*The Trauma of Everyday Life* Mark Epstein, M.D.,2014-07-29 A revolutionary reexamination of trauma s role in the life journey opening the door to growth and healing Trauma does not just happen to a few unlucky people it is the bedrock of our psychology Death and illness touch us all but even the everyday sufferings of loneliness and fear are traumatic In *The Trauma of Everyday Life* renowned psychiatrist and author of *Thoughts Without a Thinker* Mark Epstein uncovers the transformational potential of trauma revealing how it can be used for the mind s own development Western psychology teaches that if we understand the cause of trauma we might move past it while many drawn to Eastern practices see meditation as a means of rising above or distancing themselves from their most difficult emotions Both Epstein argues fail to recognize that trauma is an indivisible part of life and can be used as a lever for growth and an ever deeper understanding of change When we regard trauma with this perspective understanding that suffering is universal and without logic our pain connects us to the world on a more fundamental level The way out of pain is through it Epstein s discovery begins in his analysis of the life of Buddha looking to how the death of his mother informed his path and teachings The Buddha s spiritual journey can be read as an expression of primitive agony grounded in childhood trauma Yet the Buddha s story is only one of many in *The Trauma of Everyday Life* Here Epstein looks to his own experience that of his patients and of the many fellow sojourners and teachers he encounters as a psychiatrist and Buddhist They are alike only in that they share in trauma large and small as all of us do Epstein finds throughout that trauma if it doesn t destroy us wakes us up to both our minds own capacity and to the suffering of others It makes us more human caring and wise It can be our greatest teacher our freedom itself and it is available to all of us Check out Epstein s latest book *Advice Not Given A Guide to Getting Over Yourself*

**Reflections of God'S Turning Points** Nanette H. Kirk, 2018-01-15 This is an inspiring testimony about how Nanette came to know the Lord Jesus Christ for herself She tells of how her renewed faith in Jesus Christ catapulted her into Godly living Be in awe as she tells of her supernatural encounter with the Holy Spirit who literally saved her from certain death Nanette tells of her journey in overcoming life's challenges and the seeds of self doubt sown into her by her family She candidly tells of how God delivered her from a path of self destruction and put her feet on solid ground You will learn of the negative effects of low self esteem and how easy it is even for a saved person to become derailed and fall into the ways of worldly living one of Satan's traps when you don't have a personal relationship with God Nanette gives testimony to God's unmerited grace and mercy as she tells of His love and forgiveness
