

REMEMBERING AMERICA

*A Sampler of the
WPA American Guide Series*

*Edited by Archie Hobson
With Introductions by Bill Stott*

Remembering America A Sampler Of The Wpa American Guide Series

William D. Pederson

Remembering America A Sampler Of The Wpa American Guide Series:

Remembering America. a Sampler of the Wpa American Guide Series Archie Hobson, 1985 Shares a collection of approximately five hundred passages from the Guides written during the 1930 s by writers on relief who were paid by the federal government to write about the state city town or locale where they lived **A Companion to the Regional**

Literatures of America Charles L. Crow, 2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature *The WPA Guides* Christine Bold, 1999 As regionalists jostled with federal

officialdom the faultlines of the project gaped open Spotlighting the controversies between federal and state bureaucracies Bold concludes that the image of America that the WPA fostered is closer to fabrication than to actuality **Remembering**

Dixie Susan T. Falck, 2019-08-23 Nearly seventy years after the Civil War Natchez Mississippi sold itself to Depression era tourists as a place Where the Old South Still Lives Tourists flocked to view the town s decaying antebellum mansions hoopskirted hostesses and a pageant saturated in sentimental Lost Cause imagery In *Remembering Dixie The Battle to Control Historical Memory in Natchez Mississippi 1865 1941* Susan T Falck analyzes how the highly biased white historical memories of what had been a wealthy southern hub originated from the experiences and hardships of the Civil War These collective narratives eventually culminated in a heritage tourism enterprise still in business today Additionally the book includes new research on the African American community s robust efforts to build historical tradition most notably the ways in which African Americans in Natchez worked to create a distinctive postemancipation identity that challenged the dominant white structure Using a wide range of late nineteenth and early twentieth century sources many of which have never been fully mined before Falck reveals the ways in which black and white Natchezians of all classes male and female embraced reinterpreted and contested Lost Cause ideology These memory making struggles resulted in emotional internecine conflicts that shaped the cultural character of the community and impacted the national understanding of the Old South and the Confederacy as popular culture Natchez remains relevant today as a microcosm for our nation s modern day struggles with Lost Cause ideology Confederate monuments racism and white supremacy Falck reveals how this remarkable story played out in one important southern community over several generations in vivid detail and richly illustrated analysis

Encyclopedia of African American Society Gerald D. Jaynes, 2005-02 An encyclopedic reference of African American history and culture *Global West, American Frontier* David M. Wrobel, 2013-10-15 This thoughtful examination of a century of travel writing about the American West overturns a variety of popular and academic stereotypes Looking at both European and American travelers accounts of the West from de Tocqueville s *Democracy in America* to William Least Heat Moon s *Blue*

Highways David Wrobel offers a counter narrative to the nation's romantic entanglement with its western past and suggests the importance of some long overlooked authors lively and perceptive witnesses to our history who deserve new attention Prior to the professionalization of academic disciplines the reading public gained much of its knowledge about the world from travel writing Travel writers found a wide and respectful audience for their reports on history geography and the natural world in addition to reporting on aboriginal cultures before the advent of anthropology as a discipline Although in recent decades western historians have paid little attention to travel writing Wrobel demonstrates that this genre in fact offers an important and rich understanding of the American West one that extends and complicates a simple reading of the West that promotes the notions of Manifest Destiny or American exceptionalism Wrobel finds counterpoints to the mythic West of the nineteenth century in such varied accounts as George Catlin's *Adventures of the Ojibbeway and Ioway Indians in England France and Belgium* 1852 Richard Francis Burton's *The City of the Saints* 1861 and Mark Twain's *Following the Equator* 1897 reminders of the messy and contradictory world that people navigated in the past much as they do in the present His book is a testament to the instructive ways in which the best travel writers have represented the West

Encyclopedia of American Folklore Linda Watts, 2020-07-01 Folklore has been described as the unwritten literature of a culture its songs stories sayings games rituals beliefs and ways of life *Encyclopedia of American Folklore* helps readers explore topics terms themes figures and issues related to this popular subject This comprehensive reference guide addresses the needs of multiple audiences including high school college and public libraries archive and museum collections storytellers and independent researchers Its content and organization correspond to the ways educators integrate folklore within literacy and wider learning objectives for language arts and cultural studies at the secondary level This well rounded resource connects United States folk forms with their cultural origin historical context and social function Appendixes include a bibliography a category index and a discussion of starting points for researching American folklore References and bibliographic material throughout the text highlight recently published and commonly available materials for further study Coverage includes Folk heroes and legendary figures including Paul Bunyan and Yankee Doodle Fables fairy tales and myths often featured in American folklore including Little Red Riding Hood and The Princess and the Pea American authors who have added to or modified folklore traditions including Washington Irving Historical events that gave rise to folklore including the civil rights movement and the Revolutionary War Terms in folklore studies such as fieldwork and the folklife movement Holidays and observances such as Christmas and Kwanzaa Topics related to folklore in everyday life such as sports folklore and courtship dating folklore Folklore related to cultural groups such as Appalachian folklore and African American folklore and more

Encyclopedia of the Harlem Renaissance: K-Y Cary D. Wintz, Paul Finkelman, 2004 An interdisciplinary look at the Harlem Renaissance it includes essays on the principal participants those who defined the political intellectual and cultural milieu in which the Renaissance existed on important events and places

Soul of a People David A. Taylor, 2010-04-15 *Soul of a People* is about

a handful of people who were on the Federal Writer s Project in the 1930s and a glimpse of America at a turning point This particular handful of characters went from poverty to great things later and included John Cheever Ralph Ellison Zora Neale Hurston Richard Wright and Studs Terkel In the 1930s they were all caught up in an effort to describe America in a series of WPA guides Through striking images and firsthand accounts the book reveals their experiences and the most vivid excerpts from selected guides and interviews Harlem schoolchildren truckers Chicago fishmongers Cuban cigar makers a Florida midwife Nebraskan meatpackers and blind musicians Drawing on new discoveries from personal collections archives and recent biographies a new picture has emerged in the last decade of how the participants individual dramas intersected with the larger picture of their subjects This book illuminates what it felt like to live that experience how going from joblessness to reporting on their own communities affected artists with varied visions as well as what feelings such a passage involved shame humiliation anger excitement nostalgia and adventure Also revealed is how the WPA writers anticipated and perhaps paved the way for the political movements of the following decades including the Civil Rights movement the Women s Right movement and the Native American rights movement

Henry Alsberg Susan Rubenstein DeMasi,2016-07-13 During the Great Depression Henry Alsberg a journalist with a passion for social justice directed the Federal Writers Project a New Deal program of the Works Progress Administration Under his guidance thousands of unemployed writers were hired Despite attacks from the House Committee on Un American Activities the Project produced more than 1 000 publications from 1935 to 1939 including the still highly acclaimed American Guide series Some writers such as Richard Wright went on to storied careers Alsberg led the Project s collection of more than 10 000 oral histories from ex slaves immigrants and others Alsberg was also a leader in the struggle to save Jewish pogrom survivors in Eastern Europe Later he initiated the first major effort to assist international political prisoners His friends included anarchist revolutionary Emma Goldman and U S Supreme Court Justice Felix Frankfurter This book brings Alsberg to light as an important but forgotten figure of the 20th century *Native American Representations* Gretchen M. Bataille,2001-12-01 Profiles the teacher who died with the NASA crew when the Challenger exploded in 1986 and describes the various ways her enthusiasm for learning and exploration determination to teach children and love of life continues all over the world

The Yankee Road: Tracing the Journey of the New England Tribe That Created Modern America James D. McNiven,2015-03-14 Who is a Yankee and where did the term come from Though shrouded in myth and routinely used as a substitute for American the achievements of the Yankees have influenced nearly every facet of our modern way of life Join author Jim McNiven as he explores the emergence and influence of Yankee culture while traversing an old transcontinental highway reaching from the Atlantic to the Pacific US 20 which he nicknames The Yankee Road The Yankee Road Tracing the Journey of the New England Tribe that Created Modern America combines fascinating history with a travel narrative taking the reader on a journey through the places Yankees and their descendants settled as they expanded westward Using a physical road to connect locations important to the Yankee cultural road McNiven

takes us on twenty two side trips into individual stories introducing readers to the origins of such large scale and diverse ideas as conservation public education telegraphy mass production religion and labor reform See familiar places and stories in a Yankee light such as the fight for women s rights in Seneca Falls and Walden Pond that Thoreau made famous Learn about less familiar venues like Route 128 s technology companies that led to the creation of the computer industry and incidentally the Internet and to the Worcester suburb of Shrewsbury where two old women changed the world by making possible the birth control pill McNiven s first tour goes as far west as the Pennsylvania New York border with more stories to come As we travel The Yankee Road we will meet some of the men and women who made these ideas happen Harry Truman once said I like roads I like to move This is a road book Come on along Letters to Eleanor Paul Bernstein,Eleanor Roosevelt,2004 Letters to Eleanor Voices of the Great Depression examines how the flood of letters from ordinary Americans to the First Lady established a bond of hope and trust Through this paper trail Eleanor Roosevelt was able to help many petitioners find jobs food housing and clothes To others she offered the encouragement and support many needed in the bleak Thirties Through it all Eleanor Roosevelt exhibited a traditionalist social outlook by her support of homemakers and opposition to the Equal Rights Amendment But as the New Deal matured she became an ardent reformer who fought for an anti lynching law and job opportunity for women in the federal service But beneath her incessant activity to help others there was an inner Eleanor who constantly sought emotional support from female colleagues or her distant correspondents a support she did not receive from FDR or her family Ethnic Forum ,1990 **Creating a Hoosier Self-Portrait** George T. Blakey,2005-04-20 From 1935 to 1942 the Indiana office of the Federal Writers Program hired unemployed writers as field workers to create a portrait in words of the land the people and the culture of the Hoosier state This book tells the story of the project and its valuable legacy Beginning work under the guidance of Ross Lockridge whose son would later burst onto the American literary scene with his novel Raintree County the group would eventually produce Indiana A Guide to the Hoosier State Hoosier Tall Stories and other publications Though many projects were never brought to completion the Program s work remains a useful and rarely tapped storehouse of information on the history and culture of the state

Program of the ... Annual Meeting of the American Historical Association American Historical Association. Meeting,American Historical Association,1985 Some programs include also the programs of societies meeting concurrently with the association National Trauma and Collective Memory Arthur G. Neal,1998 Chronicles the major traumas of the 20th century in America the Depression Pearl Harbor McCarthyism the Cuban Missile Crisis the assassinations of John F Kennedy and Martin Luther King Vietnam Watergate Three Mile Island the Challenger explosion how we responded to them as a nation and what our responses mean South Carolina ,2023-02-24 The Federal Writers Project creates an image of South Carolina of years past All of us at one time or another have had a strong desire to be able to get into a time machine and be transported magically to an earlier place and time Science has not yet produced for us such a time machine but the

Federal Writers Project FWP a division of the Works Progress Administration did produce for prosperity guides to all of the old 48 states Using talented local researchers and writers the FWP created an image of America fifty plus years ago A reprint of the original South Carolina The WPA Guide to the Palmetto State is divided into three sections 19 essays on a variety of topics ranging from history to cookery detailed descriptions of the 11 towns in the state that had populations of more than 10 000 and 21 remarkably detailed guided tours to all sections of the state In addition to the original chapters there are two appendices updated highway numbers for each tour and a guide to getting off the present Interstate Highway System and picking up the guided tours South Carolina s Guide is very much a product of its times The essays and tours mince no words in describing the state s poverty or the reality of a world in which class and race played major roles For those who have studied and taught South Carolina history the old Guide has been an indispensable reference work Parts of it may be dated to some jaded modern eyes some phrases may be jarring to the post 1954 generation However the original South Carolina The WPA Guide to the Palmetto State was what its cover claimed it to be It accurately described the state as it was not as romantics wanted it to be The FDR Years William D. Pederson, 2009 Born in 1882 in New York Franklin Delano Roosevelt entered public service through the encouragement of the Democratic Party and won the election to the New York Senate in 1910 This book details his administration at the height of the Great Depression as he valiantly led the nation with the phrase The only thing we have to fear is fear itself The Great Depression in America William H. Young, Nancy K. Young, 2007-03-30 Everything from Amos n Andy to zeppelins is included in this expansive two volume encyclopedia of popular culture during the Great Depression era Two hundred entries explore the entertainments amusements and people of the United States during the difficult years of the 1930s In spite of or perhaps because of such dire financial conditions the worlds of art fashion film literature radio music sports and theater pushed forward Conditions of the times were often mirrored in the popular culture with songs such as Brother Can You Spare a Dime breadlines and soup kitchens homelessness and prohibition and repeal Icons of the era such as Fred Astaire and Ginger Rogers Louis Armstrong Bing Crosby F Scott Fitzgerald George and Ira Gershwin Jean Harlow Billie Holiday the Marx Brothers Roy Rogers Frank Sinatra and Shirley Temple entertained many Dracula Gone With the Wind It Happened One Night and Superman distracted others from their daily worries Fads and games chain letters jigsaw puzzles marathon dancing miniature golf Monopoly amused some while musicians often sang the blues Nancy and William Young have written a work ideal for college and high school students as well as general readers looking for an overview of the popular culture of the 1930s Art deco big bands Bonnie and Clyde the Chicago s World Fair Walt Disney Duke Ellington five and dimes the Grand Ole Opry the jitter bug Lindbergh kidnapping Little Orphan Annie the Olympics operettas quiz shows Seabiscuit vaudeville westerns and Your Hit Parade are just a sampling of the vast range of entries in this work Reference features include an introductory essay providing an historical and cultural overview of the period bibliography and index

Remembering America A Sampler Of The Wpa American Guide Series Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become much more evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **Remembering America A Sampler Of The Wpa American Guide Series**, a literary masterpiece that delves deep to the significance of words and their impact on our lives. Remembering America A Sampler Of The Wpa American Guide Series Introduction

In the digital age, access to information has become easier than ever before. The ability to download Remembering America A Sampler Of The Wpa American Guide Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Remembering America A Sampler Of The Wpa American Guide Series has opened up a world of possibilities. Downloading Remembering America A Sampler Of The Wpa American Guide Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Remembering America A Sampler Of The Wpa American Guide Series has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Remembering America A Sampler Of The Wpa American Guide Series. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Remembering America A Sampler Of The Wpa American Guide Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Remembering America A Sampler Of The Wpa American Guide Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Remembering America A Sampler Of The Wpa American Guide Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Remembering America A Sampler Of The Wpa American Guide Series Books
