

A Native American Story

The Creator gathered all of Creation together and said "I want to hide something from the humans until they are ready for it. It is the realisation that they create their own reality."

The Eagle said,
"Give it to me, I will take it to the Moon."

The Creator said,
"No! One day they will go there and find it."

The Salmon said,
"Give it to me,
I will bury it on the bottom of the Ocean."

The Creator said,
"No! They will go there too."

The Buffalo said, "Give it to me,
I will bury it on the Great Plains."

The Creator said, "No! They will cut into the skin of
Mother Earth and find it even there."

Grandmother Mole, who lives in the breast of Mother Earth
and who sees only with spiritual eyes, said,

"Put it inside of them.
It is the last place they will look."

The Creator said,
"It is done."

AMERICAN INDIAN WHY STORIES - 22 Native American stories and legends from America's Northwest Anon. E. Mouse,2018-09-27 These 22 Why stories from the Blackfeet Chippewa and Cree tribes were handed down from father to son with little variation through countless generations These 22 stories were used to teach the young ones about the environment in which they lived but also the lessons of life But the time of the tribal story teller has passed and only here and there is to be found a patriarch who loves the legends from the old days This book is an attempt to ensure that these memories are forever on record and never lost to future generations Herein you will find the stories of Why The Chipmunk s Back Is Striped How The Ducks Got Their Fine Feathers Why The Kingfisher Always Wears A War Bonnet Why The Curlew s Bill Is Long And Crooked Old Man Remakes The World Why Blackfeet Never Kill Mice How The Otter Skin Became Great Medicine Old Man Steals The Sun s Leggings Old Man And His Conscience Old

Native American Stories Joseph Bruchac, Michael J. Caduto, 1991 [Native American Legends An Anthology of Creation Myths and Origin Tales](#) G.W. Mullins, 2020-05-26 Native American Mythology began long before the European settlers arrived on North American soil The most popular of these myths usually are the ones dealing with Creation and Origins of people places and things These myths deal with both how the physical world as we know it came to be and how the many features of specific cultures originated They cover areas of gods and man and why we were separated where did the different races come from and when did evil surface Being there were so many different tribes with countless beliefs and customs the only way to understand these beliefs is through understanding the Native American stories In this book there is a wide landscape of different tribes that present a true look at these beliefs Among the stories included in this anthology are Creation of the First Indians Creation of the Red and White Races In the Beginning How the Great Chiefs Made the Moon and the Sun Origin of Fire The First Moccasins The Origin of Game and of Corn The Origin of Medicine The Origin of Summer and Winter Origin of the Animals Origin of the Buffalo Origin of the Clans Origin of the Sweat Lodge The Origin of the Winds The Origin of
