Nation Building And Community In Israel:

Nation-Building and Community in Israel Dorothy Willner, 2015-12-08 The author approaches the intricate process of nation building in Israel through an examination of transformations which took place within a major development sector rural land settlement during Israel's first decade of statehood Based on four years of observation in Israel the study analyzes the ways in which this state worked out the urgent problems that confront a new nation and demonstrates in vivid ethnographic detail how the policies thus formed made themselves felt in particular communities The result is a clear picture of the interaction of national planning and the realities of village life in post statehood Israel and an original contribution to the anthropology of complex societies Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Nation-Building and Citizenship Reinhard Bendix, 2017-07-05 Nation Building and Citizenship examines how states and civil societies interact in their formation of a new political community Reinhard Bendix directs our attention to relations established between individual and state during nation building While the development of citizenship and the interplay between tradition and modernity are important in this process of social and political change his key theme is the examination of authority patterns Bendix explores in depth the possibilities of an alternative approach to the neo evolutionary orientation many social scientists take in their analyses of the underdeveloped areas of the world The subjects he discusses include transformations of Western European societies since medieval times extension of citizenship to the lower classes bureaucratization in the nation state private and public authority in Western Europe and Russia aristocracies and development in Germany and Japan and the development of public authority in India's political community The book concludes with a reconsideration of ideas widely held about tradition modernity and modernization In a new introduction John Bendix writes that what continues to make this book relevant is not only what it can tell us about past and present nation building including the transformations of the 1980s and 1990s but its more general messages about the nature of social and political transformations Nation Building and Citizenship is a necessary addition to the libraries of political scientists sociologists historians and scholars of comparative studies

Politics and Society in Israel Ernest Krausz, 2017-09-29 This series of the Israeli Sociological Society whose object is to identify and clarify the major themes that occupy social research in Israel today gathers together the best of Israeli social science investigation that was previously scattered in a large variety of international journals Each book in the series is introduced by integrative essays Each volume focuses on a particular topic the first volume seeks out the dynamics of conflict and integration in a new society the second volume is concerned with the sociology of a unique Israeli social institution the

kibbutz The third volume presents sociological perspectives on political life and culture in Israel Articles by leading scholars deal with historical development political culture and ideology political institutions and behavior the social basis of politics and social change Volume III also includes a select bibliography Contributors to Volume III tentative Karl W Deutsch Yonathan Shapiro Dan Horowitz Moshe Lissak Daniel Elazar Asher Arian Charles Liebman Erik Cohen Yoram Peri Ephraim Yaar S Smootha **Israel's Changing Society** Calvin Goldscheider, 2019-03-13 This book provides the most up to date assessment of Israel's society today portraying the country's ethnic diversity its economy and demographic changes Revealing linkages between demographic transformation and socioeconomic change Goldscheider shows how ethnic group formation emerged in Israel to create the present mix of Jewish and Arab populations He also reviews the policies of Palestinian and Israeli governments concerning immigration describing the ways in which socioeconomic development within Israel urbanization and industrialization have evolved through the use of outside capital and increasing dependency The book reveals two unique sets of processes about Israel today The first concerns important changes in marriage family and intermarriage educational attainment and occupational achievement ethnic politics religion and the changing role of women A second but related concern pertains to the social and economic contexts of community life Here Goldscheider investigates rapid change among Israel's major urban centers towns and agricultural centers including the Kibbutz as well as Arab communities In concluding chapters the author discusses the role of government in shaping population policy including health fertility and contraceptive and abortion issues He also describes the influence of Jewish communities outside of Israel and the impact of the Middle East conflict with Arab states on Israel's domestic policy as well as the conflict with populations in territories administered by Israel since 1967 Likely to be a standard reference for years to come the book is essential reading for political scientists sociologists anthropologists and historians concerned with Israel's politics and society

Israeli Society in the Twenty-First Century Calvin Goldscheider, 2015-05-22 This volume illuminates changes in Israeli society over the past generation Goldscheider identifies three key social changes that have led to the transformation of Israeli society in the twenty first century the massive immigration of Jews from the former Soviet Union the economic shift to a high tech economy and the growth of socioeconomic inequalities inside Israel To deepen his analysis of these developments Goldscheider focuses on ethnicity religion and gender including the growth of ethnic pluralism in Israel the strengthening of the Ultra Orthodox community the changing nature of religious Zionism and secularism shifts in family patterns and new issues and challenges between Palestinians and Arab Israelis given the stalemate in the peace process and the expansions of Jewish settlements Combining demography and social structural analysis the author draws on the most recent data available from the Israeli Central Bureau of Statistics and other sources to offer scholars and students an innovative guide to thinking about the Israel of the future This book will be of interest to scholars and students of contemporary Israel the Middle East sociology demography and economic development as well as policy specialists in these

fields It will serve as a textbook for courses in Israeli history and in the modern Middle East

Sephardic Jewry and Mizrahi Jews Peter Y. Medding, 2008-02-15 Volume XXII of the distinguished annual Studies in Contemporary Jewry explores the major and rapid changes experienced by a population known variously as Sephardim Oriental Jews and Mizrahim over the last fifty years Although Sephardim are popularly believed to have originated in Spain or Portugal the majority of Mizrahi Jews today are actually the descendants of Jews from Muslim and Arab countries in the Middle East North Africa and Asia They constitute a growing proportion of Israeli Jewry and continue to revitalize Jewish culture in places as varied as France Latin America and the United States Sephardic Jewry and Mizrahi Jews offers a collection of new scholarship on the issues of self definition and identity facing Sephardic Jewry The essays draw on a variety of disciplines demography history political science sociology religious and gender studies anthropology and literature Contributors explore the issues surrounding the emergence and increasingly wide usage of Mizrahi in place of Sephardic as well as the invigoration of Sephardic Judaism They look at the evolution of Sephardic politics in Israel through the dramatic rise and continuing influence of the Shas political party and its spiritual leader Rabbi Ovadia Yosef Other contributors examine the variegated nature of Mizrahi immigration to Israel fictional portraits of female Mizrahi immigrants to Israel in the 1940s and 1950s contemporary Mizrahi Israel feminism modern Arab historiography s portrayal of Jews of Muslim lands and the changing Sephardic halakhic tradition

Military, State, and Society in Israel Dāñniyyā^{a1} Mamāñn, Eyal Ben-Ari, Zeev Rosenhek, There have been many books on the place of war security or military service in Israeli society The Military State and Society in Israel makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel s history and continues to do so The book encapsulates in a very explicit manner tensions

in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The Politics of Civil Military Relations concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The State and War Making Creating Citizens Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The Notion of National Security Institutions and Concepts raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel s existence are still relevant in a changing post cold war world The Armed Forces as Organization Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

Israel Yearbook on Human Rights, Volume 28 (1998) Fania Domb, Yoram Dinstein, 2021-10-11 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations Volume 28 contains amongst others articles on Non Belligerent Occupation War Crimes in Internal Conflict Disability Law in Israel and the United States A Comparative Perspective *Human Rights under State-Enforced Religious Family Laws in Israel, Egypt and India* Yüksel Sezgin, 2013-08-22 About one third of the world s population currently lives under pluri legal systems where governments hold individuals subject to the purview of ethno religious rather than national norms in respect to family law How does the state enforcement of these religious family laws

impact fundamental rights and liberties What resistance strategies do people employ in order to overcome the disabilities and limitations these religious laws impose upon their rights Based on archival research court observations and interviews with individuals from three countries Y ksel Sezgin shows that governments have often intervened in order to impress a particular image of subjectivity upon a society while people have constantly challenged the interpretive monopoly of courts and state sanctioned religious institutions re negotiated their rights and duties under the law and changed the system from within He also identifies key lessons and best practices for the integration of universal human rights principles into religious legal systems

Football and Community in the Global Context Adam Brown,Tim Crabbe,Gavin Mellor,2013-10-31 Football clubs across the world continue to embody many of the collective symbols identifications and processes of connectivity which have long been associated with the notion of community In recent years however the very term community has become the focus of renewed interest within popular discourse and amongst academics politicians and policy makers It has become something of a buzz word wheeled out as both a lament to more certain times and as an appeal to a better future a term imbued with all the richness associated with human interaction Community has also been employed increasingly within football for instrumental reasons concerned with policy and stadium redevelopment and in broader rhetoric about clubs their localities and fans This book brings together a range of key debates around contemporary understandings of community in world football Split into four sections it considers political and theoretical debates around football and its connection with community different national and ethnic football communities instrumental uses of football to bridge gaps within and between groups future directions in the football and community debate This book was published as a special issue of Soccer Society

Toward an Anthropology of Nation Building and Unbuilding in Israel Fran Markowitz,Stephen Sharot,Moshe Shokeid,2015 Toward an Anthropology of Nation Building and Unbuilding in Israel presents twenty two original essays offering a critical survey of the anthropology of Israel inspired by Alex Weingrod emeritus professor and pioneering scholar of Israeli anthropology In the late 1950s Weingrod s groundbreaking ethnographic research of Israel s underpopulated south complicated the dominant social science discourse and government policy of the day by focusing on the ironies inherent in the project of Israeli nation building and on the process of migration prompted by social change Drawing from Weingrod s perspective this collection considers the gaps ruptures and juxtapositions in Israeli society and the cultural categories undergirding and subverting these divisions Organized into four parts the volume examines our understanding of Israel as a place of difference the disruptions and integrations of diaspora the various permutations of Judaism and the role of symbol in the national landscape and in Middle Eastern studies considered from a comparative perspective These essays illuminate the key issues pervading motivating and frustrating Israel s complex ethnoscape

Women in Israel Doctor Nahla Abdo,2013-07-04 Women in Israel provides a fresh gendered analysis of citizenship in Israel Working from a framework of Israel as a settler colonial regime this important insightful book presents historical and

contemporary comparative approaches to the lives and experiences of Ashkenazi Mizrahi and Palestinian Arab women citizens Nahla Abdo shows that no solution to the problems of the region can be found without changing existing racial and gender boundaries to citizenship

Israel's Reprisal Policy, 1953-1956 Ze'ev Drory, 2012-12-06 Following Israel's War of Independence in 1948 and 1949 the anticipated peace did not materialize and the new nation soon found itself embroiled in protracted military conflict with neighbouring Arab states Demobilization of its armed forces led to the formation of special elite unit under the command of Ariel Sharon to cope with cross border infiltration pillage and murder A policy of deterrence was governed by the tactic of retaliation which contained the seeds of escalation At the same time a military dynamic unfolded in which the logic of field unit response dictated both military and political policy and caught the imagination of a demoralized and war weary Israeli society The myth of the Israeli paratroopers at the beginning of the 1950s and their heroic deeds in the reprisal raids embodied the new Zionist ethos for which the current Prime Minister of Israel Ariel Sharon claims much of the credit The book thus provides historical insight into some of the most intractable developments of the current Arab Israeli conflict

Law and the Culture of Israel Menachem Mautner, 2011-01-27 Menachem Mautner offers a compelling account of Israeli law as a site for the struggle over the shaping of Israeli culture On the one hand a secular liberal group wishes to associate Israel with Western culture and to link Israeli law to Anglo American liberalism On the other hand a religious group wishes to associate Israeli culture with traditional Jewish culture and to found Israeli law on traditional Jewish law The struggle between secular and religious Jews has been part of the life of the Jewish people in the past 300 years It resurged in the 1970s with the rise of religious fundamentalism and the decline of the political and cultural hegemony of the Labor movement The secular group reacted by shifting much of its political action to the Supreme Court which since the establishment of the state has been the state organ most identified with entrenching liberal values in the country's political culture In a short span of time in the early 1980s the Court effected extensive changes in its jurisprudence most strikingly adoption of sweeping judicial activism which is widely regarded as the most far reaching in the world The Court's activism provided the secular group with the means for intervening in decisions of the state branches over which the group had lost control With Arabs being a fifth of the country's population an additional divide in Israel is that between Jews and Arabs Drawing on notions of multiculturalism political liberalism and republicanism the book offers fresh insights as to how to manage Israel's divisive situation

Israel S. Ilan Troen, Noah Lucas, 2012-02-01 Israel presents a panoramic display of fresh interpretations and new research findings related to Israel's first decade of independence Those years of rapid change are widely regarded as a formative period in the development of the state and the society As new archival materials have become available for scrutiny a new generation of historians and social scientists has begun to re-examine old issues and to raise new questions In this context of academic ferment scholars in diverse disciplines of different generations and of opposing ideological orientations have collaborated in this book in examining the period anew Thirty two authoritative essays

offer new understandings from the diverse perspectives of history political science sociology literary criticism geography anthropology and law The intention is to provide a wide ranging reconsideration of post independence Israel that will serve as a benchmark for future study and research

Society and Settlement Aharon Kellerman, 2012-03-21 This book scrutinizes the interrelationships between Jewish spatial organization and social structure and change in Palestine Israel Kellerman analyzes the development of nationwide and regional settlements and reasons for spatial and territorial choices such as cooperative villages He uncovers the extreme differences between the old and the new in Jewish settlement patterns and discusses the implications for cultural development economic functions urban spirit and international status in evolving Israeli society

Military, State, and Society in Israel Eyal Ben-Ari, 2018-04-17 There have been many books on the place of war security or military service in Israeli society The *Military State and Society in Israel* makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel's history and continues to do so The book encapsulates in a very explicit manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population

Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The *Politics of Civil Military Relations* concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The *State and War Making Creating Citizens Soldiers and Men and Women* indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The *Notion of National Security Institutions and Concepts* raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post cold war world The *Armed Forces as Organization Continuity and Change* focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure Studies based on Israeli cases data and

scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

Public Relations and Nation Building Margalit Toledano, David McKie, 2013-09-02 All public relations emerges from particular environments but the specific conditions of Israel offer an exceptional study of the accelerators and inhibitors of professional development in the history of a nation Documenting and analyzing the contribution of one profession to building one specific nation this book tells the previously untold story of Israeli public relations practitioners It illustrates their often unseen often unacknowledged and often strategic shaping of the events narratives and symbols of Israel over time and their promotion of Israel to the world It links the profession s genesis including the role of the Diaspora and early Zionist activists to today s private and public sector professionals by identifying their roots in Israel s cultural economic media political and social systems It reveals how professional communicators and leaders nurtured and valued collectivism high consensus solidarity and unity over democracy and free speech It investigates such key underpinning concepts as Hasbara and criticizes non democratic and sometimes unethical propaganda practices It highlights unprecedented fundraising and lobbying campaigns that forged Israeli identity internally and internationally In situating Israeli ideas on democracy in the context of contemporary public relations theory *Public Relations and Nation Building* seeks to point ways forward for that theory for Israel and for the public relations of many other nations

Nation Building And Community In Israel Introduction

In today's digital age, the availability of Nation Building And Community In Israel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nation Building And Community In Israel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nation Building And Community In Israel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nation Building And Community In Israel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nation Building And Community In Israel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nation Building And Community In Israel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nation Building And Community In Israel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nation Building And Community In Israel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nation Building And Community In Israel books and manuals for download and embark on your journey of knowledge?
