Savard, 1999 First you learned to shatter all your inner strongholds in Shattering Your Strongholds Then from Breaking the Power you learned to destroy the power of the unsundered soul the old nature and all its defenses that kept you locked in the past Pulling Down Your Strongholds Kayode Odulaja, 2023-09-22 For though we walk in the flesh we do not war after the flesh For the weapons of our warfare are not carnal but mighty through God to the pulling down of strong holds II Corinthians 10:3-4 Beloved strongholds are real some are physical and others are spiritual They vary in nature and size They are obstacles barriers curses limitations etc many times strongholds are easily identified and sometimes they are not However one thing is common to them they block blessings and breakthroughs Most problems are products of strongholds In spite of the terribleness of strongholds they can be pulled down rendered ineffective and destroyed That is the whole essence of this book to expose the common enemy and knock him down You can deal with that negative stronghold This book will not only expose the strongholds but show you how to avoid and confront them whenever they are unavoidable By the grace of God

this book will turn victims to victors and losers to winners **Breaking Negative Patterns Workbook** Lisa

Breaking Negative Patterns Workbook Large Print Lisa Tyson,2019-07-03 There s a force that does not want you to open this resource You re holding a powerful tool in your hands that will show you how to break the blocks and barriers that have kept you from your destiny The Breaking Negative Patterns series is your guide to success In this workbook you ll find the action points from Breaking Negative Patterns listed in a clear easy to understand format so you can jot down your thoughts and document your journey Use this series to get set free then consider training those in your circle of influence to use it to train their circle of influence This message of freedom will spread and grow exponentially *Pulling Down Strongholds Kit* Matthew Tucker,2023-03 This book is a condensed version of arguably the most straight forward and to the point guide that you can find and use to pull down strongholds and break soul ties This explains what precisely strongholds are what their purpose is and how to deal with strongholds and their effects simply and directly This is a small but powerful must have kit that you can use for yourself and to help others get free also I wanted to create something that pretty much gets as practical as possible and fast When there are strongholds causing trouble you don t want to have to read through hundreds and hundreds of pages to finally get to the last chapter and there you find the practical steps towards deliverance and liberation for most that takes too long and with all of the difficulties temptations troubles and attacks this current age has to throw at the walk of a believer it s high time to cut the fluff and just get down to business so here it is as requested the pulling down strongholds kit **Overcoming Strongholds** Tammy Morgan,2016-10-18 Overcoming Strongholds by Apostle Tammy Morgan I loved this book Apostle Tammy gives away first hand knowledge of not just her own story of walking through specific life issues but also gives the seeking Christian the basic how to s of getting rid of many common strongholds in life

She leads the reader by the hand to help him understand what one is where it comes from what causes it and how to overcome personal strongholds including removing the root Her goal is to help her reader gain complete and total freedom the way Christ intended it Overcome the strongholds in your life Let Apostle Tammy show you how Edie Bayer

Strongholds Ed Silvoso, 2018-08-21 Strongholds are incorrect thinking patterns that form when we listen to and believe the lies of the enemy When we get trapped in these patterns they drive us into hopelessness and despair Here bestselling author Ed Silvoso gives you a simple process and biblical truths to help renew your mind break the power of strongholds and live victoriously Demolishing Strongholds Johnny Hunt, 2017-01-31 Get Ready to Win Your Spiritual Battles Ever wonder how to be a man of God in the trenches of life in the day to day trials and temptations that hound you It s not impossible God s promises and strength are real and you can claim them today Whether you feel beaten down by your past failures or trapped in a corner by your current struggles let hope lift you up Pastor Johnny Hunt offers the biblical encouragement and guidance that will help you navigate the dangers and discouragements of daily life take practical steps toward taming your negative habits use your blessings to influence others for God s glory It s time to learn how to break spiritual strongholds so you can move forward in God s will and become the kind of man you ve always wanted to be *The 31 Self-Strongholds* Tommy Twitty, 2016-01-05 You need to have the right mindset to win once you decide that losing is not an option It is the purpose of this book to help you get your kingdom back So stop looking for an enemy a devil or something great that is causing you to dethrone God and instead realize that it is the 31 self enemies revealed in this book that have caused you to do so They look harmless and as if they won t hurt us but in fact they are causing us harm and have the potential to kill us because we have become addicted to them Joshua 12 exposes the 31 kings who represent 31 different kingdoms that they were destined to conquer that are parallel to the strongholds and self enemies we must conquer But in order to do so we must understand the mindset of a conqueror and the power of the mind To be a conqueror you have to be aggressive and step out of your comfort zone You have to forget about what is around and surrounds you and then you have to be bodacious enough to take it by force Breaking strongholds to become victorious consists of knowing what to do before you re told to do it As you journey through this book you will see that the 31 kings Joshua had to take down each had a unique stronghold but each one knew who Joshua and the Israelites were before they got to them Joshua became a conqueror because he discovered that he had to change the way he was thinking to change the way he lived Just as you will have to discover to deal with the kings and the strongholds in your life They too will know who you are as you change the way you think As you read this book you will learn how to dethrone every king that is in front of you You will learn that having a strategy is a vital part of the process and the only way to conquer these kings called self enemies is through the mind of the Spirit which is why after reading this book you will have the mind of a conqueror
