Books That Teach Kids to Write Marianne Saccardi, 2011-05-05 This book provides a wealth of read aloud titles and related activities that provide busy teachers with the tools to help students in grades K-12 become successful writers. Teachers can always benefit from new techniques that allow them to teach writing in a more engaging and enjoyable manner and a resource that identifies a plethora of excellent children's books that help students become successful writers would also be helpful. **Books That Teach Kids to Write** introduces busy educators to the finest in children's literature in all genres appropriate for readers in grades K through 12 and provides effective ideas for using those books to stimulate and improve student writing. This book discusses language use and other critical components of good writing showcasing the children's books and specific activities that can help both primary and secondary school students. Included reproducibles for the writing exercises make lesson planning simple while the sheer number of titles discussed and the extensive bibliographies provided minimize the time teachers must spend researching books to use with their students. An appendix includes more writing instruction resources such as children's books websites and professional texts.

Children's Books in Print R. R. Bowker Publishing, Bowker, 1999-12

Children's Literature in Action Sylvia M. Vardell, 2019-06-14 This practitioner-oriented introduction to literature for children ages 5-12 covers the latest trends, titles, and tools for choosing the best books and materials as well as for planning fun and effective programs and activities. The third edition of *Children's Literature in Action* provides an activity-oriented survey of children's literature for undergraduate and graduate students seeking licensure and degrees that will lead to careers working with children in schools and public libraries. Author Sylvia M. Vardell draws on her 30 years of university teaching and extensive familiarity with the major textbooks in the area of children's literature to deliver something different: a book that focuses specifically on the perspective and needs of the librarian with emphasis on practical action and library applications. Its contents address seven major genres: picture books, traditional tales, poetry, contemporary realistic fiction, historical fiction, fantasy, and informational books. Each chapter includes practical applications for the educator who shares books with children and who develops literature-based instruction. Chapters are enriched by author comments, collaborative activities, featured books, special topics, and activities including selected awards and celebrations, historical connections, recommended resources, issues for discussion, and assignment suggestions. This new edition incorporates the 2018 AASL National School Library Standards.
