Reflections Of A Warrior:

Reflections of a Warrior Elwood J.C. Kureth, 2007-11-01 Reflections of a Warrior is a Medal of Honor winner's true story. A Green Beret's six deadly years in the killing fields of Vietnam. PFC Franklin Miller arrived in Vietnam in March 1966 and saw his first combat in a Reconnaissance Platoon. So began an odyssey that would make him into one of the most feared and respected men in the Special Forces elite who made their own rules in the chaos of war. In the exclusive world of the Military Assistance Command Vietnam Studies and Observation Group, Miller ran missions deep into enemy territory to gather intelligence, snatch prisoners, and to kill. Leading small bands of battle-hardened Montagnard and Meo tribesmen, he was fierce and fearless, fighting army policy to stay in combat for six tours. On a top secret mission in 1970, Miller and a handful of men all critically injured, held off the NVA in an incredible Alamo-like stand for which he was awarded the Congressional Medal of Honor. When his time in Southeast Asia ended, he had also received the Silver Star, two Bronze Stars, an Air Medal, and six Purple Hearts. This is his incredible story.

We discover the importance of setting boundaries, practicing mindfulness, and embracing self-compassion. Self-care becomes the sanctuary where the warrior finds solace, replenishes their strength, and prepares for the battles that lie ahead. Finally, we explore the warrior's legacy, the

Women Warriors in Romantic Drama Wendy C. Nielsen, 2012-12-06 Women Warriors in Romantic Drama examines a recurring figure that appears in French British and German drama between 1789 and 1830 the woman warrior The term itself woman warrior refers to quasi historical female soldiers or assassins Women have long contributed to military campaigns as canteen women Camp followers ranged from local citizenry to spouses and prostitutes and on occasion women assisted men in combat However the woman warrior is a romantic figure meaning a fanciful ideal despite the reality of women s participation in select scenes of the French Revolution and the Napoleonic Wars The central claim of this book is the woman warrior is a way for some women writers Olympe de Gouges Christine Westphalen Karoline von G nderode and Mary Robinson to explore the case for extending citizenship to women This project focuses primarily on theater for the reason that the stage simulates the public world that female dramatists and their warriors seek to inhabit Novels and poetry clearly belong to the realm of fiction but when audiences see women fighting onstage they confront concrete visions of impossible women I examine dramas in the context of their performance and production histories in order to answer why so many serious dramas featuring women warriors fail to find applause or fail to be staged at all Dramas about women warriors seem to sometimes contribute to the argument for female citizenship when they take the form of tragedy because the deaths of female protagonists in such plays often provoke consideration about women s place in society Consequently where we find women playing soldiers in various entertainment venues farce and satire often seem to dominate although this book points to some exceptions Censorship and audience demand for comedies made producing tragedies difficult for female playwrights who battled additional obstacles to fashioning their careers I compare male Edmund Eyre Heinrich von Kleist and female writers dramatizations of the woman
