"Wayne,2025-08-19 This is a novel based on a true story about a teenager who took his father s car joyriding one night just for fun He was pulled over and arrested and sent to a detention center for fifteen months and twenty three days Unbeknown to him at this time that his life would never be the same The punishment would leave him bitter for a very long time and his parents absences during his months of imprisonment only fanned the flames The story takes a turn going into his third month inside the detention center after receiving a gift from God a gift of writing After receiving this gift he was able to put light inside a very dark place Even though the gift was a blessing once he was released he suddenly became dysfunctional and he felt it was by design The young man had felt he was the victim of systemic racism and that he had been trapped into a system that had taken his name and had replaced it with a number that would label him for many years to come The months inside the detention center would transform him into a mean and cold hearted individual Soon he would become a career criminal and a two strike felon His brief intermissions in and out of jails and prison turned him into a drug addict and alcoholic as a coping mechanism to get through a day He would receive a rude awakening when he was released from prison the second time His mother had lost her eyesight from diabetics When she became blind this is when the young man began to see

(CCEF),2012-10-01 Change that goes deeper than the surface of our lives happens over the long haul as we daily remember and connect the truths of the gospel to our lives Every day we need to be reminded in different ways that Jesus God s own Son came to this world to save us from sin sorrow and death The promises of God which are all yes in Jesus **Reflections of a Healing Heart** T. Monique,2022-03-27 Healing is a process a personal process that encompasses individual strength

behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can't recognize God's answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God's Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God's love is revealed and supported by scripture In Notes of Encouragement we find God's word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God's word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged

Practical Reflections for Every Day in the Year. To which are added, Practical Reflections for the Principal Festivals of the Year. By the Rev. W. Dorrell [or rather, by Robert Bowes] ... The twelfth edition, newly revised and corrected William Darrell,1825 *Awareness of the Heart* Dennis Maglinte,2011-01-06

So often in many people's lives there is an awakening For some it comes out of nowhere and for others it seems as though it has always been Seemingly from darkness a light turns on and all that was once confusing becomes clear and all that was once hidden is revealed Some call this enlightenment Some call this a revelation Some call this peace I call it an awareness of the heart The following passages were written between late 2002 until 2010 Inspired by those around me including loved ones family friends and strangers and by the happenings of the world we share my heart was poured onto paper Though these words were written by my hand and sometimes spoken by my tongue there is nothing unique about them for the stirring in me is also in you So whether you choose to read the following passages in order read it backwards or randomly allow yourself to pick a page don't follow me Instead take a journey into your own heart and see where it takes you Throughout these pages you will find references to God Allah Great Spirit The Divine Elohim Yahweh Jehovah He who has no name and a myriad of other beliefs Though our words and our thoughts may differ today allow yourself to read with an open mind an open heart and an open spirit Let your heart inspire you Let God work through you by being you **Beautiful Reflections** Judy Kay Johnson,2002-11 "Reflections from My Heart" , *Daily Reflections on Divine Mercy* John Paul Thomas,2016-03-17 *Daily Reflections on Divine Mercy* was written to provide an awakening to the abundant Mercy of God It offers daily reflections and

prayers to help deepen the day to day faith life of every Catholic so that you can understand the abundance of Mercy poured forth from the Heart of our Savior as it is revealed in the writings of Saint Maria Faustina Kowalska Divine Mercy in My Soul Diary of Saint Maria Faustina Kowalska is soon to become a classic spiritual book that everyone is encouraged to read in their lifetime However many find this invitation intimidating not just because of the width of her book but because of the depth of its message on The Divine Mercy in each of Saint Faustina s notebook entries This book Daily Reflections on Divine Mercy was written with the hope of guiding you through Saint Faustina s Diary and her six notebooks of reflections It can be used on its own to help you pause and reflect on the beauty of Jesus messages to her or as a companion book as you simultaneously read Saint Faustina s Diary Daily Reflections on Divine Mercy offers 365 daily teachings reflections and prayers based upon the pages of Saint Faustina s Diary The structured way to use this daily reflection book is to do just that reflect upon one page each day However some may feel called to skip around a bit read a few reflections at a time or return to a particular reflection through which God spoke to you Therefore though this book was written with the intent of providing one reflection for each day of the year the best way to use it is any way you feel called and the way that benefits your relationship with God the most The first paragraph for each day offers this author s insights to the words and teachings of Saint Faustina The section of her Diary used for the day s teaching is marked so that the reader can also read her Diary first hand so as to see the primary source that the author of this book took inspiration from for that day s reflection Though the primary text of the Diary is never quoted nor are the reflections of this book exact representations of the Diary they do provide the foundational basis for the spiritual message shared in each reflection The second paragraph for each day offers a short reflection put more as a question to the reader It offers the same insight in a different format so as to enter more deeply into the message of the day Finally each daily reflection ends with a prayer focused upon the message and reflection for that day The reader is encouraged to pray this prayer several times Ideally it is prayed first thing in the morning again during the day and again at night as an examination on how well the daily message was received As you seek to survive the world we live in allow these pages to be a font of Mercy for you from God Allow God s Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others **Heart-To-Heart**
