The Explorers ,1988-01-01 Documents the first hundred years of exploration by the National Geographic Society and those who sponsor it around the world

**Gender on Ice** Lisa Bloom,1993 In this book Bloom takes what might seem a very localized subject and shows how it opens up to all the central questions today in cultural studies around gender nationhood the politics of imperialism race male homosocial behavior and the sociality of science Gender on Ice has an eloquence and elegance that positively refreshing and the prose is stylish engaging and direct Dana Polan University of Pittsburgh

*New York Magazine* ,1989-12-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**Catalog of Visual Media** Suburban Library System (Burr Ridge, Ill.). Audio Visual Service,1995 Library Journal ,1988-07

Adventure Journalism in the Gilded Age Katrina J. Quinn,Mary M. Cronin,Lee Jolliffe,2021-07-13 These new essays tell the stories of daring reporters male and female sent out by their publishers not to capture the news but to make the news indeed to achieve star billing and to capitalize on the Gilded Age public s craze for real life adventures into the exotic and unknown They examine the adventure journalism genre through the work of iconic writers such as Mark Twain and Nellie Bly as well as lesser known journalistic masters such as Thomas Knox and Eliza Scidmore who took to the rivers and oceans mineshafts and mountains rails and trails of the late nineteenth century shaping Americans perceptions of the world and of themselves

**The 21st-Century Voter** Guido H. Stempel III,Thomas K. Hargrove,2015-12-14 This comprehensive reference covers all aspects of politics and voting from elections and campaigns to major political figures and parties to the role of media and major activist groups As America s population changes so do its political trends This insightful resource captures the evolution of American politics and elections in the 21st century explaining the identities and roles of lobbyists activists politicians and voters Featuring contributions from distinguished researchers and academics in the areas of political science social science and journalism this encyclopedia explores the contemporary political landscape offering an opportunity to compare and contrast related decisions events and statistical information from the recent past Informative background essays explore all aspects of voting related politics and policy evolving electoral trends and the issues that account for those changes and the impact of the ever changing composition of America s population on polling and elections This work incorporates the results of the 2012 elections thus providing important insights into modern voting trends and their meaning for the future of the United States

**The Lost Teachings of Atlantis** Jon Peniel,1997-07-06 This is the account of an American teenager who discovered a monastery in Tibet that was the inspiration for the legend of Shangri La It might be categorized as a new age or philosophy book like the Celestine Prophecy since it focuses on his

spiritual training and their teachings in a novel like format Hard to believe but interestingly the sub tropical region amongst the Himalayas that he describes finding was later documented by explorers from National Geographic then covered up there is still evidence of this Also interesting is that the author was apparently mentioned in the Edgar Cayce readings the famous American psychic whose books have sold millions of copies as someone who would one day bring an important message to the world

**Literacy for the 21st Century** Gail Tompkins, Rod Campbell, David Green, Carol Smith, 2014-08-01 Literacy for the 21st Century 2e gives students the strategies and ability to teach literacy effectively in Australian classrooms Linking the theory and research to classroom practice and with a greater emphasis on the use of digital literacies students will gain a practical understanding of teaching reading and writing

**Encyclopedia of Twentieth-Century Photography, 3-Volume Set** Lynne Warren, 2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included

**National Geographic Concise History of the World** Neil Kagan, 2013 A chronology of world history ranges from the dawn of humankind to the present day examining important events milestones ideas and personalities that occurred simultaneously in different regions of the world

**From Ganges to the Andes: My Journey to Machu Picchu** Tarun Majumder , Join the author as he navigates complex travel logistics explores vibrant cities like Madrid and New York and delves deep into the rich history and breathtaking landscapes of Peru Along the way he forms meaningful connections with diverse characters each adding depth and warmth to his journey From the challenges of high altitude trekking to the awe inspiring beauty of ancient Inca ruins every page is a testament to the transformative power of travel This memoir is not just about reaching a destination it s about the stories experiences and discoveries that make the journey truly unforgettable

**Animal Fiction in Late Twentieth-Century Canada** Alice Higgs, 2023-11-09 Animal Fiction in Late Twentieth Century Canada fulfils a vital contribution to the conversation surrounding animal representation as a point of continuity in national narratives and supports the idea that focusing on narratives of responsibility and care influences better relations with both non human animals and across settler Indigenous boundaries Alice Higgs engages with on going debates regarding reconciliation by demonstrating that it is imperative to critique settler colonial environmental frameworks and place autonomy back into Indigenous communities by bringing Indigenous practices of custodianship and relationality to bear more generally This book also develops a number of conversations in animal studies in relation to the politics of representation

Higgs studies a range of canonical Canadian authors demonstrating a progress across the period in which it is possible to identify the emergence of a literary pro animal turn      **The National Geographic Magazine** ,1912      **Bowker's Complete Video Directory** ,2000      **Virtual Voyages** Jeffrey Ruoff,2006-01-24 The different forms that travelogues have taken documentaries IMAX home movies ethnographic films from the 1800s to the present      **Robert Ballard** Lisa Yount,2009      Expedition into Empire Martin Thomas,2014-09-04 Expeditionary journeys have shaped our world but the expedition as a cultural form is rarely scrutinized This book is the first major investigation of the conventions and social practices embedded in team based exploration In probing the politics of expedition making this volume is itself a pioneering journey through the cultures of empire With contributions from established and emerging scholars Expedition into Empire plots the rise and transformation of expeditionary journeys from the eighteenth century until the present Conceived as a series of spotlights on imperial travel and colonial expansion it roves widely from the metropolitan centers to the ends of the earth This collection is both rigorous and accessible containing lively case studies from writers long immersed in exploration travel literature and the dynamics of cross cultural encounter      *Down with the Old Canoe* Steven Biel,2012-03-14 Brimming over with wit and insight Fresh and fascinating Dan Rather Everyone from suffragists to their opponents radicals reformers and capitalists critics of technology and modern life racists and xenophobes and champions of racial and ethnic equality editorial writers and folk singers preachers and poets found moral and cultural lessons in the sinking of the Titanic In a new edition that both commemorates the one hundredth anniversary of the disaster and elaborates in a revised afterword on the ship s continued impact on the public imagination evidenced by the Titanic mania evoked by James Cameron s 1997 film Steven Biel explores the Titanic in all its complexity and contradictions      **Traders and Explorers in Wooden Ships: Muslims in the Age of Exploration** Susan Douglass,1995-01-01 This unit is offered to upper elementary students as an introductory chapter to their first comprehensive study of American history It may also be used as an adjunct to study of the European Age of Exploration in world history courses for upper elementary and middle school grades It can be used as a supplement to or substitute for the textbook chapter which discusses America s origins in the Old World It provides background for the period in which Europe reached out across the globe for the first time This treatment attempts to go beyond the heroism and adventure stories about the Age of Exploration Most textbook treatments of the period utterly fail to place Europe in the context of its cultural and technological development relative to other civilizations This unit shows how the Islamic lands formed a hinge between East and West It investigates the major motivations and development of the technological means for exploration It goes beyond the stereotyped image of conflict between Christians and Muslims to explain the fruitful cultural exchange which occurred over the centuries It demonstrates how the cosmopolitan character of the Islamic civilization united the Old World in interdependence contributing to Europe s later technological scientific cultural and economic achievements Finally the unit shows how all technological and historic advances in human civilization are

cumulative efforts to which many peoples have made important contributions
