Spiritual Reflections Through Prayers of Poetry Jim Severance, 2008 This guide can help readers take inventory of their spiritual strengths and weaknesses recognizing the constant pull of society away from God's way Motivation **Poetry and Prayer** Anna Jensen, 2020-09-08 I started writing poems in earnest just a few years ago My poetry will always begin and end with Jesus He is the master craftsman the great author The Word In this way each poem is indeed a prayer of thanksgiving of worship of truth whispered in innermost parts As you read both the poems and the thinking beneath them I pray that Jesus would woo you afresh by his presence **The Language of Poetry as a Form of Prayer** Francis X. McAloon, 2008 Grounded in the investigative tools of interpretation theory poetic aesthetics and literary criticism this book proposes and employs an interdisciplinary methodology for the analysis of poetic prayer tests focusing upon the poetry of Gerard Manley Hopkins Interspersed throughout the text are brief interchapters which offer practical illustrations of the sOli of transformatory reading this work proposes **When Poets Pray** Marilyn McEntyre, 2019-05-28 Two dozen select prayer poems to learn from and live with Poetry and prayer are closely related We often look to poets to give language to our deepest hopes fears losses and prayers Poets slow us down They teach us to stop and go in before we go on They play at the edges of mystery holding a tension between line and sentence between sense and reason between the transcendent and the deeply comfortingly familiar When Poets Pray contains thoughtful meditations by Marilyn McEntyre on choice poems prayers and poems about prayer Her beautifully written reflections are contemplative exercises not scholarly analyses meant more as invitation than instruction Here McEntyre shares gifts that she herself has received from poets who pray or who reflect on prayer believing that they have other gifts to offer readers seeking spiritual companionship along our pilgrim way **POETS DISCUSSED IN THIS BOOK** Hildegard of Bingen Lucille Clifton Walter Chalmers Smith Robert Frost Wendell Berry Joy Harjo John Donne Gerard Manley Hopkins Said Marilyn McEntyre George Herbert Thomas Merton Denise Levertov Scott Cairns Mary Oliver Marin Sorescu T S Eliot Richard Wilbur Francisco X Alarcon Anna Kamienska Michael Chitwood Psalm 139 1 12

Poetry and Prayer Dr Francesca Bugliani Knox, Professor John Took, 2015-10-28 Poetry and Prayer focuses on the relationship of poetry and prayer as aspects of human spirituality and of the expression of that spirituality Interdisciplinary and ecumenical in scope the volume offers theoretical discussion on the profound connection between poetic inspiration and prayer as well as reflection on and close reading of the work of individual writers and of different traditions The volume reinforces contemporary theological concern with poetic experience and expression distinct from the propositional discourse traditionally favoured by theologians **Prayers and Poetry From the Heart** Annee Grier, 2019-09-21 Prayers and poetry from the heart is a personal and spiritual encounter with the Holy Spirit as He spoke to my heart through prayer This book will touch the heart of the reader and bring about deliverance My prayer is that it will turn one's heart to God **Poems as Prayers...** Ginger Grancagnolo, Ed.D. D.Min., 2007-11-20 How do you pray Do you say the words already written in a book Do

you stumble over the text hoping to grasp the meaning And do those words touch your heart in a way that sometimes can be beyond what words can express I believe the power of prayer is both in the meaning and the emotion that comes from a stirring in the soul Prayer is the private exchange between God and us It can happen at any time Prayer ignites through our desire to connect to Divine Love and Wisdom and is fueled by the Holy Spirit Who lives within us *Prayers of a Young Poet* Rainer Maria Rilke,2012-10-01 This volume marks the first translation of these prayer poems into English Originally written in 1899 Rilke wrote them upon returning to Germany from his first trip to Russia His experience of the East shaped him profoundly He found himself entranced by Orthodox churches and monasteries above all by the icons that seemed to him like flames glowing in dark spaces He intended these poems as icons of sorts gestures that could illumine a way for seekers in the darkness As Rilke here writes I love the dark hours of my being for they deepen my senses Translated by Mark S Burrows

Prayers, Poetry and Invocation Robert Thomas Atkinson,2008-01-31 Many of my poems are indeed Goddess poems prayers and invocations acknowledging the feminine power of the universe In my opinion they speak with a beautiful romantic expression and are in truth with the times They are bold passionate and exciting speaking with an original voice which I believe may capture the reader s imagination My poems are confessional extremely erotic with radical overtones that I will not apologize for I simply wish to speak truthfully **Open My Lips** Rachel Barenblat,2017-04-06 This volume of

contemporary liturgical poetry is both a poetry collection and an aid to devotional prayer Open My Lips dips into the deep well of Jewish tradition and brings forth renewed and renewing adaptations of and riffs on classical Jewish liturgy Here are poems for weekday and Shabbat festival seasons including the Days of Awe and Passover and psalms of grief and praise Open My Lips offers a clear readable heartfelt point of access into the Jewish tradition and into prayer in general Those who wish to begin a prayer practice in English but don t know where to start will find this volume offers several starting points These poems could be used to augment an existing prayer practice Jewish or otherwise either on a solitary basis or for congregational use For the reader of poetry unfamiliar with liturgical text they can serve as an introduction to prayer in general and Jewish prayer in particular And for the pray er unfamiliar with contemporary poetry these poems can open the door in the other direction *Looking for God in All the Right Places* June Cotner,2004 In Looking for God in All the Right Places June Cotner offers a personal and deeply profound collection of poems prayers and inspirations that reveal the

universal connection between everyone and everything in the world **Poem Prayers** ,2015-10-24 Msgr Charles began writing these words as conclusions to his homilies at Sunday Mass usually summarizing three main points from each homily in the form of a prayer The growing positive response to the prayers by parishioners encouraged author and retired pastor Charles D McGlinn to make the choice to publish his prayers for more than his congregation to enjoy The efforts created this book Poem Prayers that feature several of his treasured poetic prayers from the past twenty five years The prayers are divided into groups under certain themes for example Christian discipleship the cross sin and forgiveness and the Eucharist
