The Essential Guide to English Studies Peter Childs, 2008-09-25 Focusing on what it means to study English in higher education this book guides students through key aspects of English Studies including major topics and approaches subject specific study skills and assessment including seminar presentations assignments and exams Peter Childs offers down to earth practical guidance on developing the skills needed to succeed and includes coverage of literature language and creative writing This is an essential introduction to English Studies for students beginning their studies at university or college and anyone considering taking a degree in English *Indian Doctoral Dissertations in English Studies* K. Naseem, 2000 Indian Research In English Studies Has A Long And Rich Tradition But Unfortunately It Has Failed To Make Any Notable Impact On The Academic World This Is Largely Due To The Fact That Most Of The Indian Doctoral Dissertations In English Studies Lie Buried In University Libraries And Are Inaccessible To Aspiring Researchers No Attempt Has Been Made So Far To Establish Any Link Or Co Ordination Between Research Activities Of Different Universities Institutes This Has Resulted In A Total Neglect Of Earlier Research And Unnecessary Duplication The Present Volume Is Designed To End This Unhappy Situation By Providing A Complete And Authentic Account Of Research Carried Out In Indian Universities Not Only In British American Commonwealth And Indian English Literature But Also In Comparative Studies Translation Studies Language Linguistics And Elt Entries On The Above Mentioned Are Arranged Subject Wise In Chronological Sequence And Are Followed By A Separate Section On Individual Authors In Alphabetical Order Thus It Provides A Consolidated View Of Indian Research In English And Serves As An Invaluable Reference Manual It Is A Step Towards Orientation And Systematisation Of Indian Research In English Studies And Will Help To Make Research A Well Informed Well Planned And Meaningful Exercise [Literary Research and Postcolonial Literatures in English](#) H. Faye Christenberry, Angela Courtney, Liorah Golomb, Melissa S. Van Vuuren, 2012-08-08 Postcolonial literatures can be defined as the body of creative work written by authors whose lands were formerly subjugated to colonial rule In previous volumes of this series the research literature of former British colonies Australia Canada Ireland and New Zealand have been addressed This volume offers guidance for those researching the postcolonial literature of the former British colonies in Africa the Caribbean and South Asia Among the forty nations represented in this volume are South Africa India Pakistan Ghana Jamaica Swaziland Belize and Namibia With the exception of South Africa which formed the Union of South Africa in 1910 this guide picks up its coverage in 1947 when both India and Pakistan gained their independence The literature created by writers from these nations represents the diverse experiences in the postcolonial condition and are the subject of this book The volume provides

best practice suggestions for the research process and discusses how to take advantage of primary text resources in a variety of formats both digital and paper based bibliographies indexes research guides archives special collections and microforms

Literary Research and the Victorian and Edwardian Ages, 1830-1910 Melissa S. Van Vuuren, 2010-11-19 The diverse literatures of Victorian and Edwardian Britain have provided a wealth of research materials for novice and expert researchers alike Although the body of scholarship for the Edwardian Age is smaller than that of the Victorian researchers should have no shortage of resources for learning more about the literatures of either time period While many of the novels plays poetry and prose from the Victorian and Edwardian Ages are still readily available in print a vast amount of literature has long since fallen out of print Recent efforts in digitization the Victorian Women Writers Project English Literary Periodicals 1681 1914 Early British Periodicals 1681 1921 19th Century British Library Newspapers 19th Century U K Periodicals Times Digital Archives Victorian Popular Culture and even Google Books have helped to make many texts more widely accessible Literary Research and the Victorian and Edwardian Ages 1830 1910 discusses traditional and new resources for researching this period of British literature and the ways in which those resources can be used in conjunction with one another By helping readers navigate the resources and issues particular to these literatures this book will serve as an essential guide to researching the literatures of the Victorian and Edwardian Ages

Literary Research and Irish Literature Greg J. Matthews, 2008-12-04 Literary Research and Irish Literature Strategies union library catalogs print and online bibliographies manuscripts and archives microfilm and digitization projects scholarly journals periodicals newspapers and reviews and electronic and Web resources To ease comparison and evaluation of references each chapter addresses how to choose and utilize research methods and tools to yield the most relevant information This guide also examines the strengths and weaknesses of core and specialized electronic and print research tools and standard search techniques and when appropriate covers the historical and cultural contexts and usability issues of unique reference sources This volume number 5 in the series raises trenchant issues in Irish literary scholarship such as the problem of defining what Irish literature is gaps in criticism and secondary literature devoted to Irish literature neglected areas of scholarly inquiry including Irish literature by women and lesser known writers and the rewards of interdisciplinary research It concludes with a brief consideration of a scenario illustrating how a scholar might use strategies and sources covered in the text to solve a research problem

Doctoral Research in English Studies in India Ravindra Baburao Tasildar, 2025-07-05 Aspirant researchers are generally in search of a less researched topic on which to base their doctoral degree The constraints in identifying a suitable topic for doctoral study are generally ignored The lack of training in reference skills and the absence of reference sources results in piles of theses on the same or similar topics Hence this book which also includes a separate bibliography of PhD theses aims to help the aspirant researchers to find out a proper topic for their research degrees and review the related literature It will guide them to refer to the theses either available on Shodhganga a reservoir of Indian

theses or in the academic libraries in Higher Education Institutions The book is also recommended for PhD coursework in Indian universities
