Robert J. Norrell

Nat Hentoff Reader:

The Nat Hentoff Reader Nat Hentoff, 2001-10-17 From the Bill of Rights freedom of speech and civil rights to jazz blues and country music Nat Hentoff has written about American life for decades in the Atlantic Monthly the New Yorker the Village Voice the Wall Street Journal and JazzTimes among countless other publications The New York Times has hailed Hentoff's work as an invigorating and entertaining reminder of why freedom of expression matters The Washington Post Book World has called Hentoff an old fashioned music lover who likes as Charlie Parker once put it to listen to the stories that good music tells Nat Hentoff is a legend And now for the first time here are his most important writings of the past twenty years the quintessential Hentoff on everything from Cardinal John O'Connor to Merle Haggard racism and political correctness in the classroom to Lester Young Dizzy Gillespie to the censorship of Huckleberry Finn Controversial You bet Whatever the topic The Nat Hentoff Reader shows a man of passion and insight of streetwise wit and polished eloquence a true American original

The Herridge Style Robert Herridge, 2025-01-14 Writer director and producer Robert Herridge left an enduring mark on the small screen from his stewardship of Camera Three in the early 1950s through the exciting days of live television The minimalist Herridge style that placed performers in front of a camera on a nearly empty soundstage as well as his unique brand of robust morbidity produced some of the most powerful performances to grace early TV Herridge pioneered dozens of innovative productions for the CBS and NBC networks in the 1950s and 60s ranging from provocative adaptations of works by Shirley Jackson and Tennessee Williams to premier dance collaborations with George Balanchine and Agnes de Mille He also created important jazz programs featuring the likes of Billie Holiday Thelonious Monk and Miles Davis But for more than sixty years his groundbreaking work has been almost completely overlooked by critics and historians In the first book devoted to Herridge's life and career editor John Sorensen weaves together Herridge's unpublished memoir with meticulous research into shows that have become cultural milestones The Herridge Style The Life and Work of a Television Revolutionary introduces Robert Herridge's experiments on screen and his extraordinary personal story to a new audience that has much to discover and enjoy in the oeuvre of an artist hailed as Television's Forgotten Auteur The

Thelonious Monk Reader Rob van der Bliek, 2001-02-22 Of all the major jazz artists Thelonious Monk was one of the most original musical thinkers nonconformist idiosyncratic imaginative eccentric in a word unique In The Thelonious Monk Reader Rob van der Bliek has brought together some of the most revealing pieces ever written on Monk providing a full portrait of the musician and his impact on the jazz world Here is a wealth of information that was previously scattered and difficult to locate including a wide range of articles profiles reviews interviews liner notes and music analyses Ranging in date from 1947 to 1999 these 39 pieces feature the work of some of our best jazz critics including Leonard Feather Ira Gitler Nat Hentoff Andre Hodeir Gunther Schuller Martin Williams and many others The book spans Monk's childhood and early recordings with Blue Note and Prestige his Riverside period and the critical recognition that followed the release of Brilliant

Corners and his fame and fortune during his Columbia years Readers will find colorful descriptions of Monk s eccentric lifestyle as well as thoughtful commentary on his unorthodox piano technique which was marked by off center accents and idiosyncratic voicings broken rhythms alternately dense and stripped down chords and creative use of silence Rob van der Bliek also provides a general introduction and brief introductions to each piece as well as critical annotations that place the work in context Controversial often contradictory and always engaging these readings offer a complete view of the man his music and his time The only such book on Monk s life and work this volume will be must reading for jazz fans and scholars musicians music lovers and readers with an interest in African American culture **No Job? No Prob!** Nicholas Nigro,2008

In No Job No Prob business writer Nicholas Nigro shows readers how to convert unemployment lemons into refreshing lemonade Offering advice that is at once motivational when unemployment comes calling start walking and don t look back practical 20 ways to make yourself leave the house at least once a day and fun 20 things you can do with your retired briefcase No Job No Prob is the most well rounded and optimistic unemployment guide available It also includes useful quizzes that will help you take stock of what you have decide what you want and figure o **Advocacy Journalists** Edd Applegate,2009-05-11 This book focuses on the lives of journalists and editors who contributed to advocacy journalism Each entry contains biographical information about the journalists their professional careers major works and in some cases commentary on those works **JazzTimes** ,1998-05 JazzTimes has been published continuously since 1970 and is the recipient of numerous awards for journalisim and graphic design A large crossection of music afficionados and fans alike view JazzTimes as America s premier jazz magazine In addition to insightful profiles of emerging and iconic stars each issue contains over 100 reviews of the latest CDs Books and DVDs Published ten times annually JazzTimes provides uncompromising coverage of the American jazz scene *Duke Ellington* David Bradbury,2005 Radio broadcasts from the Cotton Club from 1927 onwards brought national recognition to Duke Ellington and his band recordings of his compositions particularly Saddest Tale Echoes of Harlem Black and Tan Fantasy and Mood Indigo spread their fame internationally

Readers' Liberation Jonathan Rose,2018 Readers Liberation addresses question of what we should be reading to obtain information examining how past readers encountered the same problems that today s readers face and how they dealt with them *Readers In Wonderland* Deborah O'Keefe,2004-08-03 O Keefe examines a wide range of children s fantasy books and draws on her own experiences as a sympathetic reader as well as on the views of psychologists and social theorists Readers in Wonderland ranges from William Steig s small picture books to J R R Tolkien s epic series from utopias like L Frank Baum s Oz to dystopias like Virginia Hamilton s Dustland from less known works like Patricia Wrightson s to the phenomenon that is J K Rowling s Harry Potter from time travel to parallel worlds and from magical transformations and wishes that come true to lonely journeys and huge battles of good against evil **BOOK JACKET** NEA Jazz Masters ,2008 CD contains over 40 Jazz Moments originally aired on XM Satellite Radio which include interviews musical samples historical

information and first person anecdotes The Miles Davis Reader Frank Alkyer, 2023-11-30 If you ever needed proof that a magazine can have a love affair with a musician you're holding it in your hands For DownBeat the preeminent publication of the jazz world Miles Dewey Davis was one of its most cherished subjects Since it began covering the jazz scene in 1939 no other artist has been more diligently chronicled in its pages than Davis The beauty of this collection is seeing the development of an artist over time The reviews of his music go from quietly introducing a new talent to revering perhaps the greatest jazz artist of his generation The feature articles begin with a very young very polite Davis lamenting I've worked so little I could probably tell you where I was playing any night in the last three years As he develops the interviews show Davis gaining confidence and stature showing swagger and becoming the over the top say it like it is showman that made every interview an event The Miles Davis Reader compiles more than 200 news stories feature articles and reviews by some of the greatest writers in jazz into one volume It delivers a patchwork of his words and music in the moment as they happened With several lengthy features added along with a dozen new photographs this new edition is a beautiful series of snapshots a year by year ride through the many phases of Davis as an artist and as a man **Alex Haley and the Books That Changed a Nation** Robert J. Norrell, 2015-11-10 This in depth biography chronicles the life career and enduring influence of the author of Roots and The Autobiography of Malcolm X A New York Times Sunday Book Review Editors Choice Alex Haley's influence on American society in the second half of the twentieth century cannot be overstated His two great works radically changed the way white and black Americans viewed each other and their country This biography follows Haley from his childhood in segregated Tennessee to the creation of those two seminal works and the fame and fortune that followed After discovering a passion for writing in the Navy Haley became a star journalist in the heyday of magazine profiles At Playboy he profiled everyone from Martin Luther King and Miles Davis to Johnny Carson and Malcolm X which led to their collaboration on The Autobiography of Malcolm X Roots was a more personal project for Haley The book and subsequent miniseries ignited an ongoing craze for family history and made Haley one of the most famous writers in the country This deeply researched biography delves into his literary craft his career as one of the first African American star journalists and the turbulent times in which he lived The Ralph Nader Reader Ralph Nader, 2000-11-07 Four generations of Americans have come to associate Ralph Nader with the political issues that have defined our age be it car safety in the 1960s or the anti WTO demonstrations that recently shut down Seattle His work has successfully shaped the Left increased government accountability made possible new laws and served as a powerful check against abuses of corporate power In this landmark collection the essays that reveal the intellectual social and political underpinnings of this legendary citizen advocate are brought together for the first time In The Ralph Nader Reader we follow the trajectory of Nader's concerns from 1956 to the present and his personal evolution from consumer advocate to presidential candidate The result is a monumental book an invaluable resource for anyone interested in a unique vision of democracy that places citizenship over consumerism

communities over corporations and public interest over private power Bob Dylan Bob Batchelor,2014-01-22 Bob Dylan transcends music He has established himself as one of the most important figures in entertainment history This biography examines the life and work of the iconic artist including his groundbreaking achievements of the last two decades In this thematically organized biography cultural historian and prolific biographer Bob Batchelor examines one of the most important yet elusive figures in modern history Rather than taking an exhaustive and cumbersome chronological approach to Bob Dylan s 50 plus year career the author focuses on the most significant aspects of his life and accomplishments This work examines the musician s life and career by placing him in the context of contemporary American history and culture Dylan s music and lyrics are at the center of the analysis while attention is also paid to how his image transformed as he moved from being the voice of a generation during the 1960s to becoming a bonafide rock and roll icon Readers will appreciate the book for its in depth scholarly coverage that remains readable and engaging and gain a full appreciation for Dylan s place in American history and cultural evolution Lessons in Censorship Catherine J. Ross,2015-10-19 American public schools censor controversial student speech that the Constitution protects Catherine Ross brings clarity to court rulings that define speech rights of young citizens and proposes ways to protect free expression arguing that the failure of schools to respect civil liberties betrays their educational mission and threatens democracy *Encyclopedia of American Civil Liberties* Paul Finkelman,2013-11-07 This Encyclopedia on American history and law is the first devoted to examining the issues of civil liberties and their relevance to major current events while providing a historical context and a philosophical discussion of the evolution of civil liberties Coverage includes the traditional civil liberties freedom of speech press religion assembly and petition In addition it also covers concerns such as privacy the rights of the accused and national security Alphabetically organized for ease of access the articles range in length from 250 words for a brief biography to 5 000 words for in depth analyses Entries are organized around the following themes organizations and government bodies legislation and legislative action statutes and acts historical overviews biographies cases themes issues concepts and events The Encyclopedia of American Civil Liberties is an essential reference for students and researchers as well as for the general reader to help better understand the world we live in today **Crisis** ,2002 A journal of lay Catholic opinion **Justice as Improvisation** Sara Ramshaw,2013-03-05 Justice as Improvisation The Law of the Extempore theorises the relationship between justice and improvisation through the case of the New York City cabaret laws Discourses around improvisation often imprison it in a quasi ethical relationship with the authentic singular other The same can be said of justice This book interrogates this relationship by highlighting the parallels between the aporetic conception of justice advanced by the late French philosopher Jacques Derrida and the nuanced approach to improvisation pursued by musicians and theorists alike in the new and emerging interdisciplinary field of Critical Studies in Improvisation CSI Justice as Improvisation re imagines justice as a species of improvisation through the formal structure of the most basic of legal mechanisms judicial decision making offering

law and legal theory a richer more concrete understanding of justice Not further mystery or mystique but a negotiation between abstract notions of justice and the everyday practice of judging Improvisation in judgment calls for ongoing practical decision making as the constant negotiation between the freedom of the judge to take account of the otherness or singularity of the case and the existing laws or rules that both allow for and constrain that freedom Yes it is necessary to judge yes it is necessary to decide but to judge well to decide justly that is a music lesson perhaps best taught by critical improvisation scholars

Lester Leaps In Douglas H. Daniels, 2003-02-17 He was jazz's first hipster He performed in sunglasses and coined and popularized phrases like that's cool and you dig He always wore a suit and his trademark porkpie hat He influenced everyone from B B King to Stan Getz to Allen Ginsberg creating a lyrical style of playing that forever changed the sound of the tenor saxophone In this groundbreaking biography of Lester Young 1909-1959 historian Douglas Daniels brings to life the man and his world and corrects a number of misconceptions Even though others have identified Young as a Kansas City musician Daniels traces his roots to the blues of Louisiana and his early years traveling with his father's band and the legendary Oklahoma City Blue Devils Later we see the jazz culture of New York in the early 1940s when Young was launched to national and international fame with the Count Basie Orchestra and began to accompany his close friend Billie Holiday After a year spent in an Army prison on a conviction for marijuana use Young made changes in his music but never lost his sensitivity or soul The first ever to gain access to Young's family and many musicians who performed with him Daniels reconstructs the world in which Young lived and played the racism that he and other black musicians faced the feeling of home and family that they created together on the road and what his music meant to black audiences Young emerges as a kind friend a loving parent and a gentle and sensitive man who had in the words of Reginald Scott the saddest eyes I ever saw

Library Journal, 2001

Whispering the Strategies of Language: An Emotional Journey through **Nat Hentoff Reader**

In a digitally-driven world wherever screens reign great and instant interaction drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within phrases frequently move unheard. However, located within the pages of **Nat Hentoff Reader** a captivating literary prize pulsing with organic thoughts, lies a fantastic quest waiting to be undertaken. Written by an experienced wordsmith, that charming opus encourages readers on an introspective trip, delicately unraveling the veiled truths and profound influence resonating within the very material of each and every word. Within the psychological depths of the emotional review, we shall embark upon a heartfelt exploration of the book's core subjects, dissect their charming writing design, and succumb to the powerful resonance it evokes deep within the recesses of readers' hearts.
