modernist poets such as Ralph Waldo Emerson We have found that Eliot in his poetry and prose writings was a modernist writer who unlike other modernist poets did not accept the way others rejected the values of religion and tradition Eliot focuses more on the role of religion and tradition in the psychological state of the individual and its impact upon the social stability His viewpoint regarding the vital role of spirituality in the life of the individual could be clearly seen in his poetic poems and prose writings but this aspect has been too little or not tackled as it is done with Homer [The Ezra Pound Encyclopedia](#) Demetres P.
