Unlearned & Ignorant Commentary J.A. Roberts, 2024-04-19 These are my simple and practical notes for all of the books of the Bible I am currently in the process of still writing all of my notes out so not all of the chapters are there yet but I have quite a few books of the Bible done and am about 25% of the way through the rest of the Bible I will update this ever time a book is finished so it updates to the purchaser but if you d like to pay ahead of time you can get the books quicker and cheaper now The more books I add the more expensive it will become I ve been working on this for about two years now and will continue to work on it for another likely another six more years to finish the entire Bible hopefully sooner Thank you for supporting my work and I hope it s a useful tool for you as you dig deeper into God s Word It should also be understood I am not a scholar by any means I just like to dig around in scripture and answer difficult questions hence the title of the book Some of my thoughts are taken from much smarter men than me and if I know where the source comes from I will do my best to make mention of it and give credit where credit is due Otherwise these are things I got from my own personal studies and all the stories I give are from personal experience

Disciple III Remember Who You Are: Study Manual Richard B. Wilke, 2010-09-01 The Disciple III Remember Who You Are Study Manual combines direction and information enabling study of the text the Bible Two titles in the commentary section of the manual reflect ideas central to the prophets and Paul s letters The Word of the Lord picks up a familiar phrase from the prophets a clear statement of their calling They spoke and speak for God Each member of the group needs a study manual and a Bible The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session The study manual also includes suggestions for individual research and study related activities Space is provided for taking notes while reading Scripture for recording thoughts and questions arising out of daily study and for notes during the weekly group session The titles of the sessions along with theme words and theme verses and major persons events and topics will set the sequence of the biblical story in the minds of the participants The principal Scripture for each session follows the chronological movement of the biblical story Disciple III Remember Who You Are is the third study in the four phase DISCIPLE program The driving idea in this study is the connection between memory and identity as the people of God The word You in the title is meant to be heard both in its singular form the individual and its plural form the community We are a community of memory Participants in this 32 week study will read the major and minor Old Testament prophets with the exception of Daniel and will read the thirteen Letters traditionally attributed to Paul To establish the historical context in which the prophets spoke for God daily reading assignments draw also on the books of Deuteronomy through Chronicles

Several themes weave their way through the study the call to remember the call to repentance the need for renewed vision and the place of community The prophets and Paul are continually calling hearers and readers back to their God and to a sense of who they are as a people set apart Commitment and Time Involved 32 week study Three and one half to four hours of independent study each week 40 minutes daily for leaders and 30 minutes daily for group members in preparation for weekly group meetings Attendance at weekly 2 5 hour meetings *The Holy Bible, Containing the Old and New Testaments* ,1772
