## National Trust Of Great Houses Of Britain:

*The National Trust Book of Great Houses of Britain* Nigel Nicolson,1983      British Sources of Information P. Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual      The National Trust James Lees-Milne,1948      Fodor's Great Britain Linda Cabasin,2007 Detailed and timely information on accommodations restaurants and local attractions highlight these updated travel guides which feature all new covers a two color interior design symbols to indicate budget options must see ratings multi day itineraries Smart Travel Tips helpful bulleted maps tips on transportation guidelines for shopping excursions and other valuable features Original      *The British Country House Revival* Ben Cowell,2024 British country houses have experienced a renaissance since the early 1970s A new accord is needed today recognising the increasingly contested contribution of country houses to British cultural life Fifty years ago the future for country houses in Britain looked bleak The Victoria Albert Museum s exhibition *The Destruction of the Country House* which opened in October 1974 charted the loss of over a thousand country houses in the preceding century The makers of the exhibition warned that history could be about to repeat itself because of the threats besetting mansion properties principally from higher taxation Houses faced the prospect of having to be stripped of their collections and sold for use as offices hotels or hospitals with their parks and gardens turned into golf clubs Government might afford to save just a handful of the most significant of these places working in tandem with charities such as the National Trust The rest would be consigned to history This book traces the history of country houses in Britain from the *Destruction* exhibition to the present day The wave of country house losses anticipated in 1974 never actually happened Instead over the next five decades Britain s country houses experienced a renaissance Fiscal rules changed in the mid 1970s to make it easier for owners to hold on to their assets Economic improvements in the 1980s and 1990s allowed many houses and estates to develop profitable commercial businesses All of this was achieved only after dedicated campaigning from heritage organisations in support of the country house cause The book argues that a new accord is needed today to recognise and value the ongoing if increasingly contested contribution of country houses to British life and culture in the twenty first century      **History, Performance and Conservation** Barry Bridgwood,Lindsay Lennie,2013-09-13 Ideal for students of architectural technology this volume of the *Technologies of Architecture* series covers the technologies available and the processes necessary for the conservation of existing buildings and environments This book provides in a single text the tools for students to be able to evaluate such buildings as well as an extensive

understanding of the mechanisms which cause their deterioration and knowledge of the technologies available to correct their status The ever higher standards set for buildings especially in energy conservation contexts demand that practitioners appreciate how the performance of existing structures can be enhanced which is also covered Considering the work of conservation within a holistic perspective and historical context this book is additionally invaluable for architecture and construction students

**Sound Heritage** Jeanice Brooks,Matthew Stephens,Wiebke Thormählen,2021-12-30 Sound Heritage is the first study of music in the historic house museum featuring contributions from both music and heritage scholars and professionals in a richly interdisciplinary approach to central issues It examines how music materials can be used to create narratives about past inhabitants and their surroundings including aspects of social and cultural life beyond the activity of music making itself and explores how music as sound material and practice can be more consistently and engagingly integrated into the curation and interpretation of historic houses The volume is structured around a selection of thematic chapters and a series of shorter case studies each focusing on a specific house object or project Key themes include Different types of historic house including the case of the composer or musician house what can be learned from museums and galleries about the use of sound and music and what may not transfer to the historic house setting Musical instruments as part of a wider collection questions of restoration and public use and the demands of particular collection types such as sheet music Musical objects and pieces of music as storytelling components and the use of music to affectively colour narratives or experiences This is a pioneering study that will appeal to all those interested in the intersection between Music and Museum and Heritage Studies It will also be of interest to scholars and researchers of Music History Popular Music Performance Studies and Material Culture

**A Visitor's Guide to A History of Britain** Martin Davidson,2002-09-16 A companion to the acclaimed BBC History Channel series Cover The English Country House Garden George Plumptre,2018-10-02 This book will inspire and delight the stories of these gardens so compellingly captured by George Plumptre make the reader stop and tarry awhile marvelling at the energy the vision and the passion of the people who created gardens such as Hidcote Sissinghurst and Great Dixter The English Garden A feast of horticulture and Englishness House here is a space to wander and relax to share secrets and above all to enjoy afternoon tea But even the most peaceful of gardens also take passion and hard work to create This new book takes a fresh look at the English country house garden starting with the owners and the stories behind the making of the gardens Glorious photographs capture the gardens at their finest moments through the seasons and a sparkling and erudite text presents twenty five gardens some grand some personal some celebrated some never before photographed to explore why this garden style has been so very enduring and influential From the Victorian grandeur of Tyntesfield and Cragside to the Arts from Scampston in the same family since the 17th century to new gardens by Dan Pearson and Tom Stuart Smith and with favourites such as Hidcote and Great Dixter alongside new discoveries this book will be a delicious treat for garden lovers

**Kingdom** Linda Young, 2016-12-13 *Historic House Museums in the United States and the United Kingdom A History* addresses the phenomenon of historic houses as a distinct species of museum Everyone understands the special nature of an art museum a national museum or a science museum but house museum nearly always requires clarification In the United States the term is almost synonymous with historic preservation in the United Kingdom it is simply unfamiliar the very idea being conflated with stately homes and the National Trust By analyzing the motivation of the founders and subsequent keepers of house museums Linda Young identifies a typology that casts light on what house museums were intended to represent and their significance or lack thereof today This book examines heroes houses once inhabited by great persons e g Shakespeare s birthplace Washington s Mount Vernon artwork houses national identity as specially visible in house design style and technique e g Frank Lloyd Wright houses Modernist houses collectors houses a microcosm of collecting in situ domesticu subsequently presented to the nation as the exemplars of taste e g Sir John Soane s Museum Isabella Stewart Gardner Museum English country houses the palaces of the aristocracy maintained thanks to primogeniture but threatened with redundancy and rescued as museums to be touted as the peak of English national culture English country houses the palaces of the aristocracy maintained for centuries thanks to primogeniture but threatened by redundancy and strangely rescued as museums now touted as the peak of English national culture Everyman woman s social history houses the modern demotic response to elite houses presented as social history but tinged with generic ancestor veneration e g tenement house museums in Glasgow and New York *British and Irish Paintings in Public Collections* Christopher Wright, Catherine May Gordon, 2006-01-01 This book sets a new standard as a work of reference It covers British and Irish art in public collections from the beginning of the sixteenth century to the end of the nineteenth and it encompasses nearly 9 000 painters and 90 000 paintings in more than 1 700 separate collections The book includes as well pictures that are now lost some as a consequence of the Second World War and others because of de accessioning mostly from 1950 to about 1975 when Victorian art was out of fashion By listing many tens of thousands of previously unpublished works including around 13 000 which do not yet have any form of attribution this book becomes a unique and indispensable work of reference one that will transform the study of British and Irish painting **Great Houses of England & Wales** Hugh Montgomery-Massingberd, Christopher Simon Sykes, 1994 Records thirty two of the most important estates in words and photographs *Heirs and Graces* Eleanor Doughty, 2025-09-04 The fascinating new history of the British Aristocracy since the Second World War A deeply researched and highly entertaining account Julian Fellowes creator of *Downton Abbey* This well written well researched and fascinating book could not be better timed Lord Andrew Roberts author of *Salisbury Victorian Titan* There are fewer than 5000 people who can genuinely claim to be members of the British aristocracy and yet they loom large in the popular consciousness We re fascinated by their houses and estates their lives and loves their foibles and eccentricities And we entertain the strong suspicion that while they may be fellow citizens they are very far from being

People Like Us In Heirs and Graces Eleanor Doughty draws on her unparalleled access to a bewildering range of dukes duchesses earls and others to create a vivid picture of who they are and how they tick En route she traces their progress from a post war era when they and their like were described by one future Labour Chancellor of the Exchequer as selfish depraved dissolute and decadent to their diverse current roles as guardians of vast ancestral mansions farmers financiers and much else beside She looks at key rites of passage from cradle via boarding school to grave And she tells stories of their ups and downs and of the doings of the heroes and villains who fill their ranks The result is a wonderfully rich often amusing always revealing account of the fortunes of the aristocracy over the past century and a series of fascinating glimpses into what it is like to be an aristocrat in Britain today
