**Everyday Jewish Life in Imperial Russia** ChaeRan Y. Freeze, Jay M. Harris, 2013-12-03 This book makes accessible for the first time in English declassified archival documents from the former Soviet Union rabbinic sources and previously untranslated memoirs illuminating everyday Jewish life as the site of interaction and negotiation among and between neighbors society and the Russian state from the beginning of the nineteenth century to World War I Focusing on religion family health sexuality work and politics these documents provide an intimate portrait of the rich diversity of Jewish life By personalizing collective experience through individual life stories reflecting not only the typical but also the extraordinary the sources reveal the tensions and ruptures in a vanished society An introductory survey of Russian Jewish history from the Polish partitions 1772 1795 to World War I combines with prefatory remarks textual annotations and a bibliography of suggested readings to provide a new perspective on the history of the Jews of Russia

*Jewish Emancipation* David Sorkin, 2021-09-14 The first comprehensive history of how Jews became citizens in the modern world For all their unquestionable importance the Holocaust and the founding of the State of Israel now loom so large in modern Jewish history that we have mostly lost sight of the fact that they are only part of and indeed reactions to the central event of that history

emancipation In this book David Sorkin seeks to reorient Jewish history by offering the first comprehensive account in any language of the process by which Jews became citizens with civil and political rights in the modern world Ranging from the mid sixteenth century to the beginning of the twenty first Jewish Emancipation tells the ongoing story of how Jews have gained kept lost and recovered rights in Europe North Africa the Middle East the United States and Israel Emancipation Sorkin shows was not a one time or linear event that began with the Enlightenment or French Revolution and culminated with Jews acquisition of rights in Central Europe in 1867 71 or Russia in 1917 Rather emancipation was and is a complex multidirectional and ambiguous process characterized by deflections and reversals defeats and successes triumphs and tragedies For example American Jews mobilized twice for emancipation in the nineteenth century for political rights and in the twentieth for lost civil rights Similarly Israel itself has struggled from the start to institute equality among its heterogeneous citizens By telling the story of this foundational but neglected event Jewish Emancipation reveals the lost contours of Jewish history over the past half millennium

*Geography of Hope* Pierre Birnbaum, 2008 In *Geography of Hope* French sociologist and historian Pierre Birnbaum examines the work of some of the prominent Jewish social scientists of the past two centuries in order to analyze their range of responses to the tensions between the Enlightenment call for universalism and the reality of Jewish particularism

*The Woman Who Laughed at God* Jonathan Kirsch, 2002-10-29 Who is a Jew In this colorful eye opening work bestselling author and lecturer Jonathan Kirsch takes us on a three thousand year tour of Jewish identity and diversity and offers answers to this complex and difficult question Kirsch reveals that Judaism has never been a religion of strict and narrow orthodoxy For every accepted tradition in Jewish faith there are countertraditions rooted in biblical antiquity the Maccabee freedom fighters who closed the Bible and picked up swords dervish like ecstasies who claimed to enjoy direct communication with God even after they had been excommunicated by a distrustful rabbinate and courageous men and women who were the forgotten heroes of the Holocaust With drama and narrative verve Kirsch explores these and many other Judaisms that make up the rich tapestry of Jewish identity

**The Stakes of History** David N. Myers, 2018-01-01 A leading scholar of Jewish history s bracing and challenging case for the role of the historian today Why do we study history What is the role of the historian in the contemporary world These questions prompted David N Myers s illuminating and poignant call for the relevance of historical research and writing His inquiry identifies a number of key themes around which modern Jewish historians have wrapped their labors liberation consolation and witnessing Through these portraits Myers revisits the chasm between history and memory revealing the middle space occupied by modern Jewish historians as they work between the poles of empathic storytelling and the critical sifting of sources History properly applied can both destroy ideologically rooted myths that breed group hatred and create new memories that are sustaining of life Alive in these investigations is Myers s belief that the historian today can and should attend to questions of political and moral urgency Historical knowledge is not a luxury to society but an essential requirement for informed civic engagement as

well as a vital tool in policy making conflict resolution and restorative justice

**Jewish Centers and Peripheries** S. Troen, 2018-01-16 After World War II the centre of gravity for world Jewry moved outside Europe In the aftermath of the Holocaust large scale emigration and post war assimilation resulted in a disheartening contraction of European Jewry with the notable exception of France Today Europe's Jews number only 17 percent of the world Jewish population At the beginning of this century they comprised 83 percent and were the centre of the modern Jewish experience In a radical reversal former peripheries became the centres notably American Jewry the largest and most dynamic of the Diaspora communities and the State of Israel An examination of the altered place of Europe and its future role in Jewish history is long overdue *Jewish Centers and Peripheries* examines the dynamic relationship between European American and Israeli communities at times bringing personal knowledge of significant events pertinent to understanding the relationships Collectively they suggest that present conditions are ripe for the re emergence of European Jewry though on a scale much diminished from that of the pre Holocaust period Moreover the prospects for the rejuvenation of European Jewry mirror the possibilities for Jewish continuity everywhere *Jewish Centers and Peripheries* is a strikingly informative assessment of the condition of world Jewry at the close of the century

**Jews, Sovereignty, and International Law** Rotem Giladi, 2021-07-07 By departing from accounts of a universalist component in Israel's early foreign policy Rotem Giladi challenges prevalent assumptions on the cosmopolitan outlook of Jewish international law scholars and practitioners offers new vantage points on modern Jewish history and critiques orthodox interpretations of the Jewish aspect of Israel's foreign policy Drawing on archival sources the book reveals the patent ambivalence of two jurist diplomats Jacob Robinson and Shabtai Rosenne towards three international law reform projects the right of petition in the draft Human Rights Covenant the 1948 Genocide Convention and the 1951 Refugee Convention In all cases Rosenne and Robinson approached international law with disinterest aversion and hostility while nonetheless investing much time and toil in these post war reforms The book demonstrates that rather than the Middle East conflict Rosenne and Robinson's ambivalence towards international law was driven by ideological sensibilities predating Israel's establishment In so doing *Jews Sovereignty and International Law* disaggregates and reframes the perspectives offered by the growing scholarship on Jewish international lawyers providing new insights concerning the origins of human rights the remaking of postwar international law and the early years of the UN
