Renderbrook A Century Under The Spade Brand:

Renderbrook Steve Kelton,1989 The hundred year history of the Renderbrook Spade Ranch mirrors the history of ranching in West Texas tracing ranching s evolution from an open range Longhorn dominated industry to today s forward looking specialized operations which survive by using state of the art technology in genetics nutrition marketing and range science The story is one of slow but steady progress from the horse and wagon era to the age of computers crossbreeding and embryo transplants The Rise and Fall of the Lazy S Ranch David J. Murrah,2022-01-18 The Lazy S Ranch one of the last major ranches to be established in Texas came into being at a time when most of the other great ranches were disappearing Founded in 1898 by Dallas banker and rancher Colonel Christopher Columbus Slaughter the Lazy S grew to comprise nearly 250 000 acres of the western High Plains in Cochran and Hockley counties much of which lay in a single contiguous pasture of more than 180 000 acres Even with careful investment and management C C Slaughter faced many challenges putting together an extensive ranch amid the development of the farmers frontier on the high plains Within a decade he crafted the Lazy S to become a showplace for well bred cattle effective range management and efficient utilization of limited water resources He created a working ranch that would serve as a long lasting legacy for his wife and nine children to remain undivided and indivisible But shortly after his death in 1919 the family drained its resources drove it into debt then divided the land ten ways In the 1930s good fortune returned to some of the Slaughter heirs with the discovery of oil on the family lands Though the Lazy S Ranch was soon forgotten the breakup of the ranch spurred a new era for the western Llano Estacado and led to the establishment of a county growth of four new towns and a railroad across the heart of the ranch fostered for the most part by the land development projects of Slaughter s descendants Here David J Murrah covers the entire fascinating history in **The Rise and Fall of the Lazy S Ranch** **Elmer Kelton's The Unlikely Lawman** Steve Kelton,2022-07-26 Hewey Calloway one of the best loved cowboys in all of Western fiction returns in Elmer Kelton s **The Unlikely Lawman** as novel of his middling years as he looks for work but not too much work in 1904 West Texas Hewey Calloway is heading north to Colorado on a horse drive for an old friend Alvin Lawdermilk when he gets word that one of his hired hands is planning to rob him After the plot is foiled the fugitive horsehand is on the run and leaving bodies in his wake Deputized to help bring the criminal to justice Hewey is bestowed with a weight of responsibility that he s long avoided Never known for his skill or lack thereof with a pistol he can only pray that he and retired Texas Ranger Hanley Baker will be enough to put an end to this trail of dastardly deeds Steve Kelton will transport you to an Old West full of duplicity gunfights and the often unforgiving hardships of frontier life At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Elmer Kelton's The Familiar Stranger Steve Kelton,John Bradshaw,2024-12-03 Elmer Kelton s Hewey Calloway one of the best loved cowboys in all of Western fiction returns in this novel of his middling years as he looks for work but not too much work in 1904 West Texas Hewey Calloway had intended to pass straight through

Durango Colorado en route to visit a friend several miles northeast of the city He had left his home range about a year before with a herd of young horses It was supposed to be a relatively straightforward affair deliver the horses collect the payment and return home with the money Things got out of hand however and there he was in Durango a year later with plans to go north rather than south Oh well he thought he had always wanted to see new country It isn't long before his travels lead him to a cabin on a rainy night There he meets a young man sick as a dog who weakly tries to send him off And for good reason the man has smallpox and soon enough Hewey catches the deadly disease The man cares for him in turn and it's just as he is feeling better that the man disappears The next morning a Pinkerton detective turns up with posse looking for a wanted bank robber As he travels north Hewey seems to run in with both the young man who tended to him as well as the detective But something seems off about the Pinkerton detective and Hewey keeps his mouth shut When he reunites with his friend Hanley they do everything they can to get to the bottom of the mystery that threatens both theirs and this young man's life At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Beyond Texas Through Time Walter L. Buenger, Arnolfo De León, 2011-01-27 In 1991 Walter L Buenger and the late Robert A Calvert compiled a pioneering work in Texas historiography *Texas Through Time* a seminal survey and critique of the field of Texas history from its inception through the end of the 1980s Now Buenger and Arnolfo De León have assembled an important new collection that assesses the current state of Texas historiography building on the many changes in understanding and interpretation that have developed in the nearly twenty years since the publication of the original volume This new work *Beyond Texas Through Time* departs from the earlier volume's emphasis on the dichotomy between traditionalism and revisionism as they applied to various eras Instead the studies in this book consider the topical and thematic understandings of Texas historiography embraced by a new generation of Texas historians as they reflect analytically on the work of the past two decades The resulting approaches thus offer the potential of informing the study of themes and topics other than those specifically introduced in this volume extending its usefulness well beyond a review of the literature In addition the volume editors introduction proposes the application of cultural constructionism as an important third perspective on the thematic and topical analyses provided by the other contributors *Beyond Texas Through Time* offers both a vantage point and a benchmark serving as an important reference for scholars and advanced students of history and historiography even beyond the borders of Texas

Writing on the Wind Lou Halsell Rodenberger, Laura Payne Butler, Jacqueline A. Kolosov, 2005 The vast disparate region called West Texas is both sparsely populated and scarcely recognized Yet it has given voice to a surprising number of women writers who have left more than a faint impression on its hardscrabble terrain and consciousness These writers do much more than evoke the land and its celebrated skies Often with humor and alw
