Men Who Knew God:

Men Who Met God A W Tozer, 2009-01-30 A W Tozer's *Men Who Met God* is a compelling survey of seven biblical figures who had the tremendous experience of walking and communing with God in some fashion in the coolness of the afternoon through a burning bush in personal discussion or by another divinely inspired method Originally preached as a series of sermons by A W Tozer at Southside Alliance Church in Chicago this compilation enlightens the mind and cuts to the heart in the way we've come to expect from Tozer May you be moved toward God as you see how men of old encountered his Awesome Presence

Men who Knew God William Sanford La Sor, 1970 *The Woman That Knew God* Sharalee Sheperd-Wahington II, 2010-07-21 Take a look at what has happened before the foundation of the world and see what man has lost the inner innocent of mankind The clues in this wonderful book will help you put the pieces together of where we came from with the most high God

Systematic Theology Charles Hodge, 2000 *An Exposition of the Creed: or, an Explanation of the articles of our Christian faith. Delivered in many afternoone sermons, etc* John SMITH (Minister of Clavering.), 1632

The Trilogy Diane Freeman, 2017-04-19 This book will take you on a journey of revelation like no other involving the deliverance of many well known individuals who were stranded in darkness due to their lack of knowledge of who they were their life choices and their delinquencies in choosing this day whom they would serve They discovered too late that it matters what choices you make while living and that it is the difference between life everlasting and eternal separation from God The good news is what happened when they met the author of this book and were delivered from evil Please tell me your name I asked one day as a soul attached to my energy field looking for guidance home I heard a name that was familiar to me and to many many others in the world His name was Ronald Reagan I asked Ronald Reagan why it was that he was coming to me for I thought him to be a man of faith He simply told me that sadly he did not know God as I

did and he did not serve God as I did while he was the president of the United States To Ronald this was a mistake and he was apologetic about this lack of leadership in the nation that was called by its name because it was so named by the choice of the true commander in chief Alejandro Yes Alejandro for this is the name that is above every other name under heaven and on earth and it has been lost to the multitudes due to endless times under captivity of His people where they were not allowed to call upon His name and they did forget His name days without number It is His will that I for the first time in eons bring to the surface for enlightenment of His people once again his beloved name There is no other name above His name and He cherishes the sound of it If you wish to verify His name as I did I recommend devotion to Him in the form of fasting for I did fast forty days faithfully without food only consuming water for the sole purpose of discovering His hidden name For the biblical record is clear that His name was forgotten by His people and the scholars over the years and the people were not allowed access to their scriptures while in captivity nor were they allowed to sing the songs of their praise to their God as is recorded in the psalms

their last breath There are many beliefs concerning this matter and not all of them can be true Television and the media have trained our minds to believe that heaven and hell is a figment of our imagination There is no life after this one Others believe in some sort of heaven or hell They have questions Are they real What are they like What goes on while there Where are they And vitally important Who will reside in either place and why The focus of this book is to develop an understanding about hell Hell will remain a mystery as long as a person does not go to the source for the information There are books written which speak of people who have died gone to hell and then come back Should we believe them Are they fiction or fact Where can we go to receive the truth and answers Is there a source which we can believe and not question This book is not written on fable or fiction but on fact The writer never went to hell or had visions from God The answers concerning hell are available to any who seeks and is interested in their life after death Read on and become informed Knowledge of hell will help the reader in making a life changing decision Read on if you desire the truth
