Reflections On The Alaska Native Experience:

Reflections on the Alaska Native Experience Roy Michael Huhndorf, 1991 Roy M Huhndorf past president of the Cook Inlet Region Inc presents a series of essays on topics ranging from the Alaska Native Claims Settlement Act to self reliance education leadership and politics Culturally Diverse Populations: Reflections from Pioneers in Education and Research Diane De Anda, 2013-10-18 The purpose of this book is to open a discourse on current and pertinent issues related to multicultural populations by the most noted experts and researchers in the field This book offers an overview of the literature on multicultural issues and assesses its approach to the following issues the stereotypic assumptions with regard to filial piety and Asian American populations substance abuse within the Latino community multicultural youth and elders refugee and immigrant populations as well as vulnerable populations such as victims of political and sexual exploitation The aim is to provide a forum for educators in the field to present views regarding important issues for which there is no other venue They are important for educators practitioners and students in the field to consider and discuss These will serve as springboards for such discussion Although references will be cited when appropriate these will be position papers rather than research papers or reviews of the literature This book was based on a special issue of the Journal of Ethnic and Cultural Diversity in Social Work **Resources in Education** , 2001-10 Doorway Thoughts , 2004 Naéda A. J. McClanahan, Hallie L. Bissett, 2002 NA EDA the Dena ina Athabascan word for our friends is a primer on the Alaska Native Claims Settlement Act ANCSA of 1971 and a directory of Native corporations and tribal organizations Inside you ll find **Doorway Thoughts: Cross-Cultural Health Care for Older Adults, Volume III** Ags, 2008-04-28 **Doorway Thoughts: Cross-Cultural Health Care for Older Adults** , **Narrowing the Achievement Gap for Native American Students** Peggy McCardle, Virginia Berninger, 2014-08-21 There has been much talk and effort focused on the educational achievement gap between white versus black Hispanic and American Indian students While there has been some movement the gap has not appreciably narrowed and it has narrowed the least for Native American students This volume addresses this disparity by melding evidence based instruction with culturally sensitive materials and approaches outlining how we as educators and scientists can pay the educational debt we owe our children In the tradition of the Native American authors who also contribute to it this volume will be a series of stories that will reveal how the authors have built upon research evidence and linked it with their knowledge of history and culture to develop curricula materials and methods for instruction of not only Native American students but of all students It provides a framework for educators to promote cultural awareness and honor the cultures and traditions that too few people know about After each major section of the volume the editors will provide commentary that will give an overview of these chapters and how they model approaches and activities that can be applied to other minority populations including Blacks Hispanics and minority and indigenous groups in nations around the globe

All My Relations: Understanding the Experiences of Native Americans with Disabilities Hilary Weaver, Francis K.

Yuen,2018-04-19 Native Americans suffer disproportionately from many social and health disparities High rates of poverty exposure to environmental toxins and various forms of violence all increase the risk of health problems including disabilities yet there is very little published scholarship concerning Native American experiences with disabilities In collecting contributions on various aspects of disability in Native American populations in one volume this book seeks to redress this lack of attention Writing about regions of the United States Canada and Australia and spanning a diverse range of settings from remote rural areas to reservations to college campuses the authors are attentive to the impact of specific environments on their inhabitants Taking into account both physical and social environment and recognizing the importance of cultural context this book is a good starting point for anyone interested in developing a better understanding of the experience of Native peoples living with disabilities This book was originally published as a special issue of the Journal of Social Work in Disability Rehabilitation **Culturally Sustaining and Revitalizing Pedagogies** Cathy Coulter,Margarita
