Punk Diary George Gimarc, 2005-07 The Ultimate Trainspotter's Guide to Underground Rock 1970 1982

*Rockstar Games and American History* Esther Wright, 2022-08-22 For two decades Rockstar Games have been making games that interrogate and represent the idea of America past and present Commercially successful fan beloved and a frequent source of media attention Rockstar's franchises are positioned as not only game changing ground breaking interventions in the games industry but also as critical cultural histories on America and its excesses But what does Rockstar's version of American history look like and how is it communicated through critically acclaimed titles like Red Dead Redemption 2010 and L A Noire 2011 By combining analysis of Rockstar's games and a range of official communications and promotional materials this book offers critical discussion of Rockstar as a company their video games and ultimately their attempts at creating new narratives about U S history and culture It explores the ways in which Rockstar's brand identity and their titles coalesce to create a new kind of video game history how promotional materials work to claim the authenticity of these products and assert the authority of game developers to perform the role of historian By working at the intersection of historical game studies U S history and film and media studies this book explores what happens when contemporary demands for historical authenticity are brought to bear on the way we envisage the past and whose past it is deemed to be Ultimately this book implores those who research historical video games to consider the oft forgotten sources at the margins of these games as importance spaces where historical meaning is made and negotiated Watch our book talk with the author Esther Wright here [https://youtu.be/AaC\\_9XsXCQ](https://youtu.be/AaC_9XsXCQ)

**The status and distribution of freshwater biodiversity in the eastern Mediterranean** Kevin G. Smith, Violeta Barrios, William R.T. Darwall, Catherine Numa, 2014-01-01 The Eastern Mediterranean region supports just over 4 4% of the global human population yet contains only 1 1% of its renewable water resources which are under constant threat from the impacts of unsustainable water withdrawal dam development and

climate change This IUCN report and accompanying dataset represents a major advance in the provision of information to help incorporate biodiversity needs into water development planning processes within an Integrated River Basin Management framework This volume includes species information compiled for each river and lake sub basin and incorporates information from the assessment conducted by IUCN s Global Species Programme in collaboration with its partners of the status and distribution of all described species of freshwater fishes molluscs odonates and plants from across the Eastern Mediterranean with existing information for species of freshwater dependent amphibians birds crustaceans and mammals This work represents the most comprehensive assessment yet of freshwater biodiversity at the species level for this part of the world

*A Matter of Obscenity* Christopher Hilliard,2023-09-26 A comprehensive history of censorship in modern Britain For Victorian lawmakers and judges the question of whether a book should be allowed to circulate freely depended on whether it was sold to readers whose mental and moral capacities were in doubt by which they meant the increasingly literate and enfranchised working classes The law stayed this way even as society evolved In 1960 in the obscenity trial over D H Lawrence s *Lady Chatterley s Lover* the prosecutor asked the jury Is it a book that you would even wish your wife or your servants to read Christopher Hilliard traces the history of British censorship from the Victorians to Margaret Thatcher exposing the tensions between obscenity law and a changing British society Hilliard goes behind the scenes of major obscenity trials and uncovers the routines of everyday censorship shedding new light on the British reception of literary modernism and popular entertainments such as the cinema and American style pulp fiction and comic books He reveals the thinking of lawyers and the police authors and publishers and politicians and ordinary citizens as they wrestled with questions of freedom and morality He describes how supporters and opponents of censorship alike tried to remake the law as they reckoned with changes in sexuality and culture that began in the 1960s Based on extensive archival research this incisive and multifaceted book reveals how the issue of censorship challenged British society to confront issues ranging from mass literacy and democratization to feminism gay rights and multiculturalism
