Hilton,2018-06-18 Memory is an important facet of all our lives If we lose these packages of pain and pleasure called memory that are so instrumental in establishing our humanity then we lose the essence of who we are That is what has happened to the dark hearted Killer described in this story who is out there now Have you ever been at a location and wished you could witness and experience the events that happened in that space in the past The Killer chronicled herein has that power The Ring of Remembrance is the contemporary story of this ruthless murderer with an unbridled mind who by harnessing supernatural forces and the powers of his mysterious ring for the past thirty years has stalked the darkness of Christmas night slaughtering one family per year Throughout the past three decades everyone who has ever trailed the fiend has either been murdered or driven insane The FBI has squashed media coverage convincing the public that the horrors are over but this Christmas the truth is revealed and FBI special agent Justinian Rooks

having just sealed his first big case is summoned by the director to take on a new investigation As the Killer begins to break his signature one piece of evidence just may have the best chance ever of bringing the monster to justice the Ring of Remembrance

The Arts of Remembrance in Early Modern England Andrew Gordon, Thomas Rist, 2016-04-01 The early modern period inherited a deeply ingrained culture of Christian remembrance that proved a platform for creativity in a remarkable variety of forms From the literature of church ritual to the construction of monuments from portraiture to the arrangement of domestic interiors from the development of textual rites to drama of the contemporary stage the early modern world practiced arts of remembrance at every turn The turmoils of the Reformation and its aftermath transformed the habits of creating through remembrance Ritually observed and radically reinvented remembrance was a focal point of the early modern cultural imagination for an age when beliefs both crossed and divided communities of the faithful The Arts of Remembrance in Early Modern England maps the new terrain of remembrance in the post Reformation period charting its negotiations with the material the textual and the performative

Barker,2010-06-29 Almost every story in this remarkable collection deals with someone on the run They re running away from or they re running back to but no one is standing still Make no mistake there s nothing static about these stories The pacing is breakneck the tension sometimes unbearable the action swift and decisive The settings are sleazy bars and two bit flops and alleys that smell of puke and piss The characters are not the kind of people most of us would admit to knowing They long ago forfeited their souls They re haunted some quite literally by the past by deeds done or left undone by lovers lost by dreams stillborn **Riot and Remembrance** James S. Hirsch,2002 A buried part of history comes to light in this informative account of the Black Wall Street Massacre in Tulsa Oklahoma in 1921 A Quest for Remembrance Madeleine Scherer,Rachel Falconer,2019-11-20 A Quest for Remembrance The Underworld in Classical and Modern literature brings together a range of arguments exploring connections between the descent into the underworld also known as katabasis and various forms of memory Its chapters investigate the uses of the descent topos both in antiquity and in the reception of classical literature in the nineteenth to twenty first centuries In the process the volume explores how the hero s quest into the underworld engages with the theme of recovering memories from the past At the same time we aim to foreground how the narrative format itself is concerned with forms of commemoration ranging from trans cultural memory remembering the literary and intellectual canon to commemorating important historical events that might otherwise be forgotten Through highlighting this duality this collection aims to introduce the descent narrative as its own literary genre a memorious genre related to but distinct from the quest narrative War and Remembrance Herman Wouk,2010-01-30 A masterpiece of historical fiction and a journey of extraordinary riches New York Times Book Review War and Remembrance stands as perhaps the great novel of America s Greatest Generation These two classic works capture the tide of world events even as they unfold the compelling tale of a single American family drawn into the very center of the war s maelstrom The multimillion copy bestsellers that capture all the drama romance heroism and tragedy of the Second World War and that constitute Wouk s crowning achievement are available for the first time in trade paperback **Molly Mee The Remembrance** J M Duckworth,2024-05-24 Molly discovers her inner deity not a Goddess but a God As her family strives to keep her from recalling her true self they inadvertently provide her with the ultimate chance to revisit her former existences This journey is not confined to the memories of her current lifetime but stretches back to the dawn of existence itself Embarking on a bewildering quest Molly finds herself amidst a celestial battle where gods and goddesses confront the encroaching darkness that seeks to desecrate the Earth This odyssey poses the question Can Molly find the answers needed to elevate the Earth to its destined grandeur or will her efforts to save not only herself but also the essence of humanity be in vain You are love You are light You are me and I am you inseparably united forever bound by an unbreakable bond And why Because my love for you is eternal **In Remembrance of Me** Jim Henry,1998-02-01 In this

authoritative guide to the Lord's Supper Jim Henry underscored the biblical basis for the practice then offers practical suggestions for congregations seeking to conform their worship service to the will of God **A Book of Remembrance**
Brenda Letherman, 2017-03-30 Brenda had a sense of God's presence in her early childhood but her church's legalism disguised God into someone she didn't recognize She abandoned religion and God in her desperate search for reciprocated love trashing her life in the process God intervened by using drastic measures that left her nowhere to turn so she returned to Him She ultimately found her lasting true love tucked away in the greatest love story ever written the Bible She discovered that her Creator had gently wooed and won her through His music creation and the loving kindness of His Son She finally found the romance she craved And thanks be to her God she will never be the same *Remembrance of a Religio-maniac* D.
