

REMEMBER CREATION

God's World of Wonder and Delight

SCOTT HOEZEE

"Scott Hoezee adds a refreshing new twist to the discussion on the environment. Shouldn't we care by simply enjoying creation and honoring it for what it is? With illustrations both biblical and personal, Hoezee makes a compelling case."
— Philip Yancey

Remember Creation

Peter Thacher Lanfer

Remember Creation:

Remember Creation Scott Hoezee, 1998 Why is it that many Christians find a theological scientific debate about creation's ancient origins far more engaging than a speech about how to live responsibly in the creation today Are we more fascinated by academic debates that focus our gaze on what happened long ago than by the hands on discussions that focus our gaze on the world of wonders outside our windows right now In *Remember Creation* Scott Hoezee challenges readers to make today's world more central to the Christian faith by enjoying and preserving God's cosmos as a part of daily discipleship Solidly grounded in a wealth of Scripture passages this book reveals God's ecology of praise which all Christians should want to explore and preserve Throughout the book Hoezee also offers suggestions to help congregations families and all Christians to take more delight in God's world while working to keep alive the wonders that bring God joy Scott Hoezee adds a refreshing new twist to the discussion on the environment Shouldn't we start by simply enjoying creation and honoring it for what it is With illustrations both biblical and personal Hoezee makes a compelling case Philip Yancey **Remember** Susan Robb, 2023-12-19 Remember the God who remembers us God's covenants throughout the Old Testament show the character of God's promises to the people of Israel In this book Susan Robb leads readers through the covenants with Noah Abraham Moses and David followed by the new covenant established on Maundy Thursday The Lenten story culminates with an examination of the cross as another example of God's promise for a new world Susan Robb teaches readers the basic lessons of the covenants through a mixture of biblical history and personal stories Her pastoral character and warm tone provide a basis for understanding God's promises through history and the role of Jesus's passion and crucifixion in the history of the covenants *Remember* can be read alone or used for a six week group study and church wide Lenten program Components include a comprehensive Leader Guide and video teaching sessions featuring Susan with closed captioning *Remembering and Repeating* Regina M. Schwartz, 1993-03 Regina Schwartz presents a powerful reading of *Paradise Lost* by tracing the structure of the poem to the pattern of repeated beginnings found in the Bible In both works the world order is constantly threatened by chaos By drawing on both the Bible and the more contemporary works of among others Freud Lacan Ricoeur Said and Derrida Schwartz argues that chaos does not simply threaten order but rather chaos inheres in order Joining Creation's Praise Brian Brock, 2025-08-19 In the beginning God created Thus begins the Bible's story of a long conversation between God and creatures one in which humans are often the least edifying contributors They need to learn what it means to confess themselves creatures if they are to begin to understand what it means to be human and how to live *Joining Creation's Praise* a major statement by a leading Christian ethicist shows how confessing that we are creatures deeply reshapes every aspect of Christian thinking and living Human beings are made to embody Christ's image in the world not as dominators but as conduits of divine life In this comprehensive yet clear volume of theological ethics Brian Brock follows the first few chapters of Genesis in order to discover the things that the sages of Israel took to be crucial for the ethical life of

human beings among other creatures in God's world Informed by theological rigor and careful exegesis the many ethical reflections in this volume allow an ancient wisdom to shed fresh light on very postmodern ethical questions about conversion life with God knowledge and wisdom dominion Sabbath vocation economics human dignity our relationship with the rest of creation sexuality marriage family sin death and politics Ehyeh Dr. Arthur Green,2011-11-16 What can Kabbalah teach us about our lives today What can it teach us about our future According to the Jewish mystical tradition of Kabbalah Ehyeh or I shall be is the deepest most hidden name of God Arthur Green one of the most respected teachers of Jewish mysticism of his generation uses this simple Hebrew word to unlock the spiritual meaning of Kabbalah for our lives When Moses experienced his great moment of call at the Burning Bush he asked God When people ask me What is His name what should I say to them God answers with this mysterious phrase I shall be what I shall be and says to Moses Tell them that I shall be sent you God's puzzling answer makes the conversation sound like a koan dialogue between a Zen master and disciple Like the koan the text here is reaching to some place beyond words seeking to create a breakthrough in our consciousness What is it trying to tell us from the Introduction Blending Jewish theology and mysticism Arthur Green invites us on a contemporary exploration of Kabbalah showing how the ancient Jewish mystical tradition can be retooled to address the needs of our generation Drawing on the Zohar and other kabbalistic texts Green examines the fundamental ideas and spiritual teachings of Kabbalah encouraging today's modern seeker to stretch to new ways of thinking with both heart and mind setting us on a rewarding path to the wisdom Kabbalah has to offer **The Works** John Donne,1839 The Sermons of John Donne John Donne,1962

Remembering Eden Peter Thacher Lanfer,2012-09-06 In this book Peter Thacher Lanfer seeks to evaluate texts that expand and explicitly interpret the expulsion narrative of Adam and Eve in Genesis beyond the biblical canon God's Big Idea RosAnne Corakay Tetz,2003 The author starts with God's plan to create a new world and guides the child through the six days of Creation and ends up with God's plan for a new earth In between children solve many of life's lesser mysteries do fish sleep and think about a few of the greater ones why am I here And every fascinating fact about the world we live in becomes a doorway to big truths about life **Dusty Earthlings** John Mustol,2018-01-01 The Lord God formed a man from the dust of the ground Genesis 2:7 Made of dust we humans are thoroughly physical beings We are dusty earthlings As such we are also ecological beings or rather eco physical beings firmly embedded in and dependent upon God's earthly ecosystems which support and provide for us and constitute our earthly home Today we are living in ways that are damaging our home As Christian dusty earthlings we are called to oversee God's earthly creation and to follow Jesus Christ God incarnated as a dusty earthling How do we do this in the face of the array of ecological problems we face today How can we obey the ecological principles and limits that govern all of life on God's good earth Mustol argues that the virtues of humility voluntary self limitation and the principles of kenosis and justice will help as we seek to follow Jesus as dusty earthlings in today's world The Great Falling Away Volume II Adrian Salupo,2008-07-03 Sub titled Anti Christ Babylon and the Bride of

the Lamb Volume II of our Great Falling Away series details the three levels of faith in the world together with their commensurate three worldviews These worldviews are inextricably inter twined with mankind s concepts of mortality immortality and eternity as men exercise or don t exercise their God given faith and conscience In revealing the precepts of a biblically defined faith we also unveil the nature and characteristics of anti Christ Babylon and the Bride of the Lamb the three protagonists in all of the world s conflicts And the world s conflicts are coming to a crescendo as we approach the full harvest of the first resurrection and its attendant soon following wedding feast of the Lamb in the heaven of God soon after followed by the establishment of the kingdom of God on earth for one thousand years under the Kingship of Messiah Yahshua Jesus the Christ of Nazareth Bethlehem Judea Kiss The Chosen One unless He be angry and you lose the way Psalm 2 12a
