Religious Controversies Of The Jacobean Age A Survey Of Printed Sources:

Religious Controversies of the Jacobean Age Peter Milward, 1978 *Religious Controversies of the Elizabethan Age* Peter Milward, 1977 **Dante's British Public** N. R. Havely, 2014 This is the first account of Dante's reception in English to address full chronological span of that process Individual authors and periods have been studied before but Dante's British Public takes a wider and longer view using a selection of vivid and detailed case studies to record and place in context some of the wider conversations about and appropriations of Dante that developed in Britain across more than six centuries as access to his work extended and diversified Much of the evidence is based on previously unpublished material in for example letters journals annotations and inventories and is drawn from archives in the UK and across the world from Milan to Mumbai and from Berlin to Cape Town Throughout the role of Anglo Italian cultural contacts and intermediaries in shaping the public understanding of Dante in Britain is given prominence from clerics and merchants around Chaucer's time through itinerant scholars collectors and tourists in the early modern period to the exiles and expatriates of the nineteenth and twentieth centuries The final chapter brings the story up to the present showing how the poet's work has been seen from the fourteenth century onwards as accessible to the many and demonstrating some of the means by which Dante has reached a yet wider British public over the past century particularly through translation illustration and various forms of performance

The Cambridge History of Early Modern English Literature David Loewenstein, Janel M. Mueller, 2002 This 2003 book is a full scale history of early modern English literature offering perspectives on English literature produced in Britain between the Reformation and the Restoration While providing the general coverage and specific information expected of a major history its twenty six chapters address recent methodological and interpretive developments in English literary studies The book has five sections Modes and Means of Literary Production Circulation and Reception The Tudor Era from the Reformation to Elizabeth I The Era of Elizabeth and James VI The Earlier Stuart Era and The Civil War and Commonwealth Era While England is the principal focus literary production in Scotland Ireland and Wales is treated as are other subjects less frequently examined in previous histories including women's writings and the literature of the English Reformation and Revolution This history is an essential resource for specialists and students **A New Companion to English**

Renaissance Literature and Culture Michael Hattaway, 2010-02-12 In this revised and greatly expanded edition of the Companion 80 scholars come together to offer an original and far reaching assessment of English Renaissance literature and culture A new edition of the best selling Companion to English Renaissance Literature revised and updated with 22 new essays and 19 new illustrations Contributions from some 80 scholars including Judith H Anderson Patrick Collinson Alison Findlay Germaine Greer Malcolm Jones Arthur Kinney James Knowles Arthur Marotti Robert Miola and Greg Walker Unrivalled in scope and its exploration of unfamiliar literary and cultural territories the Companion offers new readings of both literary and non literary texts Features essays discussing material culture sectarian writing the history of the body

theatre both in and outside the playhouses law gardens and ecology in early modern England Orientates the beginning student while providing advanced students and faculty with new directions for their research All of the essays from the first edition along with the recommendations for further reading have been reworked or updated *Windows into Men's Souls* Kenneth L. Campbell, 2012-08-17 *Windows into Men's Souls* uses the works of John Robinson Thomas Helwys and John Smyth to examine the concept of religious nonconformity that was inherent in the English Reformation Kenneth Campbell frames the primary works and historical development of various groups and individuals as examples of a general impulse toward religious nonconformity during the sixteenth and early seventeenth centuries During this time religious nonconformity became an integral part of English culture and society shaped by a historical experience that led to rebellion and civil war The issues that English thinkers wrestled with during this period led to profound insights on both Christianity and on religious toleration that continue to shape Anglo American and Western religious culture to the present day This is the story of courageous people Catholics and Protestants Separatists and non Separatists who ignored defied or challenged their government to pursue their own version of religious truth in an age of religious intolerance that valued conformity at all costs

Religion, Power, and Resistance from the Eleventh to the Sixteenth Centuries K. Bollermann, T. Izbicki, C.

Nederman, 2014-12-17 Addressing the myriad ways in which heresy accusations could fulfill political aims during the Middle Ages this collection shows acts of heresy were not just influenced by religion Essays examine individual cases in addition to the close relationship of orthodoxy and political dominance in medieval games of power *Politics and the Paul's Cross Sermons, 1558-1642* Mary Morrissey, 2011-06-16 English Reformation culture centred on the word preached Throughout this period the most important public pulpit was Paul's Cross This book provides a detailed history of the Paul's Cross sermons exploring how they were delivered and the tensions between the authorities who controlled them Studies in

Seventeenth-Century English Literature, History and Bibliography, 2021-11-01 **Catholics and Treason** Michael Questier, 2022-03-08 *Catholics and Treason* takes the narratives generated by the contemporary law of treason as it applied to Roman Catholics during and after the Reformation of the Church in the sixteenth century and uses them to explore the Catholic community's writing of its own history Prosecutions of Catholics under the existing law and via new legislation produced a great deal of documentation which tells us much about contemporary politics that we could not garner from any other source The intention here is to locate the narratives of persecution inside the context of the mainstream history of the period from which for the most part they have been routinely excluded but out of which they partly emerged In that respect this is the history of the post Reformation Church and State with the politics of violence put back This volume takes as its starting point the magnum opus of Bishop Richard Challoner his *Memoirs of Missionary Priests* and it works backwards from that book into the period that Challoner describes Historian Michael Questier seeks to reassemble as far as possible the historical jigsaw puzzle on which Challoner laboured but which he could not complete thinking about the implications for our

view of the post Reformation and of the way in which Challoner and others described the Catholic experience of in tolerance

Early New England David A. Weir, 2005 The idea of covenant was at the heart of early New England society In this singular book David Weir explores the origins and development of covenant thought in America by analyzing the town and church documents written and signed by seventeenth century New Englanders Unmatched in the breadth of its scope this study takes into account all of the surviving covenants in all of the New England colonies Weir s comprehensive survey of seventeenth century covenants leads to a more complex picture of early New England than what emerges from looking at only a few famous civil covenants like the Mayflower Compact His work shows covenant theology being transformed into a covenantal vision for society but also reveals the stress and strains on church state relationships that eventually led to more secularized colonial governments in eighteenth century New England He concludes that New England colonial society was much more English and much less American than has often been thought and that the New England colonies substantially mirrored religious and social change in Old England

The Literature of Controversy Thomas N. Corns, 2022-11-30 First published in 1987 The Literature of Controversy is a collection of essays by scholars from Britain the

United States and Australia on major works from a classic epoch of English controversial prose Each essay engages a single text or series of texts less to discuss the ideas and arguments per se than to consider the rhetorical techniques assumed for the political manipulation of the readers Though emphasis varies from contribution to contribution the purpose broadly is to explore how the constituents of those texts are organised to coax cajole persuade or inspire those to whom they address As the editor argues in his introduction this approach the critique of polemical strategy for the most part accepts the validity of paying regard to the author and his intentions it engages questions about the responses of the readership at which the texts were targeted and it proceeds intertextuality in its attempts to reconstruct the controversies in which the texts were embedded and the codes within which they operated This book will be of interest to students of literature rhetoric and history

Equivocation in Early Modern England Máté Vince, 2025-08-28

Equivocation in Early Modern England Literature Rhetoric Theology explores ideas about concealing the truth while seemingly revealing it It is about the conflict whether historical or fictional between the interrogator's desire to gain information the suspect's desire to hide the information and the divine prohibition against lying The Gunpowder Plot supposedly led to the revelation of the doctrine of equivocation a secret teaching of the Roman Catholic Church that enabled concealing one's intentions and knowledge without lying This book examines conflicting meanings of equivocation to show how contemporary writers made sense of the theological political debates and how this in turn shaped their writings and understanding of how language works It is an intellectual history of equivocation tracing its evolution from antiquity to the present through an analysis of works by Euripides Virgil Shakespeare Donne rhetoricians from Cicero to Melanchthon and theological polemicists including Henry Garnet Robert Persons George Abbot Thomas Morton and Isaac Casaubon It combines a curiosity about equivocation as a linguistic philosophical and rhetorical notion that was keenly exploited by secular writers with a scrutiny of the cultural political and religious processes that contributed to its development It explores the impact of sixteenth and seventeenth century literature education networks of correspondence and controversies on the concept of ambiguity It reveals how encounters with various forms of deception including lying strategic silence dissimulation and equivocation resulted in an ever growing anxiety about and fascination with ambiguity It provides a radically new evaluation of equivocation that as Macbeth puts it in his final despair lies like truth

Jesuit Intellectual and Physical Exchange between England and Mainland Europe, c. 1580-1789 James E. Kelly, Hannah Thomas, 2018-11-26

Jesuit Intellectual and Physical Exchange between England and Mainland Europe c 1580 1789 The World is our House offers new perspectives on the English Mission of the Society of Jesus It brings together an interdisciplinary and international group of scholars to explore the Mission's role and wider impact within the Society as well as early modern European Catholicism Building on recent movements within the field to decentralise the Catholic Reformation the volume seeks to change perceptions of the English Mission as peripheral bringing the archipelagic experience of Jesuits working in the British Isles in line with work on their European confreres and

the broader global network of the Society of Jesus Donne's Augustine Katrin Ettenhuber, 2011-07-07 The poet and preacher John Donne 1572 1631 was one of the most influential authors of early modern England Donne's Augustine examines his response to an iconic figure in the history of Western religious thought Saint Augustine of Hippo 354 430 Katrin Ettenhuber argues that Renaissance culture saw not only a revival of the classics but was equally indebted to the intellectual and literary legacy of the Church Fathers The study recovers an Augustinian tradition of interpretation which permeated the religious world of the period but which has until now been largely overlooked She presents a comprehensive re evaluation of Donne's writings ranging from the poems to less familiar prose works situates him carefully in the poetic intellectual and political contexts which frame his works and engages with recent developments in both literary and historical studies Donne's Augustine is the first sustained study of Donne's reading practices and of the theological sources which shaped his thought It discovers a range of medieval and early modern texts which transformed the imagination of literary writers in the period but which have been neglected so far devotional manuals Scripture commentaries and religious commonplace books often in Latin The study pays close attention to the intellectual and political conditions which informed the reception of Augustine's works and offers detailed readings of Donne's texts which illuminate the literary aspects of his patristic heritage Donne's Augustine makes a significant contribution to our understanding of the larger reading and writing culture of Renaissance England and of the religious debates and controversies in the decades leading up to the Civil War *Antwerp & the World* Paul Arblaster, 2004 Richard Verstegan is the usual English name of a man who went through early life as Richard Rowlands before reverting to his ancestral Dutch surname in exile Born in Mid Tudor London around 1550 and dying in the Baroque Antwerp of 1640 his ninety odd years of life saw numerous religious political and military conflicts in some of which he was a minor player and on almost all of which he commented in his writings After studying at Oxford without taking a degree training as a goldsmith and illegally printing a Catholic book he fled to France where he worked as a propagandist for the faction of the Duke of Guise Imprisoned in France for these activities he fled to Rome and eventually settled in Antwerp where he worked for almost fifty years as variously a news writer engraver publisher editor translator polemicist antiquarian cloth merchant poet and satirist He is one of the earliest identifiable European newspaper journalists having worked on Abraham Verhoeven's *Nieuwe Tijdinghen* Antwerp 1620 1629
