

NATIONALISM AND FEDERALISM IN YUGOSLAVIA 1962–1991

SECOND EDITION

SABRINA P. RAMET

Nationalism And Federalism In Yugoslavia 1962 1991

Leopoldina Plut-Pregelj, Carole Rogel

Nationalism And Federalism In Yugoslavia 1962 1991:

Nationalism and Federalism in Yugoslavia, 1962-1991 Sabrina P. Ramet, 1992 This book seeks to demonstrate that with the multifaceted reform set in motion between 1963 and 1965 the Yugoslav political system acquired domestically the basic features of an international balance of power system These features account for the basic pattern and dynamics of Yugoslav politics to the present day

A Legal Geography of Yugoslavia's Disintegration Ana S. Trbovich, 2008-02-05 A Legal Geography of Yugoslavia's Disintegration explains the violent break up of the former Yugoslavia in early 1990s in the context of two legal principles sovereignty and the self determination of peoples The author recounts Yugoslavia's history with a focus on the country's internal administrative divisions and aspirations of different ethnic groups in order to effectively explain the genesis of the international community's political decision to recognize the right of secession for the largest administrative units of Yugoslavia Trbovich a Serbian author writing from the perspective of a disengaged scholar tackles her subject matter with clarity and detail and offers an intriguing analysis of Kosovo's future status international recognition of secession implications of Yugoslavia's disintegration for other conflicts invoking right to self determination and international intervention in ethnic conflicts

Cultures of Economy in South-Eastern Europe Jurij Murašov, Davor Beganovic, Andrea Lešić, 2019-11-26 The ubiquitous cultural turn of the 1990s did not spare the thinkers of economics however at the same time economic topics have gained a new importance in cultural studies This volume focuses on cultures of economy in regions of former Yugoslavia as part of South Eastern Europe supported by theoretical perspectives It examines narratives and poetics of economy in literature film and art as well as in public discourse The contributors spotlight different historical periods the late 19th and the early 20th centuries Socialist Yugoslavia and the transitional and neoliberal period since the 1990s

The last Yugoslav generation Ljubica Spaskovska, 2017-04-30 This promising addition to the growing literature on the history of late socialism charts the development of youth culture and politics in socialist Yugoslavia focusing on the 1980s Rather than examining the 1980s as a mere prelude to the violent collapse of the country in the 1990s the book recovers the multiplicity of political visions and cultural developments that evolved at the time and that have been largely forgotten in subsequent discussion The youth of this generation the author convincingly argues sought to rearticulate the Yugoslav socialist framework in order to reinvigorate it and democratise it rather than destroy it altogether

Eastern Europe in the Twentieth Century - And After R. J. Crampton, 2002-04-12 Covering all key Eastern European states and their history right up to the collapse of communism this second edition of *Eastern Europe in the Twentieth Century And After* is a comprehensive political history of Eastern Europe taking in the whole of the century and the geographical area Focusing on the attempt to create and maintain a functioning democracy this new edition now examines events in Bosnia and Herzegovina includes a new consideration of the evolution of the region since the revolutions of 1989-91 surveys the development of a market economy analyzes the realignment of Eastern Europe towards the West details the emergence of

organized crime discusses each state individually includes an up to date bibliography Eastern Europe in the Twentieth Century And After provides an accessible introduction to this key area which is invaluable to students of modern and political history Historical Reflections on Central Europe Stanislav J. Kirschbaum,1999-04-12 This valuable collection of essays makes a scholarly contribution to our knowledge of Central and Eastern European history With ground breaking contributions from international scholars such as Philip Longworth and Piotr Gorecki this volume is an essential text for anyone studying or generally interested in understanding the development of the post Communist world **The Soviet Union** Tania Raffass,2012 The Soviet Union is often characterised as nominally a federation but really an empire liable to break up when individual federal units which were allegedly really subordinate colonial units sought independence This book questions this interpretation revisiting the theory of federation and discussing actual examples of federations such as the United States arguing that many federal unions including the United States are really centralised polities It also discusses the nature of empires nations and how they relate to nation states and empires and the right of secession highlighting the importance of the fact that this was written in to the Soviet constitution It examines the attitude of successive Soviet leaders towards nationalities and the changing attitudes of nationalists towards the Soviet Union Overall it demonstrates that the Soviet attitude to nationalities and federal units was complicated wrestling in a similar way to many other states with difficult questions of how ethno cultural justice can best be delivered in a political unit which is bigger than the national state

Neighbors at War: Anthropological Perspectives on Yugoslav Ethnicity, Culture, and History , Before the former Yugoslavia was divided by wars its inhabitants successfully lived side by side in peace This collection seeks to explain how former neighbors became enemies with the hope that understanding what drove these peoples apart will help us discover ways for them to coexist in peace again Contributors analyze political cartoons psychiatry the arts visual media and law to present a diversity of views on the conflicts in Yugoslavia While the chapters in this book deal with regional developments they are not so much focused on politics as they are concerned with how values and attitudes are altered and new identities formed Thus this volume goes beyond recent journalistic accounts and should remain relevant for years to come This book began as a special issue of the journal Anthropology of East Europe Review Most of the contributors to that issue have revised their chapters for this collection and new chapters have been added including one on the recent war in Kosovo Essays range across all of former Yugoslavia emphasizing the variability and diversity of ethnic relations throughout its history Contributors are Mart Bax Brian C Bennett Nikolai Botev Bette Denich Elinor Despalatovi Hannes Grandits Joel M Halpern E A Hammel Robert M Hayden Goran Jovanovic va V Huseby Darvas David A Kideckel Mirjana Lausevic Lynn D Maners Julie Mertus Robert Gary Minnich Rajko Mursi Edit Petrovic Christian Promitzer Mirjana Prosic Dvornic Janet Reineck Jonathan Matthew Schwartz Andrei Simic and Stevan M Weine **The Serbs** Tim Judah,2008-10-01 Who are the Serbs Branded by some as Europe s new Nazis they are seen by others and by themselves as the innocent victims of

nationalist aggression and of an implacably hostile world media In this challenging new book Timothy Judah who covered the war years in former Yugoslavia for the London Times and the Economist argues that neither is true Exploring the Serbian nation from the great epics of its past to the battlefields of Bosnia and the backstreets of Kosovo he sets the fate of the Serbs within the story of their past This wide ranging scholarly and highly readable account opens with the windswept fortresses of medieval kings and a battle lost more than six centuries ago that still profoundly influences the Serbs Judah describes the idea of Serbdom that sustained them during centuries of Ottoman rule the days of glory during the First World War and the genocide against them during the Second He examines the tenuous ethnic balance fashioned by Tito and its unraveling after his death And he reveals how Slobodan Milosevic later to become president used a version of history to drive his people to nationalist euphoria Judah details the way Milosevic prepared for war and provides gripping eyewitness accounts of wartime horrors the burning villages and ethnic cleansing the ignominy of the siege of Sarajevo and the columns of bedraggled Serb refugees cynically manipulated and then abandoned once the dream of a Greater Serbia was lost This first in depth account of life behind Serbian lines is not an apologia but a scrupulous explanation of how the people of a modernizing European state could become among the most reviled of the century Rejecting the stereotypical image of a bloodthirsty nation Judah makes the Serbs comprehensible by placing them within the context of their history and their hopes

Unionisms in Times of Change Jennifer Todd, Dawn Walsh, 2021-09-05 Unions and unionisms are important because they offer an alternative form of politics to that of nation states and nationalisms They allow a wider variety of relations between a plurality of peoples opening prospects of resolving territorial politics But unionisms as state or polity centred perspectives are also typically power centred often using the resources of the polity to resist assertion by their members thereby turning democratic challenges into secessionist ones *Unionisms in Times of Change* Brexit Britain and the Balkans focusses on these two faces of unionisms the flexible alternative to the nation state and the assertor of central power This book is particularly timely at a period when the unions of the British Isles and of Europe have been disrupted by the process of British exit from the European Union creating new dilemmas and options for unionisms in Northern Ireland The chapters in this volume map the conceptual structure of unionisms the ways unions are defined and defended in Northern Ireland the United Kingdom the European Union the Balkans and Moldova the ways they deal with challenge conflict and change the prospects of negotiation the ways unionisms move from flexibility and accommodation to repression and back and the opportunities for agreement and conflict resolution The chapters in this book were originally published as a special issue of the Irish Political Studies

The Politics of Social Ties Mila Dragojevic, 2016-02-24 After forced migration to a country where immigrants form an ethnic majority why do some individuals support exclusivist and nationalist political parties while others do not Based on extensive interviews and an original survey of 1 200 local Serbs and ethnic Serbian refugees fleeing violent conflict in Bosnia and Croatia *The Politics of Social Ties* argues that those immigrants who form close interpersonal networks with others who

share their experiences such as the loss of family friends and home in addition to the memory of ethnic violence from past wars are more likely to vote for nationalist parties Any political mobilization occurring within these interpersonal networks is not strategic rather individuals engage in political discussion with people who have a greater capacity for mutual empathy over the course of discussing other daily concerns This book adds the dimension of ethnic identity to the analysis of individual political behavior without treating ethnic groups as homogeneous social categories It adds valuable insight to the existing literature on political behavior by emphasizing the role of social ties among individuals

The Fight Over Freedom in 20th- and 21st-Century International Discourse Rita Augestad Knudsen, 2020-06-01 This book shows how international discourse citing self determination over the last hundred years has functioned as a battleground between two ideas of freedom a radical idea of freedom and a liberal conservative idea of freedom The book examines each of the major moments in which self determination has been a central part of the language of high level international politics and law the early 20th century discourse of V I Lenin and U S President Woodrow Wilson the aftermath of the First World War and the formulation of the UN Charter the 1950 1960s UN debates on self determination and the 2008 2010 International Court of Justice case on Kosovo s declaration of independence At each of these moments in history self determination was at the top of the international agenda And at each moment a fight over the meaning of freedom played out in self determination discourse Besides providing insights into the historical times in which self determination was prominently cited internationally the book offers a recasting and renewal of international debates on freedom in international discourse

The Health of Populations Stephen J. Kunitz, 2007 In the maelstrom of current public health debate over the social determinants of health this book offers a discussion on the roots of prevalent strains of thought on the matter The author brings an independent perspective to bear on the debate

The Health of Populations Stephen J. Kunitz M.D., 2006-09-28 In the maelstrom of current public health debate over the social determinants of health this book offers a well balanced discussion on the roots of prevalent strains of thought on the matter While this area of research deals in complex problems it is often dominated by those who deploy rather categorical partisan positions citing from a wide range of contradictory statistical studies Stephen Kunitz brings a measured balanced and independent perspective to bear on the debate taking a step back from current arguments to look at the fundamental issues through a socio historical lens Part I describes how ideas about the costs and benefits of industrialization and about the causes of disease have been used by writers from different ideological persuasions to explain the health of populations Part II focuses on some of the ideas that have been particularly influential in contemporary debates factors such as standard of living community and its loss inequality and globalization The fact that these have been used to support differing explanations of the determinants of population health suggests that there are no easy generalizations in a field with so many discrepant findings Scientists often ignore anomalous findings in the interests of advancing a particular paradigm until the anomalies outweigh the norm and a new paradigm is created This book argues that

in considering social determinants of health no meaningful overarching explanations may be possible. Rather, it is by immersion in the reality of particular contexts, work settings, historical periods, geopolitical regions, and governmental credos that we may gain a better understanding of the way in which social forces shape patterns of health and disease. **Western Intervention in the Balkans** Roger D. Petersen, 2011-09-30. Conflicts involve powerful experiences. The residue of these experiences is captured by the concept and language of emotion. Indiscriminate killing creates fear, targeted violence produces anger, and a desire for vengeance. Political status reversals spawn resentment, cultural prejudices sustain ethnic contempt. These emotions can become resources for political entrepreneurs. A broad range of Western interventions are based on a view of human nature as narrowly rational. Correspondingly, intervention policy generally aims to alter material incentives, sticks and carrots, to influence behavior. In response, poorer and weaker actors who wish to block or change this Western-implemented game use emotions as resources. This book examines the strategic use of emotion in the conflicts and interventions occurring in the Western Balkans over a twenty-year period. The book concentrates on the conflicts among Albanian and Slavic populations in Kosovo, Montenegro, Macedonia, South Serbia, along with some comparisons to Bosnia.

Confronting the Yugoslav Controversies Charles W. Ingrao, Thomas Allan Emmert, 2013. This collection of essays examines Yugoslavia's dissolution and the subsequent wars. **Amoral Communities** Mila Dragojević, 2019-10-15. In *Amoral Communities*, Mila Dragojević examines how conditions conducive to atrocities against civilians are created during wartime in some communities. She identifies the exclusion of moderates and the production of borders as the main processes. In these places, political and ethnic identities become linked, and targeted violence against civilians becomes both tolerated and justified by the respective authorities as a necessary sacrifice for a greater political goal. Dragojević augments the literature on genocide and civil wars by demonstrating how violence can be used as a political strategy and how communities as well as individuals remember episodes of violence against civilians. The communities on which she focuses are Croatia in the 1990s and Uganda and Guatemala in the 1980s. In each case, Dragojević considers how people who have lived peacefully as neighbors for many years are suddenly transformed into enemies, yet intracommunal violence is not ubiquitous throughout the conflict zone; rather, it is specific to particular regions or villages within those zones. Reporting on the varying wartime experiences of individuals, she adds depth, emotion, and objectivity to the historical and socioeconomic conditions that shaped each conflict. Furthermore, as *Amoral Communities* describes the exclusion of moderates and the production of borders, limiting individuals' freedom to express their views, work to prevent the possible defection of members of an in-group, and facilitate identification of individuals who are purportedly a threat. Even before mass killings begin, Dragojević finds these and similar changes will have transformed particular villages or regions into amoral communities, places where the definition of crime changes and violence is justified as a form of self-defense by perpetrators. *The Three Yugoslavias* Sabrina P. Ramet, 2006-06-06. Based on extensive archival research and fieldwork and the culmination of more than two decades of

study **The Three Yugoslavias** is a major contribution to an understanding of Yugoslavia and its successor states **The A to Z of Slovenia** Leopoldina Plut-Pregelj, Carole Rogel, 2010 For more than 1 300 years Slovenes had lived in Eastern Europe without having a separate Slovene state but in December of 1990 they voted for independence or put more appropriately for disassociation from Yugoslavia Unfortunately Slovenia had to fight for its independence which it did not fully achieve until 1995 after its bloody disintegration with Yugoslavia was over Since independence however Slovenia has prospered its economy is far ahead of other former communist states and in 2004 Slovenia acceded to both NATO and the European Union the only republic of former Yugoslavia to do so **The A to Z of Slovenia** covers the history of Slovenia and its struggle to gain independence from communism This is done through a detailed chronology an introduction appendixes a bibliography and hundreds of cross referenced dictionary entries on some of the more significant persons places and events institutions and organizations and political economic social cultural and religious facets **Walking on the Edge** Židas Daskalovski, 2006 This book is a pioneering attempt to engage political scientists and analysts working on Macedonia with some of the most controversial subjects of recent Macedonian history The book scholarly defines some of the basic terms and definitions of the Macedonian democratization and provides intellectually challenging account of the issues of democratic consolidation It answers questions such as What was the nature of the Macedonian democratization What was the most problematic aspect that prolonged the consolidation to democracy Were the Albanians integrated into the system Why did Macedonia experienced a brief conflict in 2001 Who were the members of the National Liberation Army and what was their agenda What was the reaction of the international community Is the European Integration a real perspective

Nationalism And Federalism In Yugoslavia 1962 1991 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nationalism And Federalism In Yugoslavia 1962 1991 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nationalism And Federalism In Yugoslavia 1962 1991 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nationalism And Federalism In Yugoslavia 1962 1991 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nationalism And Federalism In Yugoslavia 1962 1991 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nationalism And Federalism In Yugoslavia 1962 1991 is one of the best book in our library for free trial. We provide copy of Nationalism And Federalism In Yugoslavia 1962 1991 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nationalism And Federalism In Yugoslavia 1962 1991. Where to download Nationalism And Federalism In Yugoslavia 1962 1991 online for free? Are you looking for Nationalism And Federalism In Yugoslavia 1962 1991 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Nationalism And Federalism In Yugoslavia 1962 1991. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider

finding to assist you try this. Several of Nationalism And Federalism In Yugoslavia 1962 1991 are for sale to free while some are payable.
