The Hidden Half of the Family Christina K. Schaefer, 1999 Offers information on finding female ancestors in each state highlighting those laws both federal and state that indicate when a woman could own real estate in her own name devise a will and enter into contracts In addition entries contain information on marriage and divorce law immigration citizenship passports suffrage and slave manumission Material is included on African American Native American and Asian American women as well as patterns of European immigration Period covered is from the 1600s to the outbreak of WWII Annotation copyrighted by Book News Inc Portland OR
