My Darling Pretender:

My Darling Pretender Linda Vail, 1986 **The Mynns' Mystery** George Manville Fenn, 2019-12-04 In *The Mynns Mystery* George Manville Fenn masterfully intertwines elements of adventure and intrigue within a pastoral setting employing a conversational yet vivid literary style that captures the reader's imagination. The narrative follows the enigmatic events surrounding the Mynns family, uncovering layers of suspense as the protagonist navigates complex relationships and unravels long-held secrets. Fenn's deft handling of character development and dialogue infuses the story with a sense of realism, inviting readers into a world rife with psychological tension and the moral ambiguities of human nature, which resonate with the themes prevalent in Victorian literature. Fenn, a prominent figure in late 19th-century English literature, was renowned for his works that reflected on the social issues of his time. His robust background in journalism and a keen interest in exploring the human condition influenced his storytelling. Fenn's own experiences as a traveler and observer of various social classes often color his narratives, allowing readers to delve deeply into the societal structures and personal dilemmas faced by his characters, making *The Mynns Mystery* a compelling read. This book is highly recommended for readers who appreciate intricate plots and character-driven stories. Fenn's ability to weave mystery with emotional depth positions this novel as a significant contribution to the genre, providing not only entertainment but also profound insights into the complexities of family and identity.

The Pretender's Lady Alan Gold, 2015-07-07 From the author of *The Last Testament* comes the true love of Bonnie Prince Charlie: her adventures in America and her lasting legacy. In the page-turning popular genre trail-blazed by Antonia Fraser and Philippa Gregory, *The Pretender's Lady* Alan Gold's meticulously researched novel accurately opens history's pages on a peerless woman who helped change the course of history and whose legend lives on in Scotland today: Flora MacDonald. She was the most famous Scotswoman of her day, single-handedly saving Bonnie Prince Charlie. This is her fictionalized life story: her relations with the Prince, her flight to America, Ben Franklin's influence, and her return to Britain to lobby for peace. But what's hidden from history is revealed now for the first time in Gold's dazzling new work of fiction: is the result of Flora's and Charlie's love a beautiful and talented boy raised on an American farm. But only she knows his true heritage and his claim to the world's greatest throne. And only the genius of Ben Franklin understands how to use this naïve boy to change the history of America. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction, novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore, and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more.
