Prayer For The Little City:

Prayer for the Little City Sydney Lea, 1991 *Six Sundays toward a Seventh* Sydney Lea, 2012-01-01 These poems selected from the award winning poet's output over four decades more explicitly than any of his prior volumes address the centrality of Christian vision to his aims and aspirations Lea looks unflinchingly at all that may challenge his faith the cruelties of both natural and human worlds the attractions of jolly good hearted secularism the distortions of doctrinaire religiosity the seeming pointlessness of untimely deaths but his faith in Christian redemption shines through even the bleakest of his poems To the Bone Sydney Lea, 1996 This is the first comprehensive study in the English language of the commentaries of Didymus the Blind who was revered as the foremost Christian scholar of the fourth century and an influential spiritual director of ascetics The writings of Didymus were censored and destroyed due to his posthumous condemnation for heresy This study recovers the uncensored voice of Didymus through the commentaries among the Tura papyri a massive set of documents discovered in an Egyptian quarry in 1941 This neglected corpus offers an unprecedented glimpse into the internal workings of a Christian philosophical academy in the most vibrant and tumultuous cultural center of late antiquity By exploring the social context of Christian instruction in the competitive environment of fourth century Alexandria Richard A Layton elucidates the political implications of biblical interpretation Through detailed analysis of the commentaries on Psalms Job and Genesis the author charts a profound tectonic shift in moral imagination as classical ethical vocabulary becomes indissolubly bound to biblical narrative Attending to the complex interactions of political competition and intellectual inquiry this study makes a unique contribution to the cultural history of late antiquity King Alfred's West-Saxon Version of Gregory's Pastoral Care Dr. Henry Sweet, 2023-08-10 King Alfred's West Saxon Version of Gregory's Pastoral Care 1871 is a key Anglo Saxon text Preserved in two manuscripts written during Alfred's lifetime it affords data of the highest value for fixing the grammatical peculiarities of the West Saxon dialect of the ninth century *Daily PrayerWalk* Janet Holm McHenry, 2010-05-19 Since the release of Janet Holm McHenry's PrayerWalk thousands around the world have embraced prayerwalking as an enjoyable and effective way to improve physical health nurture spiritual growth and intercede in prayer for their loved ones and communities Now blending biblical truths with the lessons she's learned while prayerwalking Janet offers fresh insights and further inspiration to all who value the discipline of prayer Just as PrayerWalk gave readers a comprehensive overview of prayerwalking Daily PrayerWalk explores in detail the important elements of a healthy prayer life Whether the reader is a new or experienced prayerwalker or one who simply wants to challenge and strengthen his or her prayer practice Daily PrayerWalk provides both basic and in depth insights new ideas and solid answers to questions about communication with God Readers can use this book as a thoughtful guide to a deeper prayer life or as a devotional for the days when they do prayerwalks In both cases this book of fifty prayer related meditations will support and challenge them as they become men and women of prayer strength and discipline **87 Sundays** John Baxter, 2020-09-02

The Power of Prayer and the Prayer of Power R. A. Torrey, 2023-06-23 The great need of the church today and of human society as a whole is a genuine God sent revival It is either revival or revolution and a revolution that will plunge human society and civilization into chaos and utter confusion It is a time of wide spread apostasy This may be the last apostasy from which we will be saved by the return of our Lord Jesus to this earth to take the reins of government into His own thoroughly competent hands That would of course be the greatest and most glorious of all revivals and a revival that would never end But we do not know that this is the final apostasy There have been more thoroughgoing and appalling apostasies in the past than this one is at the present hour The apostasy in England in the time of the Wesleys and in America at the time of Jonathan Edwards was far more complete than the present apostasy is The apostasy in this country at the opening of the nineteenth century was far more appalling at least as regards university life than the apostasy of today It was the revival under the Wesleys and their associates that saved the church and saved civilization in their day Even so thoroughgoing a rationalist as Lecky the historian admits that it was the revival under the Wesleys that saved civilization in England And it was the Great Awakening under the leadership of Jonathan Edwards and others that saved the church in America Our sorest need today is a deep thoroughgoing Spirit wrought God sent revival Such revivals as far as man s agency is concerned always come in one way by prayer
