

The background of the image is a vibrant sunset or sunrise sky with streaks of orange, yellow, and blue. In the foreground, there are silhouettes of four figures representing the evolution of man, from an ape-like creature on the left to a modern man on the right. The modern man is holding a long spear. The text is overlaid on the lower half of the image.

Solidarity Is the

Political Version of Love Rebecca Vilkomerson, Alissa Wise, 2024-09-03 What does the politics of solidarity look like in practice and how can left wing organizations grow in numbers and power while remaining accountable to the broader movements of which they are a part Against enormous odds and in the face of fierce pushback the Palestine solidarity movement has succeeded in transforming the landscape of American politics The movement has catapulted Palestine from being an untouchable topic in even liberal political circles to a central rallying cry in grassroots progressive organizing one that is championed by some of the highest profile and beloved members of Congress In the fall and winter of 2023 with the attention of the world focused on Israel s unprecedented aggression against the people of Gaza millions across the globe mobilized in solidarity with Palestinians and their struggle for liberation Jewish progressives in the US played a highly visible role in denouncing Israel s actions and US complicity in them leading mobilizations and disruptions from the US Capitol to Grand Central Station In this book two key leaders and former staff of Jewish Voice for Peace JVP Rebecca Vilkomerson and Rabbi Alissa Wise focus on the important role of anti Zionist Jewish organizing within the broader Palestine solidarity movement reflecting on their decade of leadership of JVP and drawing lessons especially relevant to those organizing from a position of solidarity Against the backdrop of rapid and often devastating political developments they explore how JVP grew larger as the organization shifted to the left and helped to alter the public narrative about Palestinian liberation while also navigating the tensions of organization building and creating a space for Judaism liberated from Zionism Their insights help contextualize the intense suppression of activism for Palestinian freedom while illuminating the roots of today s flourishing Jewish solidarity with Palestinians worldwide In addressing their shortcomings and failures no less than their inspiring successes Vilkomerson and Wise deliver an account of JVP s organizing during the 2010s that offers crucial strategic lessons for anyone engaging in the collective work of building organizations and fighting for justice as our movements evolve over time

**Stories of Our Living Ephemera** Emily Legg, 2023-12-15 *Stories of Our Living Ephemera* recovers the history of the Cherokee National Seminaries from scattered archives and colonized research practices by critically weaving together pedagogy and archival artifacts with Cherokee traditional stories and Indigenous worldviews This unique text adds these voices to writing studies history and presents these stories as models of active rhetorical practices of assimilation resistance in colonized spaces Emily Legg turns to the Cherokee medicine wheel and cardinal directions as a Cherokee rhetorical discipline of knowledge making in the archives an embodied and material practice that steers knowledge through the four cardinal directions around all relations Going beyond historiography Legg delineates educational practices that are intertwined with multiple strands of traditional Cherokee stories that privilege Indigenous and matriarchal theoretical lenses *Stories of Our Living Ephemera* synthesizes the connections between contemporary and nineteenth century academic experiences to articulate the ways that colonial institutions and research can be Indigenized by centering Native American sovereignty By undoing the erasure of Cherokee literacy and educational practices *Stories of Our Living Ephemera*
