Schilling, 2013-10-28 This fascinating book tells the story of how television became popular in the United States following the medium's debut at the 1939 New York World's Fair You'll learn about the people events and performances that were televised or influenced what was being televised from 1939 to 1953 In addition to the entertainment and cultural aspects of this newborn medium it also explores the business politics and technology of early television *The Best of Newspaper Design* Society for News Design, 2000 Award winning entries from the 23rd annual competition of the Society for News Design

Pedestrianism Matthew Algeo, 2014-04-01 Strange as it sounds during the 1870s and 1880s America's most popular spectator sport wasn't baseball boxing or horseracing it was competitive walking Inside sold out arenas competitors walked around dirt tracks almost nonstop for six straight days never on Sunday risking their health and sanity to see who could walk the farthest 500 miles then 520 miles and 565 miles These walking matches were as talked about as the weather the details reported from coast to coast This long forgotten sport known as pedestrianism spawned America's first celebrity athletes and opened doors for immigrants African Americans and women The top pedestrians earned a fortune in prize money and endorsement deals But along with the excitement came the inevitable scandals charges of doping coca leaves and insider gambling It even spawned a riot in 1879 when too many fans showed up at New York's Gilmore's Garden later renamed Madison Square Garden and were denied entry to a widely publicized showdown Pedestrianism When Watching People Walk Was America's Favorite Spectator Sport chronicles competitive walking's peculiar appeal and popularity its rapid demise and its enduring influence and how pedestrianism marked the beginning of modern spectator sports in the United States **Tales from the Pitt Panthers** Sam Sciuillo, 2004 The Pitt Panthers or the Pittsburgh Panthers Even their

name evokes an argument a touch of controversy For anyone who has followed the football and basketball fortunes of the University of Pittsburgh however controversy is just one of many facets of Pitt's programs throughout the institution's very long history Pitt has fielded a football team since 1890 and will celebrate its 100th year of basketball in 2005 Both programs have experienced plenty of success periods of failure lots of humor and some old fashioned heartbreak along the way Tales from the Pitt Panthers goes straight to the people who have lived with and contributed to the stories of Pitt football and

basketball including players coaches administrators and fans Author Sam Sciuillo Jr does not intend the book to be a chronological history of either sport but rather a look back at some of famous and not so famous games teams incidents and personalities from both the football and basketball programs From the recruitment of football legends like Marshall Goldberg Tony Dorsett and Dan Marino to the basketball prowess of Charley Hyatt and Charles Smith Tales from the Pitt Panthers takes a behind the scenes look at a major metropolitan area s sports team that continue to excite and at times confound its loyalists This is a book for fans that have ever wondered what it was like to be in the locker room just moments before the opening kickoff or have thought about the emotions felt in the aftermath of a key victory or a crushing loss Included are stories about Tony Dorsett running to the Heisman Trophy and Pitt s national championship season in 1976 a 1970 basketball game at the Field House when a brashpoint guard decided to take strategy into his own hands the things Larry Fitzgerald learned from his near miss shot at the Heisman Trophy in 2003 and Jamie Dixon s thoughts when school officials searched for Ben Howland s replacement after the 2003 season Tales from the Pitt Panthers offers a wide angled look at Pitt football and basketball from several different perspectives from both inside and outside the program *Marathon Makers* John
