Shepherd... William Shepherd (Major.),1884      Prairie Experiences in Handling Cattle and Sheep W. 1824- Shepherd,2016-04-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Prairie experiences in handling Cattle and Sheep ... With illustrations, etc.* William SHEPHERD (Major, R.E.),1885      *Prairie Experiences in Handling Cattle and Sheep (Classic Reprint)* W. Shepherd,2015-07-20 Excerpt from

Prairie Experiences in Handling Cattle and Sheep To write a book after travelling in America seems inevitable Is it a disease catching from one traveller to another or is it caught in the country The subject is so large the parts so various and changing that however much you may have studied the country in books you cannot help seeing and hearing much that is new to you and vanity suggests new to others We all start with a good intention of writing nothing we break down in our resolves and are often delivered of crude and hastily formed notions whose faults we do not see till others tell us But does not every parent look on his child for a time as a novelty a necessity and an object of public interest The following narrative has not been compiled from guide books or statistical pamphlets I have told what I saw and experienced and have not ventured to deal with social problems or large generalizations Before therefore starting on a trip through these pages let me say that my journey took me through Wyoming about Montana across to Washington Territory then back from California through Nevada into Idaho Cattle cow boys round ups sheep driving herders and life on the prairie these are my text to which I will strive to stick About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Prairie Experiences in Handling Cattle and Sheep - Scholar's Choice Edition** W Shepherd,2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Basque Immigrants and Nevada's Sheep Industry** Iker Saitua,2019-03-20 Basque Immigrants and Nevada s Sheep Industry is a rich and complex exploration of the history of Basque immigration to the rangelands of Nevada and the interior West It looks critically at the Basque shepherders in the American West and more broadly at the modern history of American foreign relations with Spain after the Second World War Between the 1880s and the 1950s the western open range sheep industry was the original economic attraction for Basque immigrants This engaging study tracks the development of the Basque presence in the American West providing deep detail about the shepherders history native and local culture the challenges they faced and the changing conditions under which the Basques lived and worked Saitua also shows how Basque immigrant shepherders went from being a marginalized labor group to a desirable high priced workforce in response to the constant demand for their labor power As the twentieth century progressed the geopolitical tide in America began to change In 1924 the Restrictive Immigration Act resulted in a truncated labor supply from the Basque Country in Spain During the Great Depression and the Second World War the labor shortage became acute In response Senator Patrick McCarran from Nevada lobbied on behalf of his wool growing constituency to open immigration doors for Basques the most desirable laborers for tending sheep in remote places Subsequently Cold War international tensions offered opportunities for a reconciliation between the United States and Francisco Franco despite Spain s previous sympathy with the Axis powers This fresh portrayal shows how Basque immigrants became the backbone of the sheep industry in Nevada It also contributes to a wider understanding of the significance of Basque immigration by exploring the role of Basque agricultural labor in the United States the economic interests of Western ranchers and McCarran s diplomacy as catalysts that eventually helped bring Spain into the orbit of western democracies
