European Integration in the Twenty-First Century Mary Farrell, Stefano Fella, Michael Newman, 2002-03-28 European Integration in the Twenty First Century provides a comprehensive overview of the many dimensions and challenges to the on going European integration project It employs a number of interdisciplinary perspectives to review processes of both unity and disunity providing the reader with a complete snapshot of contemporary European integration in its variety of settings

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 *Motivating Students for Lifelong Learning* OECD, 2000-05-19 This review of eight countries offers innovative schemes that appear to be developing the skills and attitudes necessary for lifelong learning Comptes Nationaux Trimestriels Organisation for Economic Co-operation and Development. Department of Economics and Statistics, 2000

Inequality, Economic Growth, and Technological Change Volker Grossmann, 2012-12-06 The book examines the relationship between inequality growth and technological progress It provides a broad overview of the existing literature and introduces specific innovative aspects about the impact of inequality and redistribution on growth when growth is driven by human or physical capital investments as well as the impact of technological progress and accumulation on the distribution of earnings There is a special focus on the role of social comparison redistributive taxation and new information technologies for the relationship between inequality and growth The analytical part of the book mainly consists of endogenous growth models Investing Today for the World of Tomorrow

Deutsche Bundesbank, 2012-12-06 Investment is crucial to the development of a nation s economy and welfare In contrast to the situation in the United States investment activity in Europe has been quite modest over the past few years This volume gathers together a number of papers by prominent researchers in the field of investment It provides an overview of recent developments in this area and presents new empirical findings on the determinants and implications of the investment process in European countries Among the topics examined are the role played by taxation uncertainty and the financial systems as well as the relevance of corporate governance to the investment process Two chapters are dedicated to infrastructure investment and foreign direct investment **Subject Guide to Books in Print** , 1991 *The World*

Economy Angus Maddison, 2007 **Welfare in East and West** Bela Tomka, 2015-04-28 Bislang war Ungarn in der vergleichenden Wohlfahrtsstaatsforschung kaum beachtet worden Das Buch des an der Universit t Szeged Ungarn lehrenden Autors beschreibt nun die Entwicklung des ungarischen Wohlfahrtsstaates im 20 Jahrhundert einschlie lich der kommunistischen ra und analysiert insbesondere deren konvergierenden und divergierenden Grundz ge in einem westeurop ischen vergleichenden Kontext Neben der Ausgabenentwicklung wird auch die Entwicklung von Institutionen und sozialen Rechten untersucht **Transition, Taxation and the State** Gerard Turley, 2017-11-30 In economic terms three of the most important and controversial issues of our times are transition taxation and the role of the state This book examines the core associated problems of tax payment and collection in the context of transition from a centrally planned economy to a market

economy and the persistence of the soft budget constraint While differences between the experiences of transition states vary the attitude of the state towards the control of the tax discipline its efficiency and vulnerability to corruption is shown to be a key issue in particular when political constraints are often more pressing than tax design or economic constraints Transition Taxation and the State will prove detailed and enlightening reading for all those concerned with tax administration in transition countries from both economic and political perspectives OECD Historical Statistics Organisation for Economic Co-operation and Development Staff,2000 This annual publication provides an overview of the economic development of OECD countries since 1960 The tables mainly show derived statistics such as growth rates and percentage shares *Der Sozialstaat an der Jahrtausendwende* Engelbert Theurl,2013-07-01 Statistics of National Accounts ,1960

The Future of U.S. Capitalism Frederic L. Pryor,2002-02-11 It explains what will happen to US enterprise markets and the government in forthcoming decades **Books in Print** ,1991 **Politická ekonomie** ,2000 Rossii i strany mira ,2000 *Россия и страны мира* Gosudarstvennyï komitet Rossiïskoï Federatsii po statistike,2000 **The OECD Observer** Organisation for Economic Co-operation and Development,1999 *The Public Financing of Pharmaceuticals* Jaume Puig-Junoy,2005 This book provides a complete approach to the economics of financing medicines and policy implications for the efficiency and equity of health systems In all health systems with majority public financing pharmaceutical reimbursement is one of the key factors in policies of change and transformation of health services in order to face the future with guarantees of financial sustainability The initial chapters seek to answer questions about the efficiency with which the public sector intervenes in the pharmaceutical industry Is the present system of drug patents efficient and fair What would be the best way to control drug prices Is it possible to encourage competition in this market for the patient s benefit The remainder of the book provides evidence on the impact of instruments and policies aimed at rationalising and controlling pharmaceutical expenditure What can we expect from the application of reference pricing systems When how and where should the user be made to share the cost of medicines What economic and non economic incentives should be applied to drug prescription Jaume Puig Junoy has performed an invaluable task in creating a cohesive and analytically rigorous book of specially commissioned chapters on this pertinent topic The Public Financing of Pharmaceuticals will appeal to academics and researchers involved in public finance health policy health economics industrial organisation and the pharmaceutical markets in Europe and in the US where there is increasing public interest in drug coverage The book is also intended for a wide variety of professionals in the health industries and policymakers
