global inequality the current crises in many parts of South East Europe have received scant attention in literary and cultural studies The Balkans and the West addresses this deficiency Ranging in focus from Serbian cinema to Romanian travel literature from Western economic writings to Yugoslav fiction and from public discourse in Albania to NATO s vast propaganda machine the essays offer wide insight into representation and power in the contemporary European context

Pale Horse at Plum Run Brian Leehan, 2008-10-14 Minnesota Book Award Winner Now in paperback The smoke had just cleared from the last volley of musketry at Gettysburg Nearly 70 percent of the First Minnesota regiment lay dead or dying on the field one of the greatest losses of any unit engaged in the Civil War The significance of this July 2 1863 battle at Gettysburg is widely known but the harrowing details of the First s heroic stand that stopped a furious rebel assault have long been buried In *Pale Horse at Plum Run* Brian Leehan brings the full story of the First at Gettysburg to light as he examines personal accounts eyewitness reports and official records to construct a remarkably detailed and compelling narrative Brian Leehan s account of the First Minnesota on Cemetery Ridge is the most detailed and complete I have read His exhaustive research and compelling narrative are impressive and offer a much fuller understanding of the regiment s extraordinary feats Richard Moe author of *The Last Full Measure The Life and Death of the First Minnesota Volunteers*

Holy War in Judaism Reuven Firestone, 2012-07-02 *Holy War in Judaism* is the first book to consider how the concept of holy war disappeared from Jewish thought for almost 2000 years only to reemerge with renewed vigor in modern times

The Problem of Harm in World Politics Andrew Linklater, 2011-02-10 The need to control violent and non violent harm has been central to human existence since societies first emerged This book analyses the problem of harm in world politics which stems from the fact that societies require the power to harm in order to defend themselves from internal and external threats but must also control the capacity to harm so that people cannot kill injure humiliate or exploit others as they please Andrew Linklater analyses writings in moral and legal philosophy that define and classify forms of harm and discusses the ways in which different theories of international relations suggest the power to harm can be controlled so that societies can co exist with the minimum of violent and non violent harm Linklater argues for new connections between the English School

study of international society and Norbert Elias analysis of civilizing processes in order to advance the study of harm in world politics

Pilgrimage through a Burning World Ken Butigan, 2012-02-01 For two decades the Nevada Desert Experience has organized nonviolent action at the Nevada Test Site as part of the global movement to end nuclear testing Pilgrimage through a Burning World illuminates how the Franciscan based group has crafted a contemporary desert spirituality that integrates religious ritual and political action to grapple with the challenges of an institutionalized and internalized nuclear world Ken Butigan shows how the annual pilgrimage to the test site has contributed to the personal transformation of people on both sides of the fence at the test site and to the worldwide emergence of the Comprehensive Test Ban Treaty

The Parable of the Tribes Andrew Bard Schmookler, 1995-01-01 This is a new view of the role of power in social evolution It shows how as human societies evolved intersocietal conflicts necessarily developed and how humanity can choose peace over war

Managing Violent Religious Extremism in Fragile States Abosede Omowumi Babatunde, Mahfouz A. Adedimeji, Shittu Raji, Jacinta Mwendu Maweu, John Mwangi Githigaro, 2021-09-30 This book examines how African states can build the institutional capacity to better prevent manage and cope with the new security challenges posed by violent religious extremism Despite the evidence that violent religious extremism is exacerbated by underlying social political economic and governance factors many states have focused their efforts only on reactive and coercive response strategies overlooking more long term measures This comparative study of Nigeria and Kenya reflects on why insurgency in Kenya has not escalated to full blown terrorism as it has with Boko Haram in Nigeria in spite of the similarities in relatively weak institutions of governance and colonial legacies across the two countries The book interrogates the policy and institutional responses that have been put in place in both countries to address security challenges and the extent of their efficacy in light of the intricate networks of politics governance corruption poverty and violence and the relative fragility of state institutions The authors highlight the areas of convergence and divergence in institutional capacities and recommend policies to enhance the capacity of institutions to manage violent religious extremism This book will be of interest to scholars of African Politics Security Peace Studies and Terrorism

The Assembly of Listeners Michael Carrithers, Caroline Humphrey, 1991-04-04 The Jains have exerted an influence on Indian society and religion out of proportion with their relatively small numbers The Assembly of Listeners The Jains in Society is the first book to address the sociology of the Jains and to discuss the notion of the community based on religious affiliation in India Topics covered include Jain ideals and identity women in the Jains community popular Jainism Jain reform and Jain identity in the UK This collection is an important theoretical addition to the studies of Indian society which has previously focused mainly on caste and class politics as the fundamental social units With much recent fieldwork providing unique information on the ethnography of the Jains this study will prove indispensable to any scholar interested in this little known but highly influential social group

War and Religion Jeffrey M. Shaw Ph.D., Timothy J. Demy, 2017-03-27 This three volume reference provides a complete guide for readers investigating the

crucial interplay between war and religion from ancient times until today enabling a deeper understanding of the role of religious wars across cultures Containing some 500 entries covering the interaction between war and religion from ancient times the three volume War and Religion An Encyclopedia of Faith and Conflict provides students with an invaluable reference source for examining two of the most important phenomena impacting society today This all inclusive reference work will serve readers researching specific religious traditions historical eras wars battles or influential individuals across all time periods The A Z entries document ancient events and movements such as the First Crusade that began at the end of the 10th century as well as modern day developments like ISIS and Al Qaeda Subtopics throughout the encyclopedia include religious and military leaders or other key people ideas and weapons and comprehensive examinations of each of the major religious traditions views on war and violence are presented The work also includes dozens of primary source documents each introduced by a headnote that enable readers to go directly to the source of information and better grasp its historical significance The in depth content of this set benefits high school and college students as well as scholars and general readers

Fields of Blood Karen Armstrong, 2014-10-28 A sweeping exploration of religion and the history of human violence from the New York Times bestselling author of The History of God Elegant and powerful Both erudite and accurate dazzling in its breadth of knowledge and historical detail The Washington Post In these times of rising geopolitical chaos the need for mutual understanding between cultures has never been more urgent Religious differences are seen as fuel for violence and warfare In these pages one of our greatest writers on religion Karen Armstrong amasses a sweeping history of humankind to explore the perceived connection between war and the world's great creeds and to issue a passionate defense of the peaceful nature of faith With unprecedented scope Armstrong looks at the whole history of each tradition not only Christianity and Islam but also Buddhism Hinduism Confucianism Daoism and Judaism Religions in their earliest days endowed every aspect of life with meaning and warfare became bound up with observances of the sacred Modernity has ushered in an epoch of spectacular violence although as Armstrong shows little of it can be ascribed directly to religion Nevertheless she shows us how and in what measure religions came to absorb modern belligerence and what hope there might be for peace among believers of different faiths in our time

Out of Weakness Andrew Schmookler, 2011-02-23 A wide ranging and deeply thoughtful meditation on the psychological sources of the danger to humanity created by the advent of weapons of mass destruction It draws on a vast range of sources including psychology anthropology literature philosophy and religion and is expressed with eloquence and grace Dr Jerome Frank Professor Emeritus of Psychiatry Johns Hopkins Medical School author of Sanity and Survival A remarkably thorough analysis of the proposition that is our beliefs conscious and unconscious which have made war inevitable and that a change in those assumptions including the unconscious ones can free us from the scourge This is a very hopeful book about a subject that leads many to despair I believe it will be a most useful contribution to the dialogue about our national security dilemma Willis Harman President Institute of Noetic Sciences author of An

Incomplete Guide to the Future **Global Crisis** Geoffrey Parker, 2020-08-11 The acclaimed historian demonstrates a link between climate change and social unrest across the globe during the mid 17th century Revolutions droughts famines invasions wars regicides government collapses the calamities of the mid seventeenth century were unprecedented in both frequency and severity The effects of what historians call the General Crisis extended from England to Japan and from the Russian Empire to sub Saharan Africa and the Americas In this meticulously researched volume historian Geoffrey Parker presents the firsthand testimony of men and women who experienced the many political economic and social crises that occurred between 1618 to the late 1680s He also incorporates the scientific evidence of climate change during this period into the narrative offering a strikingly new understanding of the General Crisis Changes in weather patterns especially longer winters and cooler and wetter summers disrupted growing seasons and destroyed harvests This in turn brought hunger malnutrition and disease and as material conditions worsened wars rebellions and revolutions rocked the world

Religion and the Conduct of War, C. 300-1215 David S. Bachrach, 2003 An analysis of the dynamic interpenetration of religion and war in the West from the fourth to the 13th centuries *Religion on the Battlefield* Ron E. Hassner, 2016-05-18 How does religion shape the modern battlefield Ron E Hassner proposes that religion acts as a force multiplier both enabling and constraining military operations This is true not only for religiously radicalized fighters but also for professional soldiers In the last century religion has influenced modern militaries in the timing of attacks the selection of targets for assault the zeal with which units execute their mission and the ability of individual soldiers to face the challenge of war Religious ideas have not provided the reasons why conventional militaries fight but religious practices have influenced their ability to do so effectively In *Religion on the Battlefield* Hassner focuses on the everyday practice of religion in a military context the prayers rituals fasts and feasts of the religious practitioners who make up the bulk of the adversaries in bystanders to and observers of armed conflicts To show that religious practices have influenced battlefield decision making Hassner draws most of his examples from major wars involving Western militaries They include British soldiers in the trenches of World War I U S pilots in World War II and U S Marines in Iraq and Afghanistan Hassner shows that even modern rational and bureaucratized military organizations have taken and must take religious practice into account in the conduct of war **Fighting Words**

and Feuding Words Thomas R. Walsh, 2005-07-11 Anger is central to the Homeric epic but few scholarly interventions have probed Homer's language beyond the study of the Iliad's first word *menis* Yet Homer uses over a dozen words for anger *Fighting Words and Feuding Words* engages the powerful tools of Homeric poetic analysis and the anthropological study of emotion in an analysis of two anger terms highlighted in the Iliad by the Achaean prophet Calchas Walsh argues that *kotos* and *kholos* locate two focal points for the study of aggression in Homeric poetry the first presenting Homer's terms for feud and the second providing the native terms that designate the martial violence highlighted by the Homeric tradition After focusing on these two terms as used in the Iliad and the Odyssey Walsh concludes by addressing some post Homeric and

comparative implications of Homeric anger **God and Religion in the Postmodern World** David Ray Griffin, 1989-01-01
Addressed to readers who have found liberal theology empty or who believe that one cannot be religious and fully rational
and empirical at the same time *Days of Death, Days of Life* Kristin Norget, 2006 Kristin Norget explores the practice and
meanings of death rituals in the popular culture of poor urban neighborhoods on the outskirts of the southern Mexican city of
Oaxaca Norget's work offers an original perspective on the significance of the Day of the Dead and other Oaxacan ritual
practices in shaping people's values and social identities Drawing on her extensive fieldwork in Oaxacan neighborhoods
Norget includes vivid descriptions of Day of the Dead rituals

Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence has opened up a world of possibilities. Downloading Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religious Mythology And The Art Of War Comparative Religious Symbolisms Of Military Violence Books
