Redeeming Words David Michael Kleinberg-Levin, 2013-11-01 Probing study of how literature can redeem the revelatory redemptive powers of language In this probing look at Alfred Döblin's 1929 novel *Berlin Alexanderplatz* and the stories of W G Sebald *Redeeming Words* offers a philosophical meditation on the power of language in literature David Kleinberg Levin draws on the critical theory of Benjamin and Adorno the idealism and romanticism of Kant Hegel Hölderlin Novalis and Schelling and the nineteenth and twentieth century thought of Nietzsche Heidegger and Derrida He shows how Döblin and Sebald writers with radically different styles working in different historical moments have in common a struggle against forces of negativity and an aim to bring about in response a certain redemption of language Kleinberg Levin considers the fast paced staccato and hard cut sentences of Döblin and the ghostly languorous and melancholy prose fiction of Sebald to articulate how both writers use language in an attempt to recover and convey this utopian promise of happiness for life in a time of mourning

*Redeeming the Axe-Head* Ifeoma Eze, 2018-02-17 In the family settings when the axe head has lost its position things will no longer work for good Beloved I want to remind you that you are a weapon of warfare God's battle axe The situation in your family is waiting for you to change The calamity in this nation country is only waiting for the axe head to come up and face it squarely

**Beyond the Academy** David Thang Moe, 2024-10-11 The term public theology was introduced by Martin E Marty in a 1974 article Since then scholarly discussions on public theology have become more popular in academic circles This book however is about the invitation for moving beyond the academy It provides two reasons for doing so First an overtly academic public theology is in crisis today Although public theology may be flourishing in the academy its relevance for real life is limited Second there is the ecclesial flourishing among grassroots Christian communities across Asia who witness to their lived faith in public and hidden life Their voices are largely unheard due to the gaps between the academy and the church This volume argues that we should consider their voices as key sources for developing a relevant lived Asian public theology The author makes the case for reimagining the paradigm shifts in lived Asian public theology of religions and for bridging the unhappy gaps between the academic and grassroots voices

and contesting Confederate ideology in the US cultural imaginary then and now as monuments in and of themselves On top of that the essays published here lay bare the cultural and pedagogical work of Confederate monuments and counter monuments divulging how and what they teach their readers as communal and yet contested narratives thereby showing why the persistence of Confederate monuments matters greatly to local and national notions of racial justice and belonging In doing so this collection illustrates what critics of US literature and culture can offer to ongoing scholarly and public discussions about Confederate monuments and memory Even as we remove relocate and recontextualize the physical symbols of the Confederacy dotting the US landscape the complicated histories cultural products and pedagogies of Confederate ideology remain embedded in the national consciousness To disrupt and potentially dismantle these enduring narratives alongside the statues themselves we must be able to recognize analyze and resist them in US life The pieces in this collection position us to think deeply about how and why we should continue that work **THE PARABLES OF THE**

**LORD JESUS CHRIST** John Sandbek, 2018-06-12 The parables of Jesus should not be studied as individual homilies or proverbs but instead as a series of prophetic installments wherein each parable reveals an aspect of his coming millennial kingdom The focus of all his parables was the kingdom and encompassed four areas of revelation Jesus was sent by his Father to reveal to man eternal truths to redeem the lost sheep of the house of Israel to expound on the prophets and the Law and to preach of the gospel of the Kingdom With these four anointings Jesus assumed the three offices of Prophet Priest and King and used parables to conceal his message from those who would not listen or sought to destroy his ministry As Prophet he foretold of events imminent to his time and the destruction of Jerusalem He became our High Priest to redeem his people and instruct them in righteousness As King his parables reveal to us the grandeur of his coming kingdom heretofore kept secret from man and set the metrics for ruling and reigning with him The Parables of the Lord Jesus Christ Prophet Priest King examines Jesus's parabolic teaching from these three ordinations and how each relates to Christ's future kingdom Each parable is placed in context with surrounding events and the customs of the day and its imagery and symbolism explained using Scripture to deduce and interpret its meaning NIVAC Bundle 6: Gospels, Acts Michael J. Denny Weaver, 2011-01-26 A provocative study that cuts to the very heart of Christian thought The Nonviolent Atonement challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ's passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver's Nonviolent Atonement is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver's original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in Anglican Theological Review Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist

and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm s theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource Reviews in Religion and Theology
