Reflections From Eden II:

Reflections from Eden II Theodore C. Clarke, 2003-09 Quotidie, an everyday book for devotional reading with practical reflections, by F. A. G. Eichbaum Frederick Albert G. Eichbaum, 1902 **Reflections** Phillip Michael Garner, 2019-11-01 Reflections is a theological guide for today's Christians seeking a fuller appreciation of religious faith than is represented in populist religion. The seven categories and their chapters are designed to provide the reader with an intensive study on neglected but imperative concepts for faith. Subjects of vital importance to both theology and humanity are explored with a flowing continuity of understanding God and the world. Reflections begins with the concept of revelation and its relation to monotheism and conviction. The chapters that follow are titled Religion Is Christianity Is and Intelligent Spirituality. These set the foundation for the rest of the book. The sense of moderns is that they are immune to the primitive concept of idolatry. Under the category of Perennial Idols, Garner dismantles the idolatry that plagues humanity in every generation. Reality and its creation is a category of theological thought that is essential for Christian development and sorrowfully neglected in church education. The other categories are Sex and Romantic Love, Popular Myths, Being Human, Being Poor, and Forgiveness. Garner's conviction is that the root of humanity's dysfunction is our failure to learn how to live together as male and female.

The Sin Paradox D.B. Evans, 2019-06-17 What if Adam, Eve, death, murder, debt, wars, and even the last days of Jesus were all part of a common biblical pattern? Have you ever asked why God did something a certain way? In *The Sin Paradox*, author D.B. Evans shares his revelatory answers to a number of important questions he asked of God who late one night answered him in a whispered word: What did Adam and Eve do? What kind of fruit did they eat? Why did Satan take the form of a serpent? Why did Satan do it? Why did Jesus have to die? Why did he have to die the way he did? Why did the last days of Jesus's life play out the way they did? How does the sinful act of Adam and Eve permeate all of subsequent human existence and actions such as wars, debt, greed, and all the other sins humankind experiences? Could the sin committed in Eden still be happening today? What if all these questions could be answered within a common biblical thread? *The Sin Paradox* provides a case against Adam, Eve, and the Serpent, not of guilt or innocence of those involved, but of whether the evidence points to the actual crime they committed.

Eve East and West of Eden Two Vivian Afsoon Emtiaz, 2013-03-13 *Eve East and West of Eden two* is the story of a woman who was born in Iran but grew to adulthood through the cultures of Europe and the United States while never fully surrendering her Persian heritage. She became successful in business and has returned with her daughter to the Middle East in search of a wholeness which can embrace the best of each culture she has adopted. In her search for authenticity as a woman, as a citizen of the world, as a daughter, as a mother, she generalizes her own experience to lay it over the experience of the planet entering the Twenty-first century. In the Middle East, she finds the rich soil for discovering spiritual healing and loving perspective while never quite attaining the peace she and all humankind spends a lifetime pursuing. There is much in her story about her journey to reclaim her heritage, to connect to her roots in the stifling

male dominated societies In the mites of all she finds the destiny plays upper hand when she find herself irresistibly connected to her roots to farsi language of her childhood and to a soul mate from the past who help her to save himself through saving her in this life Where she accepts to transform her thought from the tragic of Mideast mistrust to trust and surrender in hope for common ground between Persia and America for peace Among the patterns she weaves are the threads of hope for her daughter and through her hope for the children of the world who will inherit the next opportunity for planetary healing
