Reflections On De Gaulle Political Founding In Modernity:

Reflections on De Gaulle Will Morrissey, 2002-02-15 The battle of the books between ancient and modern continues to have decidedly unbookish consequences The French Statesman Charles de Gaulle fought an incident in this war founding a political regime in modernity whose principles transcended modern political philosophy De Gaulle rejected both bourgeois democracy and anti bourgeois totalitarianism framing a republicanism hospitable to civic responsibility and human greatness *Reflections on De Gaulle* first published in 1983 remains the only book centered on textual interpretation of each of de Gaulle's major works themselves part of his lifelong enterprise to bring a stable republican government to France Will Morrissey examines de Gaulle's works from *La discorde chez l'ennemi* his incisive critique of the German elites quasi Nietzschean overreaching in the First World War to *Mémoires d'espoir* his magisterial account of the founding of the Fifth Republic The text has been corrected and entirely reset in an attractive format for greater ease of use *De Gaulle* Daniel J. Mahoney, This analysis of the thought and action of Charles de Gaulle explores the intellectual foundations of Gaullist statecraft Mahoney's careful exegesis of de Gaulle's major writings and speeches reveals a penetrating political thinker as well as a major political actor He explains de Gaulle to an American public that too often sees him as a posturing figure suffering from an exaggerated and misplaced sense of personal and national grandeur Mahoney shows that de Gaulle's defense of the grandeur of France is tied to a fundamentally classical view of human nature and politics In elucidating de Gaulle's political self understanding Mahoney highlights the foundation of his noble but elusive moderation Mahoney shows how de Gaulle repeatedly and explicitly rejected the cult of the Nietzschean superman the Bonapartist separation of grandeur from moderation and all temptations of personal and ideological despotism He explicates de Gaulle's self understanding as a statesman or man of character who comes to the service of a democratic political order in a time of crisis He articulates de Gaulle's relationship to classical and Christian thought his place in the French tradition his profound debts to the Catholic poet philosopher Charles Peguy as well as his important affinities with Alexis de Tocqueville on the need to remain faithful to the dual imperatives of democracy and grandeur In addition the book discusses the principal moments of de Gaulle's statecraft from his appeal to resistance in June 1940 and his founding of a new French Republic in 1958 to his articulation of a Europe of Nations in the 1960's In doing so Mahoney thoughtfully clarifies the Gaullist understanding of the problem of democracy The democratic statesman must correct the corrosive acids of modern individualism while accepting that democratic individualism sets the inescapable contours of political action in our time Written in clear and non technical language for both a scholarly and general audience *De Gaulle* will be of interest to students of modern European political history contemporary political theory and those concerned with statecraft or statesmanship **De Gaulle's Legacy** W. Nester, 2014-12-16 This book explores the following What is the art of power What is the art of French power How did Charles de Gaulle understand and assert power establishing the Fifth Republic and breaking centuries of political instability

How well or poorly have his successors wielded the art of French power to define defend or enhance French interests

Leo Strauss and His Legacy John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss's students and their students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss's own complete bibliography and that of one of his most revered students George Anastaplo

Churchill and de Gaulle Will Morrissey, 2014-11-20 This powerful book provides a nuanced comparison of Winston Churchill and Charles de Gaulle as they thought spoke and acted through two world wars and the subsequent Cold War Will Morrissey frames geopolitics as the realm of necessity and his book will help those who want to learn the art of statesmanship from two of its most accomplished practitioners Morrissey credits their success in defending political liberty to their ability to frame successful geopolitical strategies As leaders in and out of power they defended their countries against the rising superpowers of the twentieth century the tyrannies of Germany and the Soviet Union but also in a different way the challenge of America's rise to worldwide stature and eventual dominance Along with these similarities there were two crucial differences Churchill stood at the head of a maritime nation while de Gaulle led a land power situated on the dangerous northern European plain Churchill enjoyed a stable political foundation and concentrated his attention on its defense while de Gaulle needed first to build such a foundation even as he defended ill founded regimes Both leaders understood their supreme task to be the protection of their citizens as civil or political beings who should not be subject to tyranny Although geopolitics focuses the attention of statesmen on political realities Churchill and de Gaulle showed how moral principle and prudence can continue to widen the scope of human liberty Although the world is vastly different today this nuanced book shows how thinking along with these giants of the twentieth century as they responded to the crises of their own time will make us more thoughtful citizens now and in the future

The Enemy's House Divided Charles De Gaulle, 2014-03-30 Originally published in 1924 and available here in English for the first time The Enemy's House Divided is Charles de Gaulle's analysis of the major errors that led the Germans to disaster in World War I Based partly on observations made during his internment as a prisoner of war from 1916 to 1918 it can be seen as the foundation for everything he wrote in the 1920s and 1930s in the shadow of German resurgence and for much of what he said and did after the Nazi victory in June of 1940 To de Gaulle the German conduct of the Great War and the debacle of 1918 was the greatest moral disaster ever to befall a modern civilized political community He seeks to identify the internecine causes of the collapse of the German war effort in 1918 and of the subsequent dissolution of the German Empire His diagnosis of the profound moral crisis that unfolded in Germany during World War I points forward to 1940 for de Gaulle understood the fall of France above all as a moral catastrophe for the French His first book it is also a key document of de Gaulle's philosophy of action introducing his statesmanship to the world with its deliberate and studied critique of the perils of Nietzsche's philosophical initiative

Self-Government, the American Theme Will Morrissey, 2005-10-20 Americans introduced

themselves to the world by declaring their independence They recognized that their unalienable rights were secured by institutionalized government that derives its just powers from the consent of the governed In *Self Government The American Theme* Will Morrissey defines the concept of self government and tracks its permutations in the ardent writings of key American presidents He shows how the transition to a more powerful national state was managed on political soil where self government was not an indigenous crop Morrissey considers the genesis of self government in the political thought of the founding U S presidents comparing their understanding of the term with that of President Abraham Lincoln and Confederate States of America President Jefferson Davis In this text Morrissey aptly demonstrates how the regime of the founders was replaced by a much more statist regime during the Civil War He offers salient interpretations of the writings of the key presidents of founding and civil war periods and interpretations centered on the key word self government This book is an essential contribution to the understanding of early American history and politics

Transnationalism ,2009-05-20 This book deals with transnationalism and captures its singularity as a generalized phenomenon The profusion of transnational communities is a factor of fluidity in social orders and represents confrontations between contingencies and basic socio cultural drives It has created a new era different from the past at essential respects This is an age of enriching cultural diversity fraught with threatening risks inextricably linked to contemporary globalization National sovereignty is eroded from above by global processes from below by aspirations of sub national groups and from the sides by transnational allegiances This is the backdrop against which this book delves into the fundamental issues relating to the nature scope and overall significance of transnationalism

Interpretation ,1994 A journal of political philosophy *Pacifism and Citizenship* Kimber M. Schraub,United States Institute of Peace,1991 The clash between concepts of pacifism and perceptions of citizenship has long provoked fierce argument Sparked by presentations from life long pacifist Elise Boulding and political scientist Guenter Lewy the debate in this volume is passionate and profound ranging across such issues as the political role of pacifists and the character of American pacifism since World War II

The Moral of the Story Henry T. Edmondson,2000 The contributors to *The Moral of the Story* all preeminent political theorists are unified by their concern with the instructive power of great literature This thought provoking combination of essays explores the polyvalent moral and political impact of classic world literatures on public ethics through the study of some of its major figures including Shakespeare Dante Cervantes Jane Austen Henry James Joseph Conrad Robert Penn Warren and Dostoevsky Positing the uniqueness of literature s ability to promote dialogue on salient moral and intellectual virtues editor Henry T Edmonson III has culled together a wide ranging exploration of such fundamental concerns as the abuse of authority the nature of good leadership the significance of middle class virtues and the needs of adolescents This collection reinvigorates the study of classic literature as an endeavor that is not only personally intellectually satisfying but also an inimitable and unique way to enrich public discourse

Reflections on Malraux Will Morrissey,1984-09-04 **The Political Science Reviewer** ,1985

The Anthem Companion to Raymond Aron Joachim Stark, Christopher Adair-Toteff, 2021-12-07 Raymond Aron is an exceptional figure among twentieth century sociological and political thinkers The book focuses on the sociological work of this author of the century who analyzed his age both in its grand scale political and socio economic traits and in the complex social ramifications of its day to day life Aron experts from a total of seven countries examine Aron s sociology in detail starting with his road from philosophy to sociology not least under the impression of the Great Depression and its aftermath especially the rise of National Socialism in Germany His epistemological studies on the limits of objective knowledge in history and the social sciences in which he moves away from Durkheim s approach and instead adopts Max Weber s sociology of understanding are analysed This acknowledgment of the limits of knowledge laid the foundations for Aron s liberalism and humanism His sociology of industrial society as an economy of economic growth in its market economy and planned economy versions its social stratification his criticism of the Marxist concept of social class the structure of the ruling elites and the pluralistic and one party totalitarian political regimes are presented as is Aron s analysis of the dialectic of modern society between the idea of equality and the authority structures in the state and the economic process This is accompanied by Aron s lifelong criticism of those intellectuals above all in the pluralist and liberal democracies who hope that a messianic ideology will abolish all social contradictions Aron s sociology of international relations in the age of industrial society and globalization which for Aron brought about the dawn of universal history complete the overview of Raymond Aron s sociological work

Statesmanship Wendell John Coats, 1995 *Statesmanship* investigates the applicability of the ancient Greek Roman arts of statesmanship and oratory to the liberal politics of the past two centuries

American Book Publishing Record, 2002

Reflections On De Gaulle Political Founding In Modernity Introduction

In today's digital age, the availability of Reflections On De Gaulle Political Founding In Modernity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reflections On De Gaulle Political Founding In Modernity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reflections On De Gaulle Political Founding In Modernity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reflections On De Gaulle Political Founding In Modernity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reflections On De Gaulle Political Founding In Modernity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reflections On De Gaulle Political Founding In Modernity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reflections On De Gaulle Political Founding In Modernity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reflections On De Gaulle Political Founding In Modernity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reflections On De Gaulle Political Founding In Modernity books and manuals for download and embark on your journey of knowledge?

FAQs About Reflections On De Gaulle Political Founding In Modernity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reflections On De Gaulle Political Founding In Modernity is one of the best book in our library for free trial. We provide copy of Reflections On De Gaulle Political Founding In Modernity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reflections On De Gaulle Political Founding In Modernity. Where to download Reflections On De Gaulle Political Founding In Modernity online for free? Are you looking for Reflections On De Gaulle Political Founding In Modernity PDF? This is definitely going to save you time and cash in something you should think about.
