

~~REMARKS~~ REMADE - THE STORY OF

R.E.M.

A close-up photograph of a person's face, partially obscured by their hand holding a yellow pencil to their lips. The background is a clear blue sky.

TONY FLETCHER

Remarks Remade

Ryan Lizardi

Remarks Remade:

Begin the Begin Robert Dean Lurie, 2019-05-14 Robert Dean Lurie's biography is the first completely researched and written since R E M disbanded in 2011. It offers by far the most detailed account of their formative years, the early lives of the band members, their first encounters with one another, their legendary debut show touring out of the back of a van, initial recordings, their shrewdly paced rise to fame. The people and places of the South are crucial to the R E M story in ways much more complex and interesting than have been presented thus far, says Lurie, who explores the myriad ways in which the band's adopted hometown of Athens, Georgia, and the South in general have shaped its members and the character and style of their art. The South is more than the background to this story; it plays a major role, the creative ferment that erupted in Athens and gripped many of its young inhabitants in the late 70s and early 80s, drew on regional traditions of outsider art and general cultural otherness and gave rise to a free spirited music scene that produced the B 52's and Pylon and laid the ground for R E M's subsequent breakout success. Lurie has tracked down and interviewed numerous figures in the band's history who were underrepresented in or even absent from earlier biographies, and they contribute previously undocumented stories as well as casting a fresh light on the familiar narrative. *Perfect Circle: The Story of R.E.M.* Tony

Fletcher, 2018-04-26 R E M, the most acclaimed American group of their generation, disbanded in September 2011 with their idealism and dignity intact. In this, the final edition of his best-selling R E M biography, Tony Fletcher brings their story to a conclusion and explains what led this unique group to draw a curtain on their career. This Omnibus Enhanced digital edition of *Perfect Circle* includes a bonus multimedia discography charting every album and single of R E M's career, presented in chronological order through audio, video, and imagery. Drawing on interviews with band members, friends, associates, and business partners, the book follows R E M's upward trajectory from the seminal debut *Murmur* in 1983 to the 1990s when their albums *Out of Time*, *Automatic for the People*, and *Monster* sold tens of millions, making them one of the world's biggest groups to their final years together. Granted access to the group throughout their career, Tony Fletcher delves beyond R E M's renowned humility and social awareness, discussing fame, fortune, and sexuality with the same keen eye he casts on the group's astonishing career and musical catalogue. The result is neither blind fan worship nor jaundiced critical cynicism, but a balanced and thorough telling of one of the most compelling rock stories of our time. *Alterity and Capitalism in*

Speculative Fiction Tomás Vergara, 2023-10-04 Speculative fiction has been traditionally studied in Marxist literary criticism following Darko Suvin's paradigmatic model of science fiction according to a hierarchical division of its multiple subgenres in terms of their assumed inherent political value. By drawing on an alternative genealogy of Marxist criticism, this book presents a non-hierarchical understanding of the estrangement connecting all varieties of speculative fiction, outlining the political potential shared across the spectrum of speculative fiction along with the specific narrative strategies by which it critically engages with its historical context of production. This study's main point of contention is that speculative fiction

performs an estrangement effect on historical reality that can potentially render visible the role of fantasies in the organisation of capitalist social practice This narrative effect enables an estranged perspective by which the novel interprets and conceptualises historical reality in a totalising manner

Remarks Remade: The Story Of REM

Tony Fletcher,2009-10-28 REM are the most influential prolific and vital American group of the last quarter century From their humble post punk beginnings in the college town of Athens Georgia to their current standing as a global phenomenon REM have consistently bucked audience expectations and defied music biz rules This new edition of Tony Fletcher s acclaimed biography brings the band s story right up to date covering the departure of drummer Bill Berry Michael Stipe s increasing role as a spokesman for humane causes Peter Buck s air rage trial and the group s music right up to their 2001 Reveal album

Cool Town Grace Elizabeth Hale,2020-02-13 In the summer of 1978 the B 52 s conquered the New York underground A year later the band s self titled debut album burst onto the Billboard charts capturing the imagination of fans and music critics worldwide The fact that the group had formed in the sleepy southern college town of Athens Georgia only increased the fascination Soon more Athens bands followed the B 52 s into the vanguard of the new American music that would come to be known as alternative including R E M who catapulted over the course of the 1980s to the top of the musical mainstream As acts like the B 52 s R E M and Pylon drew the eyes of New York tastemakers southward they discovered in Athens an unexpected mecca of music experimental art DIY spirit and progressive politics a creative underground as vibrant as any to be found in the country s major cities In Athens in the eighties if you were young and willing to live without much money anything seemed possible Cool Town reveals the passion vitality and enduring significance of a bohemian scene that became a model for others to follow Grace Elizabeth Hale experienced the Athens scene as a student small business owner and band member Blending personal recollection with a historian s eye she reconstructs the networks of bands artists and friends that drew on the things at hand to make a new art of the possible transforming American culture along the way In a story full of music and brimming with hope Hale shows how an unlikely cast of characters in an unlikely place made a surprising and beautiful new world

Style Taylor Black,2023-10-17 Assembles texts performances and personae from American culture to assert the elemental nature of style While style is equated with fashion or convention in common parlance Style A Queer Cosmology defines the term as a mode of expression that makes us more like ourselves and less like everyone else Taylor Black s interdisciplinary conceptual analysis assembles texts performances and personae from American culture that engage in ethical creative and performative modes of what he terms abundant revelation Moving back and forth through time this book sketches American cosmologies cultivated by iconic and subterranean American artists like Edgar Allan Poe Flannery O Connor Nikki Giovanni and Bob Dylan Presiding throughout is the book s conceptual guide latter day American and notorious homosexual Quentin Crisp resurrected here as a philosopher of style As a scholarly intervention Style participates in the critical work of revival and attunement revitalizing figures terms and ideas that have become too familiar Returning to

viewing the critic as a stylist Style A Queer Cosmology leans into the study of things and qualities that are immanent and elude paraphrase or social scientific categorization Style is about the possible rather than the probable singularity over universals personality instead of identity the emergent and not the new the mystery of becoming *A Light That Never Goes Out* Tony Fletcher,2012-12-04 The definitive book about The Smiths one of the most beloved respected and storied indie rock bands in music history They were their fans believe the best band in the world Hailing from Manchester England The Smiths Morrissey Johnny Marr Andy Rourke and Mike Joyce were critical and popular favorites throughout their mid 1980s heyday and beyond To this day due to their unforgettable songs and lyrics they are considered one of the greatest British rock groups of all time up there with the Beatles the Stones the Who and the Clash Tony Fletcher paints a vivid portrait of the fascinating personalities within the group Morrissey the witty literate lead singer whose loner personality and complex lyrics made him an icon for teenagers who felt forlorn and forgotten his songwriting partner Marr the gregarious guitarist who became a rock god for a generation of indie kids and the talented good looking rhythm section duo of bassist Rourke and drummer Joyce Despite the band s tragic breakup at the height of their success *A Light That Never Goes Out* is a celebration the saga of four working class kids from a northern English city who come together despite contrasting personalities find a musical bond inspire a fanatical following and leave a legacy that changed the music world and the lives of their fans *Haunted Histories and Troubled Pasts* Amanda Howell,Stephanie Green,2024-04-18 *Haunted Histories and Troubled Pasts* speaks to how a transnational array of recent screen entertainments participate through horror in public discourses of history the social and creative work of reshaping popular understanding of our world through the lens of the past Contemporary film and television and popular screen cultures more generally are distinguished by their many and varied engagements with history including participation in worldwide movements to reconcile past losses and injuries with present legacies The chapters in this collection address themselves to 21st century screen horror s participation in this widespread fascination with and concern for the historical its recurrent reimagining of the relation between the past and present which is part of its inheritance from the Gothic They are concerned with the historical work of horror s spectral occupations its visceral threats of violence and its capacity for exploring repressed social identities as well as the ruptures and impositions of colonization and nationhood Trauma is a key theme in this book examined through themes of war and genocide ghostly invasions institutionalized abuse apocalyptic threat and environmental destruction These persistent fearful reimaginings of the past can take many lurid sometimes tritely generic forms Together these chapters explore and reflect upon horror s ability to speak through them to the unspoken of history to push the boundaries and probe the fault lines and ideological impositions of received historical narratives while reminding us that history and the historical imagination persist as sites of contention **Big Day Coming** Jesse Jarnow,2012-06-05 The first biography of Yo La Tengo the massively influential band who all but defined indie music Yo La Tengo has lit up the indie scene for three decades part of an

underground revolution that defied corporate music conglomerates eschewed pop radio and found a third way Going behind the scenes of one of the most remarkable eras in American music history *Big Day Coming* traces the patient rise of husband and wife team Ira Kaplan and Georgia Hubley who over three decades helped forge a spandex and hairspray free path to the global stage selling millions of records along the way and influencing countless bands Using the continuously vital *Yo La Tengo* as a springboard *Big Day Coming* uncovers the history of the legendary clubs bands zines labels record stores college radio stations fans and pivotal figures that built the infrastructure of the now prevalent indie rock world Journalist and freeform radio DJ Jesse Jarnow draws on all access interviews and archives for mesmerizing trip through contemporary music history told through one of its most creative and singular acts

The Structure of Moral Action: A Hermeneutic Study of Moral Conflict M. J. Packer, 1985-07-12 *The Clash: The Music That Matters* Tony Fletcher, 2012-04-09 The ultimate book on records by The Clash An album by album track by track examination of every song released by The Clash from their first single *White Riot* to *Combat Rock* and beyond Includes sections on compilations live recordings films and post Clash work by Joe Strummer and Mick Jones Features include A chronology of key events in the story of the Clash An album by album track by track analysis Details of reissues and the state of the current Clash catalogue 16 pages of pictures

Mediated Nostalgia Ryan Lizardi, 2014-11-06 Considering the current rash of film remakes vintage video game downloads and box sets of bygone television shows media today is obsessed with nostalgia Instead of presenting a past that functions as an adaptive mirror with which we can compare our contemporary situation the past is instead presented as an individualized version that transfixes us as uncritical citizens of our own culture *Mediated Nostalgia Individual Memory and Contemporary Mass Media* argues that the cultural implication of a cross media eternal return to nostalgia is an increasing reliance on defining who we are as people and societies by what media we consumed as children The unblinking eye toward the past knows no progress or at the very least does not employ the past to compare and adaptively engage with the present or future Examining film literature television and video games Ryan Lizardi tackles the idea of why that strong sense of nostalgia is such a popular tactic for the media industry and why it is problematic

Encyclopedia of Great Popular Song Recordings Steve Sullivan, 2017-05-17 Volumes 3 and 4 of the *The Encyclopedia of More Great Popular Song Recordings* provides the stories behind approximately 1 700 more of the greatest song recordings in the history of the music industry from 1890 to today In this masterful survey all genres of popular music are covered from pop rock soul and country to jazz blues classic vocals hip hop folk gospel and ethnic world music Collectors will find detailed discographical data recording dates record numbers Billboard chart data and personnel while music lovers will appreciate the detailed commentaries and deep research on the songs their recording and the artists Readers who revel in pop cultural history will savor each chapter as it plunges deeply into key events in music society and the world from each era of the past 125 years Following in the wake of the first two volumes of his original *Encyclopedia of Great Popular Song Recordings* this follow up work covers not only

more beloved classic performances in pop music history but many lesser known but exceptional recordings that in the modern digital world of long tail listening re-mastered recordings and lost but found possibilities Sullivan mines from modern recording history The Encyclopedia of Great Popular Song Recordings Volumes 3 and 4 lets the readers discover and through their playlist services from such as iTunes to and Spotify build a truly deep comprehensive catalog of classic performances that deserve to be a part of every passionate music lover's life Sullivan organizes songs in chronological order starting in 1890 and continuing all the way through to the present to include modern gems from June 2016 In each chapter Sullivan he immerses readers era by era in the popular music recordings of the time noting key events that occurred at the time to painting a comprehensive picture in music history of each period for each song Moreover Sullivan includes for context bulleted lists noting key events that occurred during the song's recording

The Value of Popular Music Alison Stone, 2016-12-17 In this book Alison Stone argues that popular music since rock n roll is a unified form of music which has positive value That value is that popular music affirms the importance of materiality and the body challenging the long standing Western elevation of the intellect above all things corporeal Stone also argues that popular music's stress on materiality gives it aesthetic value drawing on ideas from the post-Kantian tradition in aesthetics by Hegel Adorno and others She shows that popular music gives importance to materiality in its typical structure in how music of this type handles the relations between matter and form the relations between sounds and words and in how it deals with rhythm meaning and emotional expression Extensive use is made of musical examples from a wide range of popular music genres This book is distinctive in that it defends popular music on philosophical grounds particularly informed by the continental tradition in philosophy

Band Together Mirit Eliraz, 2006-09-27 From The Joshua Tree to Blood Sugar Sex Magik from Automatic for the People to OK Computer they produced some of the most memorable rock albums of the post-punk era Beyond the music though the members of U2 R E M Radiohead and the Red Hot Chili Peppers share several common bonds Having emerged from punk's do it yourself ethos they embody collective creativity over individual artistry With the exception of the Chili Peppers revolving door guitarists each band's lineup has remained stable while the groups outlasted most of their contemporaries The twin factors of group inspired music and long term collaboration make these four bands important case studies in modern rock and roll With a focus on creative dynamics author Mirit Eliraz studies four of the most popular critically acclaimed and prolific rock bands of the last quarter century Introductory chapters offer band bios reasons for formation and each group's friends collaborators and business partners Middle chapters discuss the governing structures and general relations within the bands obstacles to unity and survival how diverse elements are merged into a productive whole role divisions the collaborative process and life on the road Concluding chapters cover external influences on band dynamics the evolution of each band's communal life and challenges to the band paradigm

Dangerous Doctrine Robert G. Kaufman, 2016-05-13 Much like Margaret Thatcher and Ronald Reagan President Barack Obama came to office as a

politician who emphasized conviction rather than consensus During his 2008 presidential campaign he pledged to transform the role of the United States abroad His ambitious foreign policy goals included a global climate treaty the peaceful withdrawal of American military forces from Iraq and Afghanistan and a new relationship with Iran Throughout Obama's tenure pundits and scholars have offered competing interpretations of his grand strategy while others have maintained that his policies were incoherent or at best ad hoc In *Dangerous Doctrine* political scientist Robert G Kaufman argues that the forty-fourth president has indeed articulated a clear consistent national security policy and has pursued it with remarkable fidelity Yet Kaufman contends that President Obama has imprudently abandoned the muscular internationalism that has marked US foreign policy since the end of World War II Drawing on international relations theory and American diplomatic history Kaufman presents a robust critique of the Obama doctrine as he situates the president's use of power within the traditions of American strategic practice Focusing on the pivotal regions of Europe the Middle East and Asia this provocative study demonstrates how current executive branch leadership threatens America's role as a superpower weakening its ability to spread democracy and counter threats to geopolitical order in increasingly unstable times Kaufman proposes a return to the grand strategy of moral democratic realism as practiced by presidents such as Harry S Truman Ronald Reagan and George W Bush with the hope of reestablishing the United States as the world's dominant power

[Historical Dictionary of Popular Music](#) Norman Abjorensen, 2017-05-25 This book seeks to trace the rise of popular music identify its key figures and track the origins and development of its multiple genres and styles all the while seeking to establish historical context It is fundamentally a ready reference guide to the broad field of popular music over the past two centuries It has become a truism that popular music so pervasive in the modern world constitutes a soundtrack to our lives a constant though changing presence as we cross thresholds and grow from children to teenagers to adults But it has become more than a soundtrack it has become a narrative Not just an accompaniment to our daily lives but incorporating our lives our sense of identity our lived experiences into it We have become part of the music just as the music has become part of us The *Historical Dictionary of Popular Music* contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 1000 cross-referenced entries on major figures across genres definitions of genres technical innovations and surveys of countries and regions This book is an excellent resource for students researchers and anyone wanting to know more about popular music

The Creamery and Milk Plant Monthly, 1920 **Montreal Museum of Fine Arts, Collection of Mediterranean Antiquities, Vol. 4: The Coptic Textiles** Wendy Landry, Rameau Anne-Laure, Richard Abigaëlle, 2019-11-26 This catalogue of the Coptic Textiles in the Collection of Mediterranean Antiquities at the Montreal Museum of Fine Arts provides a detailed analysis of 64 textiles from both historical and weaving practice points of view This approach provides a fuller understanding of the cultural situation in which such textiles were produced and circulated Dr Landry's experience of over 40 years of weaving and scholarship highlights the elements of knowledge and skill held and applied by weavers in

Antiquity This perspective complements and expands on the focus on imagery usually provided by art historians regarding textiles of this period This catalogue shows how much more cultural information can be accessed when the technical economic and practical character of both production and use are adequately integrated into the study of material artefacts
