Bulletin ... Ohio State Library,1911 **Thomas Moran** Thurman Wilkins,1998 This extensively revised edition of Thurman Wilkins s masterful and engaging biography well illustrated in color and black and white draws on new information and recent scholarship to place Thomas Moran more securely in the milieu of the Gilded Age It also portrays more fully the controversies that surrounded the art of Moran s time as he became the Dean of American Painters The American West was the subject of Thomas Moran s greatest artistic triumphs Yosemite the Grand Canyon of the Colorado Zion Canyon the Virgin River Colorado s Mountain of the Holy Cross and the Grand Tetons but his travels with Ferdinand V Hayden s geological surveys of the Upper Yellowstone were matched by trips to his native Britain and to Venice Florida the Spanish Southwest and Old Mexico These scenes inspired memorable landscapes and seascapes as did the sojourns of the Moran family in

Pennsylvania New Jersey and East Hampton Long Island when they retreated from the demands of the New York art scene In the 1880s Moran and his artist wife Mary Nimmo Moran also threw themselves into the etching craze of the period creating some of the finest prints produced in the United States Moran was an artist happy in his work He wrote I have always held that the grandest most beautiful or wonderful in nature would in capable hands make the grandest most beautiful or wonderful pictures The New York Times said of the first edition of this unique account of his life Moran s mastery comes through clearly and awesomely and often pleurably Readers will find the new edition equally enjoyable
