Reevaluating Eisenhower American Foreign Policy In The Fifties

Richard A. Melanson

Reevaluating Eisenhower American Foreign Policy In The Fifties:

Reevaluating Eisenhower David Allan Mayers, 1988-01-15 These essays offer diverse opinions and provocative insights. They are a welcome reflection of current scholarly assessments of Eisenhower Dulles foreign policies. *Journal of American History*. Probably the most balanced analysis of Eisenhower's handling of foreign and national security policy that has yet appeared. This book deserves to be widely read. Highly recommended. Choice

Reevaluating Eisenhower Richard A. Melanson, 1987

George Kennan and the Dilemmas of US Foreign Policy David Mayers, 1990-04-12 One of a select group of American foreign service officers to receive specialized training on the Soviet Union in the late 1920s and early 1930s, George Frost Kennan eventually became the American government's chief expert on Soviet affairs during the height of the Cold War. Drawing upon a wealth of original research, David Mayers' fascinating life of George Kennan examines his high-level participation in foreign policy making and interprets his political and philosophical development within a historical framework. Mayers presents an engaging and lucid account of Kennan's training, his rise to prominence during the late 1940s, and his policy failures and his later roles as critic of America's external policy, advocate of détente with the Soviet Union, and proponent of nuclear arms limitation. Mayers also explores Kennan's complicated relationships with such important political figures and analysts as Dean Acheson, John Foster Dulles, and Walter Lippmann.

History of American Foreign Policy, Volume 2 Jerald A. Combs, 2017-07-28 First Published in 2017. Now thoroughly updated, this respected text provides a clear, concise, and affordable narrative and analytical history of American foreign policy from the revolutionary period to the present. This is Volume II and is from 1895. The historiographical essays at the end of each chapter have been revised to reflect the most recent scholarship. *The History of American Foreign Policy* chronicles events and policies with emphasis on the international setting and constraints within which American policy makers had to operate, the domestic pressures on those policy makers, and the ideologies, preferences, and personal idiosyncrasies of the leaders themselves.

Dwight Eisenhower and American Foreign Policy during the 1960s Richard M. Filipink Jr., 2014-12-24 Dwight Eisenhower had a measurable impact on the foreign policy decisions of his Democratic successors during the 1960s due to his reputation as a military and foreign policy expert as well as his continued popularity when and after he left office. Eisenhower sought to influence his successors' policies for a number of reasons, including his underrated partisanship, his desire to protect the reputation of his administration, and his real concerns about the ability of his successors to successfully counter the communist challenge to American interests. Despite his steadily declining health, Eisenhower played both a public and behind-the-scenes role in shaping American foreign policy during the 1960s, with long-term consequences for the country. This book traces the interactions between Eisenhower and his two successors from the pre-inaugural meetings with John F. Kennedy, their direct contacts on Cuba, the use of intermediaries such as John McCone and General Andrew Goodpastor, and the constant contact initiated by Lyndon B. Johnson. Through these direct and indirect contacts, Eisenhower constrained the

choices available to Kennedy and Johnson and shaped the politics and policies of the United States until the final months of his life

The History of American Foreign Policy from 1895 Jerald A. Combs, Jessica Elkind, 2024-04-01 Now in its fifth edition this volume offers a clear concise and nuanced history of U S foreign relations since the Spanish American War and places that narrative within the context of the most influential historiographical trends and debates The History of American Foreign Policy from 1895 includes both revised and new sections that incorporate insights from recent scholarship on the United States in the world These sections devote more attention to the international framework as well as the domestic constraints under which American foreign policymakers operated This edition also emphasizes the role of non state actors such as missionaries aid workers activists and business leaders in shaping policies and contributing to international relations As a result the text considers a broader and more diverse range of people and voices than many other histories of U S foreign policy Expanded final chapters bring the story of U S foreign relations to the present and explore some of the contemporary challenges facing American and global leaders including terrorism the effects of climate change China s increasing influence and globalization Updated controversial issues sections and suggestions for further reading at the end of each chapter reflect important contributions from new studies This engaging text is an invaluable resource for students interested in the history of American foreign policy and international relations

Eisenhower's New-Look National Security Policy, 1953-61 S. Dockrill, 1996-05-21 The New Look sought to formulate a more selective and flexible response to Communist challenges The New Look was not simply a bigger bang for a buck nor merely a device for achieving a balanced budget nor did it amount solely to a strategy of massive retaliation as is commonly assumed Dr Dockrill s incisive revisionist analysis of the subject throws new light on US ambitious global strategy during the Eisenhower years

The Ashgate Research Companion to US Foreign Policy Robert J. Pauly, Jr., 2016-03-23 Examining the past present and future formulation and implementation of US foreign policy this research companion provides a range of interpretations of the topic so that the reader comes away with a clear knowledge of the academic and policy debates that define the field The volume focuses on American foreign policy from both historical and political science analytical perspectives and divides into three sections

Explaining the History of American Foreign Relations Michael J. Hogan, Thomas G. Paterson, 2004-01-19 Originally published in 1991 Explaining the History of American Foreign Relations has become an indispensable volume not only for teachers and students in international history and political science but also for general readers seeking an introduction to American diplomatic history This collection of essays highlights a variety of newer innovative and stimulating conceptual approaches and analytical methods used to study the history of American foreign relations including bureaucratic dependency and world systems theories corporatist and national security models psychology culture and ideology Along with substantially revised essays from the first edition this volume presents entirely new material on postcolonial theory borderlands history modernization theory gender race memory cultural transfer and critical theory The book seeks to define the study of

American international history stimulate research in fresh directions and encourage cross disciplinary thinking especially between diplomatic history and other fields of American history in an increasingly transnational globalizing world **A Companion to Dwight D. Eisenhower** Chester J. Pach, 2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history **History of the Office of the Secretary of Defense** Steven L. Rearden, 1984

Strategy, Money, and the New Look, 1953-1956 Richard M. Leighton, 2001 Examines the role of Office of the Secretary of Defense and Secretary Charles E Wilson in the transformation of national security policy during the first Eisenhower administration Includes bibliography and index History of the Office of the Secretary of Defense: Strategy, Money, and the New Look, 1953-1956 Alfred Goldberg, 2001 *Shadow on the White House* David L. Anderson, 1993 Harry Truman s administration began searching for an American response to the clash in Indochina between French colonialism and Vietminh communism in 1945 Thirty years and five administrations later Gerald Ford and his aides tried unsuccessfully to solicit additional aid for South Vietnam from a reluctant Congress For Truman Ford and every American leader in between the dilemma in Vietnam hung ominously over the presidency In *Shadow on the White House* seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other Focusing on the personalities politics priorities and actions of the presidents as they confronted Vietnam the authors consider the expansion of presidential power in foreign policy formulation since World War II In their analyses they chronicle the history of executive leadership as it related to Vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation s frustrating tragic and humiliating failure in Southeast Asia Although other histories have been written about the Vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue It is organized by presidential administrations giving a detailed examination of each president s decisions and policies Based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war Amazon com

Outposts of Empire Steven Lee, 1996-06-08 Drawing on a wide range of recently declassified documents Lee outlines the regional and international context of American diplomatic history towards Korea and Vietnam and analyses the

relationship between containment the bipolar international system and European and American concepts of empire at the beginning of the era of decolonization He argues that although policy makers in the United Kingdom and Canada adopted a more defensive containment policy towards Communist China than the United States did they generally supported American attempts to promote pro Western elites in Korea and Vietnam This is an important book for anyone interested in American foreign policy Anglo American relations Asia and the international system and British and Canadian foreign policies

America and the Postwar World: Remaking International Society, 1945-1956 David Mayers, 2018-03-13 The main tide of international relations scholarship on the first years after World War II sweeps toward Cold War accounts These have emphasized the United States and USSR in a context of geopolitical rivalry with concomitant attention upon the bristling security state Historians have also extensively analyzed the creation of an economic order Bretton Woods mainly designed by Americans and tailored to their interests but resisted by peoples residing outside of North America Western Europe and Japan This scholarship centered on the Cold War as vortex and a reconfigured world economy is rife with contending schools of interpretation and bolstered by troves of declassified archival documents will support investigations and writing into the future By contrast this book examines a past that ran concurrent with the Cold War and interacted with it but which usefully can also be read as separable Washington in the first years after World War II and in response to that conflagration sought to redesign international society That society was then and remains an admittedly amorphous thing Yet it has always had a tangible aspect drawing self regarding states into occasional cooperation mediated by treaties laws norms diplomatic customs and transnational institutions The U S led attempt during the first postwar years to salvage international society focused on the United Nations Relief and Rehabilitation Administration the Acheson Lilienthal plan to contain the atomic arms race the Nuremberg and Tokyo tribunals to force Axis leaders to account the 1948 Genocide Convention the 1948 Universal Declaration of Human Rights and the founding of the United Nations None of these initiatives was transformative not individually or collectively Yet they had an ameliorative effect traces of which have touched the twenty first century in struggles to curb the proliferation of nuclear weapons bring war criminals to justice create laws supportive of human rights and maintain an aspirational United Nations still striving to retain meaningfulness amid world hazards Together these partially realized innovations and frameworks constitute if nothing else a point of moral reference much needed as the border between war and peace has become blurred and the consequences of a return to unrestraint must be harrowing

Western Foreign Policy and the Middle East Christian Kaunert, Sarah Leonard, Lars Berger, Gaynor Johnson, 2017-10-02 This book examines Western foreign policy towards the Middle East and the extent to which the promotion of democracy has been in conflict with or supported by other goals geo strategic economic and cultural in the policies of the major actors towards the Middle East Does the Arab Spring provide a new opening for cooperation with the region Contributions are offered by scholars with research interests in Middle Eastern politics and by those analysing the

policies and interests of external actors Against the backdrop of the recent War on Terror the comparative and interdisciplinary outlook of the book will offer the opportunity for much needed intellectual exchanges between political scientists contemporary historians and international relations scholars from Europe North America and the Middle East Since it coincides with and or follows the final phases of US and British withdrawal from Iraq and Afghanistan this book will be highly relevant to both academics and policy makers in the UK and abroad making a significant contribution not only to the scholarly investigation of Western foreign policies but also to the study of the Middle East in general This book was originally published as a special issue of the Cambridge Review of International Affairs

John Foster Dulles and the Diplomacy of the Cold War Richard H. Immerman, 2021-03-09 As Dwight D Eisenhower's Secretary of State John Foster Dulles came to personify the shortcomings of American foreign policy This collection of essays representing the first archivally based reassessment of Dulles's diplomacy examines his role during one of the most critical periods of modern history Rejecting familiar Cold War stereotypes this volume reveals the hidden complexities in Dulles's conduct of foreign policy and in his own personality

Latin America's Democratic Crusade Allen Wells, 2023-09-26 By emphasizing Latin American reformers decades long struggle to defeat authoritarianism this transnational history challenges the timeworn Cold War paradigm and recasts the region's political evolution Scholars persist in framing the Cold War as a battle between left and right one in which the Global South is cast as either witting or unwitting proxies of Washington and Moscow What if the era is told from the perspective of the many who preferred reform to revolution Scholars have routinely neglected dismissed or caricatured moderate politicians In this book Allen Wells argues that until the Cuban Revolution the struggle was not between capitalism and communism that was Washington's abiding preoccupation but between democracy and dictatorship Beginning in the 1920s the fight against authoritarianism was contested on multiple fronts political ideological and cultural taking on the dimensions of a political crusade Convinced that despots represented an existential threat reformers declared that no civilian government was safe until the cancer of dictatorship was excised from the hemisphere Dictators retaliated often with deadly results exporting strategies that had been honed at home to guarantee their political survival Grafted onto this war without borders was a belated Cold War with all its political convulsions the aftershocks of which are still felt today

Reevaluating Eisenhower American Foreign Policy In The Fifties Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reevaluating Eisenhower American Foreign Policy In The Fifties PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reevaluating Eisenhower American Foreign Policy In The Fifties PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the

benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reevaluating Eisenhower American Foreign Policy In The Fifties free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reevaluating Eisenhower American Foreign Policy In The Fifties Books

What is a Reevaluating Eisenhower American Foreign Policy In The Fifties PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Reevaluating Eisenhower American Foreign Policy In The Fifties PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Reevaluating Eisenhower American Foreign Policy In The Fifties PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Reevaluating Eisenhower American Foreign Policy In The Fifties PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Reevaluating Eisenhower American Foreign Policy In The Fifties PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share

and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
