

National Labor Movements In The Postwar

Andrew Gordon

National Labor Movements In The Postwar:

National Labor Movements in the Postwar World Everett Malcolm Kassalow, 1963 **National Labor Movements in the Postwar World**. Ed. by Everett M. Kassalow. [Forew. by Ralph N. Campbell]., 1963 **Encyclopedia of U.S. Labor and Working-class History** Eric Arnesen, 2007 Publisher Description **National Labor Movements in the Postwar World**, 1963 *Political Oppositions in Western Democracies* Robert A. Dahl, 1966-03-11 The idea that the opposition has a right to organize and to appeal for votes against the government in elections and in parliament is one of the most important milestones in the development of democratic institutions Mr Dahl and nine collaborators analyze the role of the opposition in Austria Belgium France Germany Great Britain Italy the Netherlands Norway Sweden and the United States In introductory and concluding chapters Dahl compares the patterns of opposition in these countries and makes predictions for the future He carries forward on the basis of this evidence the theory of a pluralistic society he has explored in earlier books such as *Who Governs* Mr Dahl is Sterling Professor of Political Science at Yale University His collaborators are Samuel Barnes Hans Daalder Frederick Engelmann Alfred Grosser Otto Kirchheimer Val R Lorwin Allen Potter Stein Rokkan and Nils Stjernquist This stately volume is distinguished by several unusual features First it straightforwardly focuses on a crucial issue of Comparative Politics without being vitiated by the familiar behaviorist semantics and jargon Secondly contrary to the ubiquitous trend in this country flooded by discussion more journalistic than scientific on the emergent states it centers on constitutional democracy in Western Europe a region which for a decade and more had been badly neglected by the rampant computerizers Thirdly for the ten countries under discussion Professor Dahl was fortunate to enlist the services of genuine experts the majority of whom are specialists in their field On the whole the volume is one of the major contributions to Comparative Politics that have appeared in this country for some time The study of the issue as such as well as of the individual reviews is highly rewarding Karl Loewenstein *The Annals* **The Labor Movement in the United States, 1860-1895** Norman Ware, 1929 Selected bibliography p 393 397 **Post-war Economic Policy and Planning** United States. Congress. House. Special Committee on Post-War Economic Policy and Planning, 1945 *Organising under the Revolution* Jafar Suryomenggolo, 2013-02-01 The years 1945 48 marked the peak of the Indonesian revolution but they were also formative years for the state labour relationship in modern Indonesia Drawing on a wide range of historical sources Jafar Suryomenggolo reconstructs labour s initial drive to form and orient unions during this critical period The historical narrative captures early unions nationalist spirit and efforts to defend members socio economic interests and shows the steps taken by the labour movement to maintain its independence and build institutional capacity within the new Indonesian state *Organising under the Revolution* challenges the prevailing assumptions that see labour movements as political arms of the post colonial state The author s conclusions provide a comparative lens for the study of labour movements in Southeast Asia and developing countries in general **Labor's Outcasts** Andrew J. Hazelton, 2022-09-13 In the mid twentieth century

corporations consolidated control over agriculture on the backs of Mexican migrant laborers through a guestworker system called the Bracero Program The National Agricultural Workers Union NAWU attempted to organize these workers but met with utter indifference from the AFL CIO Andrew J Hazelton examines the NAWU s opposition to the Bracero Program against the backdrop of Mexican migration and the transformation of North American agriculture His analysis details growers abuse of the program to undercut organizing efforts the NAWU s subsequent mobilization of reformers concerned by those abuses and grower opposition to any restrictions on worker control Though the union s organizing efforts failed it nonetheless created effective strategies for pressuring growers and defending workers rights These strategies contributed to the abandonment of the Bracero Program in 1964 and set the stage for victories by the United Farm Workers and other movements in the years to come

National Labor Movements in the Postwar World. Ed. by E.M. Kassalow. [Forew. by R.N. Campbell. With Contribs of D.J. Saposs, A.L. Steinbach, G. Lichtblau A.o.]. E. M. Kassalow, R. N. Campbell, D. J. Saposs, A. L. Steinbach, G. Lichtblau, 1963

Encyclopedia of U.S. Political History Andrew Robertson, Michael A. Morrison, William G. Shade, Robert Johnston, Robert Zieger, Thomas Langston, Richard Valelly, 2010-04-01 Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and

constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader's guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877

VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era

VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt's presidency the Supreme Court's conservative traditions and a new judicial outlook

VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War

VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly

Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered *Modern Japan* James L.

Huffman,2013-10-31 A valuable companion reference Concentrating on the period following Admiral Perry's visit in the 1850s the encyclopedia examines the historical events leaders and societal pressures in the country's recent past that affected Japan's entry into the modern age Like its companion volume the encyclopedia covers important political topics the arts religion business literature education journalism and other major social cultural and economic forces Looks at the emperor and nationalism Emphasizing the close ties that always existed between the emperor system and nationalism the encyclopedia carefully explores the various forms of nationalism that flourished since the middle of the last century discusses how the supernaturalism of the beginning of the century ultimately led to World War II looks at the uniquely Japanese custom of national self analysis and examines the country's remarkable postwar market building economic nationalism Charts major influences and contemporary concerns The Encyclopedia brings together in a single volume the major themes and currents that influenced and shaped Japan into a modern economic giant Ranging over the entire spectrum of modern Japanese history expert contributors provide concise entries on specific episodes and individuals as well as longer articles on broad topics such as militarism labor cinema censorship and returning students The Encyclopedia also examines many of the forces driving Japan today trade relationships attitudes towards World War II the role of national defense whether to revise the constitution dealing with unskilled foreign labor and more All major entries are followed by an English language bibliography for pursuing subjects in depth **Equality** Charles Postel,2024-09-04 An in depth study of American social

movements after the Civil War and their lessons for today by a prizewinning historian The Civil War unleashed a torrent of claims for equality in the chaotic years following the war former slaves women's rights activists farmhands and factory workers all engaged in the pursuit of the meaning of equality in America This contest resulted in experiments in collective action as millions joined leagues and unions In *Equality An American Dilemma 1866 1886* Charles Postel demonstrates how taking stock of these movements forces us to rethink some of the central myths of American history Despite a nationwide push for equality egalitarian impulses oftentimes clashed with one another These dynamics get to the heart of the great paradox of the fifty years following the Civil War and of American history at large Waves of agricultural labor and women's rights movements were accompanied by the deepening of racial discrimination and oppression Herculean efforts to overcome

the economic inequality of the first Gilded Age and the sexual inequality of the late Victorian social order emerged alongside Native American dispossession Chinese exclusion Jim Crow segregation and lynch law Now as Postel argues the twenty first century has ushered in a second Gilded Age of savage socioeconomic inequalities Convincing and learned Equality explores the roots of these social fissures and speaks urgently to the need for expansive strides toward equality to meet our contemporary crisis

National Review's Literary Network Stephen Schryer, 2024-01-23 National Review's Literary Network traces the careers of novelists journalists and literary critics who wrote for William F Buckley Jr's National Review In the 1950s the magazine sought to establish itself as a conservative alternative to liberal journals like Partisan Review To do so it needed a robust book review section featuring nationally recognized writers Between the 1950s and the 1980s Whittaker Chambers John Dos Passos Hugh Kenner Guy Davenport Joan Didion Garry Wills and D Keith Mano wrote for the magazine The magazine boosted their careers and they in turn helped make Buckley's version of conservatism respectable In the pages of National Review and elsewhere these writers fashioned a body of literary work that takes up and refracts right wing concerns about tradition religion and personal liberty Uncovering a neglected part of post World War II American literary history Stephen Schryer highlights these writers enduring impact on movement conservatism Believing in the power of intellectuals Buckley and his fellow editors argued that the academy the media and other institutions had been taken over by a liberal establishment that sought to impose its ideas on the nation They wanted to establish a network of institutional counter circuits staffed by conservatives The magazine's literary intellectuals contributed to this effort helping conservatives present themselves as a counter elite sheltering traditional humanities based knowledge within a technocratic welfare state In so doing they facilitated the magazine's assault on the very possibility of expertise ushering in the fragmented epistemological landscape that has characterized the United States since the late 1960s

Postwar Japan as History Andrew Gordon, 1993-10-20 As they examine three related themes of postwar history the authors describe an ongoing historical process marked by unexpected changes such as Japan's extraordinary economic growth and unanticipated continuities such as the endurance of conservative rule From publisher's description

National Labor Movements In The Postwar Introduction

In the digital age, access to information has become easier than ever before. The ability to download National Labor Movements In The Postwar has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download National Labor Movements In The Postwar has opened up a world of possibilities. Downloading National Labor Movements In The Postwar provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading National Labor Movements In The Postwar has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download National Labor Movements In The Postwar. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading National Labor Movements In The Postwar. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading National Labor Movements In The Postwar, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download National Labor Movements In The Postwar has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About National Labor Movements In The Postwar Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. National Labor Movements In The Postwar is one of the best book in our library for free trial. We provide copy of National Labor Movements In The Postwar in digital format, so the resources that you find are reliable. There are also many Ebooks of related with National Labor Movements In The Postwar. Where to download National Labor Movements In The Postwar online for free? Are you looking for National Labor Movements In The Postwar PDF? This is definitely going to save you time and cash in something you should think about.
