**Native and Non-Native Teachers in English Language Classrooms** Juan de Dios Martinez Agudo, 2017-05-08

Despite being highly debated in applied linguistics and L2 teaching literature the controversial issue of non nativeness still remains unresolved Contemporary critical research has questioned the theoretical foundations of the nativeness paradigm which still exerts a strong influence in the language teaching profession Written by well known researchers and teacher educators from all over the world both NSs and NNSs the selected contributions of this volume cover a great variety of aspects related to the professional role and status of both NS and NNS teachers in terms of both perceived differences and professional concerns and challenges The strongest aspects of this volume are the global perspectives and the implications for future research and teacher education It is precisely this international perspective which makes this volume illustrative of different realities with a similar objective in mind the improvement of second language teaching and teacher education In today's world being a NS or NNS should not really matter but rather teachers professional competences This publication thus provides a forum of reflection and discussion for all L2 educators who need to be aware of how much they might offer to their future students

**Glocalising Approaches to Learning and Teaching English**

Natalia Wright, 2025-02-27 This volume focuses on glocalization in English language teaching and learning examining the challenges of its implementation It describes the innovative practices of multilingual TESOL practitioners from various parts of the world offering nuanced perspectives on how to glocalize teaching methods curricula materials and teacher preparation The chapters spanning different levels of education weave together theory and practice highlighting strategies to successfully navigate the complex relationships between global demands and local needs in language teaching and learning This edited book presents empirical research studies which together provide the evidence based knowledge necessary to effectively teach linguistically and culturally diverse students Beyond academic discussion this book serves as a practical guide for those involved in teacher preparation offering strategies and practical applications of glocalized approaches to developing programs for pre service educators Above all the book invites all language teaching professionals to embrace glocalization practices in response to the increasingly plurilingual and pluricultural world in which they operate

**Learning English** Neil Mercer, Joan Swann, 1996

English is learnt internationally in a range of diverse settings This book examines processes of language acquisition in English as well as what it means to learn English in different parts of the world It looks at the place of English within formal education and at some of the controversies that have surrounded the teaching of English

Non-native Educators in English

Language Teaching George Braine, 2013-10-08 The place of native and non native speakers in the role of English teachers has probably been an issue ever since English was taught internationally Although ESL and EFL literature is awash in fact dependent upon the scrutiny of non native learners interest in non native academics and teachers is fairly new Until recently the voices of non native speakers articulating their own concerns have been even rarer This book is a response to this notable vacuum in the ELT literature providing a forum for language educators from diverse geographical origins and language backgrounds In addition to presenting autobiographical narratives these authors argue sociopolitical issues and discuss implications for teacher education all relating to the theme of non native educators in ETL All of the authors are non native speakers of English Some are long established professionals whereas others are more recent initiates to the field All but one received part of the higher education in North America and all except two of the chapters are at least partially contextualized in North America Particularly relevant for non native speakers who aspire to enter the profession graduate students in TESOL programs and teacher educators the unique nature of this book s contributors and its contents will interest researchers and professionals in applied linguistics generally and in ELT and all those who are concerned with the role of non native speakers in English language teaching

**The Notion of the Native Speaker Put to the Test: Recent Research Advances** Pedro Guijarro-Fuentes, Cristina Suarez-Gomez, Mila Vulchanova, Antonella Sorace, Valentin

Vulchanov, 2022-04-21 **Teaching English in a European and Global Perspective** Marko Modiano, 2020-09-10 This book provides the reader with a basis upon which to develop teaching and learning methodologies for the multicultural classroom It is a valuable tool for language teachers who want to implement educational practices that best serve the needs of learners eager to acquire proficiency in languages of wider communication such as English Focusing on cross cultural communicative competency and with chapters on the historical spread of English the pros and cons of utilizing American and British norms and new alternative methods and practices this book provides English instructors with the foundation they will need to meet the challenges of teaching a lingua franca in the age of globalization Novel conceptualizations of language are presented which bring pluralism and multiculturalism center stage The volume serves to show how teachers and teacher trainees can best assist learners in their pursuit of oral communication skills in the world s most utilitarian language
