Redeeming The Sin Social Science And Literature:

Redeeming the Sin Audrey Borenstein, 1978 *Using Biographical Methods in Social Research* Barbara Merrill, Linden West, 2009-05-18 Using Biographical Methods in Social Research provides an informative comprehensive accessible and practical guide to the nature and use of biographical methods combining a consideration of theoretical issues with practical guidance as well as reflections on the personal experience of doing research Barbara Merrill and Linden West consider important questions about who and what research is for and what makes it valid alongside the practical business of interviewing transcribing analyzing and writing up of biographical data The authors draw on their sociological and psychological orientations to provide a truly interdisciplinary approach to the subject and provide numerous examples of biographical research across the social sciences This book will equip students with all the skills necessary to undertake biographical research as well as to fully understand what they are doing and the assumptions they make about the nature of truth knowledge story telling and being human It will be useful for students and researchers using biographical methods in a range of disciplines including sociology social policy social psychology health care and education *Science For Humanism* Charles R. Varela, 2009-01-13 In this book Varela revisits the problem of structure versus agency Based on his original insight into Kant's role in the debate the author is able to solve this centuries old dilemma for the first time He goes on to explain the wider ramifications of his discovery addressing Giddens Call the stalemate of the social and psychological sciences determinism in science and postmodernism *Auguste Comte: Volume 1* Mary Pickering, 1993-11-26 The first volume of a two volume intellectual biography of Auguste Comte the founder of modern sociology and positivism **Writing the City** Desmond Harding, 2004-06-01 Writing the City examines and challenges the traditional transatlantic axis of urban modernism London Paris New York an axis that has often elided the historical importance of other centers that have shaped metropolitan identities and discourses According to Desmond Harding James Joyce's internationalist vision of Dublin generates powerful epistemic and cultural tropes that reconceive the idea of the modern city as a moral phenomenon in transcultural and transhistorical terms Taking up the works of both Joyce and John Dos Passos Harding investigates the lasting contributions these author's made to transatlantic intellectual thought in their efforts to envisage the city The Kingdom Where Nobody Dies Audrey Borenstein, 2009-03-12 Echoes of the fatal shots fired in Dallas on November 22 1963 reverberate in this collection of seven stories set in Louisiana during the civil rights era For a varied cast of characters the artist in the title story who tells the tale of his sojourn at LSU during Kennedy's brief and shining moment through a retrospective of his paintings the schoolteacher soon to be married grieving with her mother over the shattered dream of a charmed and happy First Family's life the disabled man witnessing the killing of Oswald on the TV screen with a growing premonition of the coming darkness in the world the lawyer son of a Southern born mother and a Yankee father reliving the loss of his beloved wife in mourning the nation's loss the African American wife of a preacher praying to the ghost of her dead mother for solace

the woman who in moving her family away feels the place reach out and pull them back the young couple transplanted from the Midwest entranced by the fairy tale beauty and amusements of their new life who become caught up in the social upheaval of the times the violent death of our youngest President is a crucible for the dawning of historical consciousness in the wake of the nation's loss of innocence An Afterword traces the genesis and the thirty three year journey to the publication of this book of stories

Max Weber Alan Sica, 2017-09-08 The most profound and enduring social theorist of sociology's classical period Max Weber speaks as cogently to concerns of the new century as he did to those of the past In *Max Weber and the New Century* Alan Sica demonstrated Weber's preeminent position and lasting vitality within social theory by applying his ideas to a broad range of topics of contemporary concern *Max Weber A Comprehensive Bibliography* is a companion volume that offers some 4 600 bibliographic listings of work on Weber making it the most complete guide to the literature in English and a testament to the continued vitality of Weber's thought Sica's work supersedes all previous bibliographical efforts covering the Weber literature both in the quantity and accuracy of its references and the clarity and convenience of its format In order to demonstrate the enormous variety of Weberiana in English Sica has adopted a liberal criterion for inclusion rather than a critical one choosing to mix the best with what may be more routine work Following a preface in which previous bibliographies and bibliographic problems are discussed the volume opens with a series of five specialized bibliographies The first lists Weber's works in English translation The second lists reviews of Weber's major works including those translated into English while the third covers reviews of recent books and other work on Weber The fourth section contains a selection of dissertations and theses relating to Weber or his ideas The fifth includes primary and secondary sources treating Weber on rationality and rationalization processes The last and largest section offers a comprehensive Weber bibliography of works in English This large scale endeavor attempts to identify with accuracy and completeness the entire universe of Weber scholarship in English It will be an essential scholarly tool for sociologists historians economists and students of cultural and intellectual history

Chimes of Change and Hours Audrey Borenstein, 1983 Encompassing a variety of perspectives on the lives of older women in modern America this book is a rich mosaic drawing on demographic social psychological social historical economic and gerontological data and incorporating transcripts of oral histories interviews with women artists fiction and essays by and about women in the second half of their lives autobiographies diaries journals letters and other sources

Documents of Life 2 Ken Plummer, 2001-03-20 *Documents of Life* was originally published in 1983 and became a classic text providing both a persuasive argument for a particular approach and a manifesto for social research As a critique of anti humanist methodology in the social sciences it championed the use of life stories and other personal documents in research which are now widely used today This book is a substantially revised and expanded version which takes on recent developments Providing numerous illustrations from a range of life documents the book traces the history of the method examines ways of doing life story research and discusses

the many political and ethical issues raised by such research The whole book has been substantially re written and The Reportage of Urban Culture Rolf Lindner,1996-07-11 The current fascination with urban life has encouraged a growing interest in the Chicago School of sociology by students of sociological history It is generally accepted that the field research practised by the Chicago sociologists during the 1920s the Golden Age of Chicago sociology used methods borrowed from anthropology However Rolf Lindner also argues convincingly that the orientation of urban research advocated by Robert Park the key figure in the Chicago School and himself a former reporter is ultimately indebted to the tradition of urban reportage The Reportage of Urban Culture goes beyond a thorough reconstruction of the relationship between journalism and sociology It shows how the figure of the city reporter at the turn of the century represents a new way of looking at life and reflects a transformation in American culture from rejecting variety to embracing it Ibss: Anthropology: 1978 International Committee for Social Science Information and Documentation,1990-12-31 First published in 1981 Routledge is an imprint of Taylor Francis an informa company **In the Country of Books** Richard D.
