White,1979 Is God changeable Does He have different gospels for different people The story of redemption takes you behind the scenes in the struggle between God and Satan It explains how the conflict began what the issues are and how the outcome is already assured It traces the theme of God s relationship with man from the garden of Edan to the return of Christ and beyond

by sin and so death passed upon all men for that all have sinned Chapter 5 12 Therefore all are by nature under condemnation of death So also redemption has been offered to every one For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life John 3 16 But this Gift for man s redemption does not inure to the individual without an unqualified acceptance on plainly specified terms There must be belief in the Son He that believeth on the Son hath everlasting life and He that believeth not the Son shall not see life but the wrath of God abideth on him Verse 36 Another condition is If we confess our sins He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness 1 John 1 9 Then our short existence or probation in this world is a matter of life or death to all eternity About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
